# FOREWORD

## *A Glimpse into the Year of Progress and Innovation*

As we open this Annual Report 2023–24, we reflect with pride on a year shaped by growth, innovation, and purposeful achievement at The University of Faisalabad. This year has strengthened our commitment to academic excellence, future-focused learning, and the holistic development of our students.

Across our campuses, new milestones were reached in teaching, research, community engagement, and global collaboration. Breakthroughs in emerging technologies, expansion of international linkages, dynamic student initiatives, and sustained focus on quality enhancement collectively defined the year's journey.

Our achievements in global rankings, excellence in quality benchmarks, and recognition in sustainability reflect the dedication of our faculty, students, staff, and leadership—each contributing to TUF's upward trajectory.

We invite you to explore the highlights, accomplishments, and initiatives that shaped this year. This report stands as a testament to our shared vision: to empower learners, elevate communities, and lead with purpose in an evolving world.

# LEADERSHIP PERSPECTIVES

*FORESIGHTS THAT  
SHAPE OUR INSTITUTIONAL  
AUTHORITY WORLDWIDE*

# VISION OF TRANSFORMATION CHAIRMAN'S PERSPECTIVE

**MR MUHAMMAD HAIDER AMIN**  
*Chairman BOG*

*This year has been one of resilience, growth, and purposeful transformation. As Chairman of the Board of Governors, I take pride in reflecting on TUF's journey toward strengthening its academic mission and expanding its service to society.*

*Every milestone we achieved is a reminder that education is not only a path to personal excellence but also a responsibility toward collective uplift—a philosophy deeply rooted in the vision of the Madinah Foundation. Guided by our strategic roadmap, we invested in infrastructure and digital integration, creating learning environments aligned with global standards.*

*Equally important has been our commitment to social responsibility. Through initiatives like the Honhaar Undergraduate Scholarship, we have ensured that deserving students can pursue higher education without financial barriers. These efforts embody our humanitarian ethos and reinforce our role in uplifting communities.*

*I am deeply grateful to our leadership, faculty, staff, and students whose dedication fuels our progress. Together, we will continue to foster innovation, expand opportunities, and strengthen TUF's role as a transformative force in the region and beyond.*

# GLOBAL EXCELLENCE & INNOVATION RECTOR'S PERSPECTIVE

**PROF DR AMAN ULLAH MALIK**  
*Rector*

*The past year has been marked by purposeful advancement and significant achievements. As Rector, I am proud to share that our collective efforts have strengthened TUF's position on the global stage and reinforced our commitment to high-quality education, impactful research, and meaningful international engagement.*

*A defining highlight was our strong performance in international rankings—197th in the WURI Rankings 2025 and 356th globally in UI GreenMetric, where we also secured 11th place in Pakistan. These recognitions reflect our dedication to sustainable growth, innovation, and academic excellence.*

*We continued to elevate research quality and productivity through faculty development and interdisciplinary collaboration, enriching the academic experience for our students. At the same time, internationalization remained a priority, with new partnerships in Dubai, Bangladesh, and beyond opening doors for global learning, joint research, and student mobility.*

*I extend my heartfelt gratitude to our faculty, staff, and students whose hard work drives our progress. Together, we are shaping a dynamic academic environment rooted in excellence, innovation, and societal relevance. I look forward to building on this momentum as we strengthen our global presence and nurture competent professionals and responsible citizens.*

# **SOCIAL CONNECTEDNESS & GLOBAL ENGAGEMENT**

*REACHING ACROSS HORIZONS*

The University of Faisalabad stands as a bridge between nations—where knowledge flows freely, cultures intertwine, and ideas transcend borders. Guided by the Office of International Linkages, TUF has forged 60+ global partnerships that spark academic excellence, collaborative research, and vibrant student exchanges. Each connection is a doorway to diverse perspectives, empowering our community to learn, share, and shape the world together.

# ALPHA TUF FLOOD RELIEF DRIVE 2025: FROM FRONTLINE AID TO LONG-TERM RECONSTRUCTION

The Alpha TUF Welfare Society, a highly organized student body of The University of Faisalabad (TUF), executed a comprehensive and multi-phased response to the severe floods of 2025. This initiative seamlessly transitioned from providing immediate, life-saving aid on the ground to raising substantial funds for long-term rehabilitation and housing construction.

## IMMEDIATE HUMANITARIAN RESPONSE: AID & HEALTH SERVICES

The Alpha TUF team demonstrated remarkable leadership and dedication by working tirelessly day and night to support affected communities, ensuring quick assistance during the natural disaster.

### AREAS OF OPERATION

*The team focused on critical, severely impacted regions:*

- Alpha TUF Welfare Chiniot Flood Drive: Jhangi Clotra, Chiniot.
- Alpha TUF Welfare Flood Ration Drive Jhang 2025: Binda Rasheed Pur, Tehsil 18-Hazari, District Jhang.
- Alpha TUF Welfare Society Free Medical Camp: Jhang District (Flood-Affected Area).

### QUANTIFIED ON-SITE RELIEF

The efficiency and scale of the ration drives are quantified below, showing the delivery of over 1,450 units of essential supplies across Chiniot and Jhang:

The Alpha TUF Welfare Medical Camp in Jhang provided a vital lifeline. The team organized a free medical camp to

## LONG-TERM REHABILITATION & MAJOR FINANCIAL CONTRIBUTION

*Following immediate relief, Alpha TUF transitioned to a strategic fundraising effort to support permanent housing reconstruction.*

## SIGNIFICANT FUNDRAISING ACHIEVEMENT

*Alpha TUF successfully collected a substantial sum dedicated entirely to the rehabilitation phase:*

- *Total Amount Collected: PKR 1,600,000 (One Million Six Hundred Thousand Rupees).*
- *Purpose: To support the construction of houses for families displaced and made homeless by the floods.*
- *Strategic Handover: The funds are scheduled to be formally presented to the Governor of Punjab, underscoring the initiative's transparency and institutional importance.*
- *Partner Organization: The funds will be channeled through the Pakistan Red Crescent Society (PRCS), ensuring professional management and utilization in housing projects.*

## ALPHA TUF DONATED PKR 1.6M TO PUNJAB RED CRESCENT

On the occasion of 12 th convocation, TUF Alpha Welfare Society presented a check of **PKR 1.6 million** to the Governor of Punjab for the Punjab Red Crescent to support flood-affected communities, reflecting the TUF's commitment to social responsibility and community service.

# ORIC CAPACITY BUILDING SERIES

## WRITING & WINNING RESEARCH PROPOSALS

The Office of Research, Innovation and Commercialization (ORIC) successfully executed a comprehensive Faculty Capacity Building Series, significantly strengthening TUF's institutional research profile. The program was structured around the complete research lifecycle, delivering advanced competency across five critical, distinct pillars:

### GRANT ACQUISITION

Focused training on crafting competitive proposals for securing external research funding

### PROJECT GOVERNANCE

Methodologies for efficient project implementation, compliance, monitoring, and successful execution of approved projects.

### HIGH-IMPACT PUBLICATION

Strategies for academic recognition, global visibility, and publishing scholarly work in high-impact international journals.

### COMMERCIALIZATION & OUTREACH

Translating academic findings into market-oriented solutions through entrepreneurship and professional consultancy.

### INTELLECTUAL PROPERTY (IP) MANAGEMENT

Detailed guidance on IP protection, patent filing procedures, and strategic research commercialization.

The series featured specialized subject matter experts, including an Ex-Vice Chancellor/former Member (R&D) of the Higher Education Commission (HEC) and the Chairman of the Intellectual Property Organization (IPO) of Pakistan. This initiative firmly establishes TUF's commitment to delivering research that is both academically rigorous and commercially viable.

# INNOVATIVE LYALLPUR 3.0: A NATIONAL SHOWCASE OF CUTTING-EDGE INNOVATION

Innovative Lyallpur 3.0 successfully established itself as a premier national platform for student-led technological innovation. Hosted by The University of Faisalabad (TUF) Department of Computer Sciences in strategic collaboration with IEEE partners, the event was a powerful catalyst for showcasing future-ready technologies and strengthening academia-industry linkages across Pakistan.

## KEY EVENT FACTS

<b>EVENT HOST &amp; ORGANIZER</b>	TUF (Department of Computer Sciences) in collaboration with IEEE (TUF Student Branch, ComSoc Lahore, Faisalabad Sub-Section).	Affirms TUF's leadership and commitment to global professional standards in technology.
<b>SCALE OF PARTICIPATION</b>	35+ universities across Pakistan.	Highlights the national scope and prestige of the event.
<b>INNOVATION DISPLAYED</b>	Over 250+ cutting-edge projects showcased.	Demonstrates the high volume and quality of student ingenuity in key areas like AI, IoT, and sustainable technologies.
<b>GUEST/PANEL PROFILE</b>	Included Vice Chancellors (e.g., UET Lahore, UAF, IUB), Directors, and Coordinator at COMSTECH.	Elevated the event's stature and provided direct exposure to academic and industry leadership.
<b>WINNERS</b>	Project winners awarded significant cash prizes (e.g., PKR 150,000 for 1st place).	Provides tangible recognition and financial support for promising ventures.

# STRATEGIC IMPACT

The success of Innovative Lyallpur 3.0 extends far beyond the exhibition hall, creating systemic impact in several critical areas:

## FOSTERING A NATIONAL INNOVATION ECOSYSTEM

By drawing participation from over 35 universities, TUF created a national hub for cross-disciplinary collaboration, moving student ideas from theoretical concepts to practical, technology-driven solutions for real-world problems.

## BRIDGING ACADEMIA AND INDUSTRY

The event served as a crucial meeting point where students received direct, constructive feedback on their final-year projects from leading industry experts and academic leaders, ensuring projects align with market needs and enhancing the employability of participants.

## EMPOWERING FUTURE ENTREPRENEURS

It instilled an entrepreneurial mindset in students, encouraging them to view their projects as potential startups and research ventures, contributing directly to Pakistan's innovation economy.

## SHOWCASING TUF'S EXCELLENCE

The successful hosting of this flagship event reinforces TUF's reputation as a national leader in technological education and innovation, enhancing its visibility and prestige within the higher education landscape.

# REHAB INNOVATIONS-25 EXPO

## FACTS AND IMPACT

The Rehab Innovations-25 Expo served as a critical platform for student innovators to translate theoretical knowledge into tangible, life-changing assistive technologies. The event highlighted TUF's commitment to technological solutions in healthcare and social well-being.

### KEY EVENT FACTS

<b>FOCUS</b>	Student-led innovations in prosthetics and rehabilitation technologies.
<b>DATE/YEAR</b>	2025 (as indicated by the name)
<b>INAUGURATION</b>	Inaugurated by Mr. Rehan Naseem Bharara, President of the Faisalabad Chamber of Commerce and Industry (FCCI)
<b>EXPERT PANEL</b>	Judges included academic leaders in Physical Therapy from institutions like NUR International University and the University of Management and Technology (UMT) Lahore

## TOP PROJECTS AND IMPACT

The exhibited projects demonstrated a clear focus on integrating modern technology (like Virtual Reality) with ergonomic and sustainable design to improve patient outcomes.

PROJECT RANK	PROJECT NAME	TECHNOLOGY & FUNCTION
1ST POSITION	VR MOTION TRACK (TEAM 16)	An innovative Virtual Reality (VR) solution designed for motion tracking in rehabilitation. Impact: Enhances patient motivation and provides objective, real-time data for physical therapists.

PROJECT RANK	PROJECT NAME	TECHNOLOGY & FUNCTION
2ND POSITION	UNIFIED EXPLORATION DEVICE	A multi-functional device aimed at enhancing mobility and exploration for individuals with disabilities. Impact: Offers a comprehensive, intelligent solution for global mobility and independent exploration
3RD POSITION	ECO-ERGONOMIC REHAB RIDER	A sustainable and ergonomic stationary rehabilitation device. Impact: Focuses on patient comfort and environmental sustainability in long-term rehabilitation exercises.

## STRATEGIC IMPACT OF THE EXPO

*The event achieved significant impact beyond the projects themselves:*

### 1. BRIDGING RESEARCH AND PRACTICE

The expo successfully bridged the gap between academic research and the practical needs of the rehabilitation industry, fostering a market-ready mindset among students.

### 2. INDUSTRY VALIDATION

The presence of the FCCI President and top professionals validated the projects' commercial viability and technical expertise, suggesting potential pathways for commercialization and industry adoption.

### 3. ENCOURAGING SPECIALIZATION

By focusing specifically on prosthetics and rehabilitation, the event encouraged students to apply emerging technologies in a specialized healthcare sector, meeting the Sustainable Development Goal (SDG) of Good Health and Well-Being (SDG 3).

# SEE PAKISTAN WORLD START-UP CHAMPIONSHIP TUF REGIONAL ROUND REPORT

The University of Faisalabad (TUF) proudly hosted the Regional Round of the See Pakistan World Start-Up Championship, a high-impact event that successfully promoted entrepreneurial excellence and fortified the startup culture across the region. The championship served as a vital platform, positioning student innovators for national and global recognition.

<b>EVENT NAME</b>	See Pakistan World Start-Up Championship – Regional Round	Part of a major national and international startup competition.
<b>HOST</b>	The University of Faisalabad (TUF)	Demonstrates TUF's leadership in fostering innovation.

<b>INAUGURATED BY</b>	Prof. Dr. Aman Ullah Malik, Rector of The University of Faisalabad.	Emphasized institutional support for entrepreneurial ventures.

## STRATEGIC IMPACT OF HOSTING

Hosting this prestigious championship round yielded significant institutional and national impact:

**1**

**STRENGTHENING  
ACADEMIA-INDUSTRY  
LINKAGES:**

The event successfully brought together students, faculty, industry experts, and startup mentors, reinforcing the connection between academic research and market needs. The judging panel typically features numerous entrepreneurs and industry leaders, offering students invaluable real-world feedback.

# 2

## FOSTERING GLOBAL MINDSET

The Rector and main organizers explicitly emphasized the need for students to capitalize on international markets and view their ideas in a global context, directly contributing to the betterment of Pakistan's economy through innovation.

# 3

## ELEVATING STARTUP CULTURE

By showcasing groundbreaking ideas from regional universities, TUF actively fostered a culture of innovation and calculated risk-taking among its students and the wider academic community, inspiring the next generation of founders.

# 4

## INSTITUTIONAL RECOGNITION

Commendation from co-hosts and partners (such as the Director of ETPP SUL) for the well-coordinated arrangements underscored TUF's capability in hosting large-scale, high-caliber national events.

The championship round not only provided a competitive arena but also created pathways for mentorship and investment opportunities, paving the way for a more prosperous and innovative Pakistan.

# 3RD INTERNATIONAL MYOPIA CONFERENCE 2025 A GLOBAL HEALTH SUMMIT

The 3rd International Myopia Conference 2025 was a highly successful international summit hosted by The University of Faisalabad (TUF), specifically organized by its Department of Optometry and Ophthalmology. The event served as a critical platform for collaboration and knowledge exchange to tackle the growing global public health issue of myopia.

## KEY CONFERENCE FACTS

<b>HOST</b>	The University of Faisalabad (TUF)

# ACKNOWLEDGMENTS

## *A TRIBUTE TO VISION AND DEDICATION*

The publication of The University of Faisalabad Annual Report (December 2024 to November 2025) is a direct reflection of the collective brilliance, unwavering dedication, and visionary guidance of our entire community and esteemed partners.

We express our deepest gratitude to all who contributed to the University's notable achievements this past year.

We extend profound appreciation for the unwavering support and strategic direction provided by the Madinah Foundation. Its humanitarian philosophy does not merely support our institution; it remains the very bedrock upon which our commitment to education and social betterment is built.

Our sincere thanks go to the Board of Governors (BOG), especially the Chairman, Mr. Muhammad Haider Amin. His leadership is not simply governance, it is a powerful force of visionary commitment exemplified by championing an environment where groundbreaking ideas and entrepreneurial spirit thrive and ensuring state-of-the-art infrastructure and perpetual technological advancement to maintain our competitive edge in higher education.
