REPORT ON FLOOD RELIEF ACTIVITIES

FLOOD RELIEF ACTIVITIES

The unprecedented heavy rainfall in multiple regions of Pakistan led to devastating flooding. Pakistan is currently facing one of the worst floods in its history. Over 33 million people have been affected, with thousands left homeless and without access to clean water or food. This is a humanitarian crisis of immense proportions, and it requires an urgent and coordinated response.

The University of Faisalabad under the umbrella of Madinah Foundation along with its educational roles has always actively and constructively intervened in relief activities in every national calamity and provides financial and material support to rehabilitate people. ALPHA-TUF Flood Relief Campaign of the University started its activities for flood affected areas immediately. Faculty, administration and students of the University are contributing much toward the goal. The Management has also extended its helping hand for such noble cause. The employees of University donated one day salary for the noble cause.

ALPHA-TUF Team collecting funds for flood affected people

Under the platform of Madinah Foundation, management and students of the University are thriving hard to lend a helping hand to the affectees by their active participation in the distribution of food packages.
