## Bridging Boundaries, Building Partnerships TUF Hosted International Students Convention

The University of Faisalabad proudly welcomed over 200 international students from 45 various Universities of 35 counties at International students' convention. The event aimed to promote global collaboration, knowledge exchange, and cultural immersion.

Prof Dr Aman Ullah Malik, Rector, TUF, extended a warm and heartfelt welcome to the international students, emphasizing the university's commitment to providing a platform for learning, networking, and unity among diverse communities.

The event featured a highly engaging panel discussion, skillfully moderated by Prof Dr Majid Hussain, Dean, Faculty of Information Technology. Technical Sessions provided an engaging platform for discussion and learning: "Empowering Students with AI: Tools for Success in the Digital Age" by Dr Muhammad Arif, General Manager Research & Development, Chenab Engineering Works & Foundries Pvt Ltd, discussed AI-driven solutions to enhance students' learning and career prospects. Unwind & Thrive: Effective Stress Management for Students by Mr Muhammad Hanan Iftikhar, Head, TUF International Programs, shared practical strategies for managing stress and maintaining mental well-being in academic life. Entrepreneurship in the AI Era: Challenges & Opportunities by Mr Sharjeel Yousaf from National Business School, TUF, explored the dynamic intersection of AI and business, highlighting opportunities for young entrepreneurs. Students actively participated in an inspiring tree plantation ceremony, reinforcing their commitment to environmental sustainability. The event concluded with an enchanting Soiree Night, where international students experienced the mystical rhythms of Sufi performers, creating a soulful atmosphere of unity and cultural appreciation. The Soiree Night was graced by the esteemed presence of Mr Muhammad Haider Amin, Chairman, Board of Governors, TUF; Dr Zahida Maqbool, Registrar; Mr Altayev Daniyar, Representative of the Kazakhstan International Chamber of Commerce, along with Dr Ahmed Ali Sarohi, Director General of the Africa Ministry of Foreign Affairs, Islamabad, and Muhammad Zafar Iqbal, General Manager of Atlas Honda Limited, were among the distinguished guests at the event. The academic leadership included Prof Ishtiaq A. Rajwana, Vice Chancellor of the University of Agriculture, Multan; Dr Muhammad Mujahid, Rector of PAF-IASST Haripur; Prof Dr Rauf Azam, Vice Chancellor of Government College University, Faisalabad; and Dr Kanwal Ameen, Vice Chancellor of Government College Women University, Faisalabad. Additionally, Mr Murtaza Noor, Executive Director of the Association of Private Sector Universities, along with deans from various universities, who joined international students. International students expressed their excitement during the visit of TUF that helped to promote cultural diversity. They appreciated how TUF created an inclusive environment where they can meet and interact with students from various countries. Trough both formal events and informal interactions made them feel that they are part of a global community. International students valued the TUF's commitment to academic excellence.

## 3RD INTERNATIONAL **MYOPIA** CONFERENCE 2025

The Department of Optometry, TUF and Department of Ophthalmology, Madinah Teaching Hospital organized the 3rd International Myopia Conference 2025, featuring comprehensive Pre-Conference Workshops. This event provided invaluable insights into the latest advancements in myopia management through a series of expert-led sessions and engaging discussions.

The Myopia Conference was officially inaugurated by Prof Dr Amanullah Malik, Rector who expressed great pride in hosting this prestigious event. He remarked, "We are honored to welcome leading experts in the field of myopia management. This conference serves as an invaluable platform for collaboration, knowledge exchange and innovation to tackle the growing global issue of myopia." This initiative contributes to SDG 3, aiming to reduce global morbidity and improve access to essential healthcare services for eye health.

### PRE-CONFERENCE WORKSHOP AND DAY 1 SESSIONS:

The conference kicked off with a well-received pre-conference workshop, followed by Day 1 sessions that covered a wide range of important topics in myopia management:

- **Strategizing Myopia Management:** Developing Tailored Treatment Plans for Myopic Patients by Professor James Wolffsohn, Dean of Optometry at Aston University, UK
- **From Research to Practice:** Effective Myopia Control with Modern Interventions by Aamer Ejaz Khan Niazi, Senior Lecturer at the Department of Optometry & Orthoptics, Riphah University Lahore
- Preventing Myopia Onset and Slowing Progression: What Can I Do? by Professor Mark Bullimore, Adjunct Professor at the University of Houston, United States
- Advancing Myopia Management through Collaboration and Innovation by Indie Grewal, BSc (Hons) MCOptom DipTp(IP) Prof Cert Glau FBDO FBCLA

The workshop was facilitated in person by Dr Memoona Arshad, PhD Optometry, FAAO, FBCLA, Assistant Professor at TUF and Dr Asad Ullah, Optometrist and Consultant at Timergara Teaching Hospital, Khyber Pakhtunkhwa.

### DAY 1 - KEYNOTE SPEAKERS

The conference officially began with two captivating keynote sessions by Dr Fatima Iqbal - "Beyond Refraction: Enhancing Visual Clarity in Myopia through Ocular Surface Optimisation". Dr Fatima, a Research Fellow at The University of Melbourne, Australia, shared her groundbreaking research on enhancing visual outcomes in myopia management through ocular surface health. Dr Iqbal is also an alumna of The University of Faisalabad. Dr Asad Ullah - "Myopia Control: Why's, When's & How" Dr Asad Ullah, renowned optometrist and consultant presented valuable insights into the most effective strategies for controlling myopia progression.

## DAY 2 - SCIENTIFIC SESSION HIGHLIGHTS

The Department of Optometry and Ophthalmology were privileged to have Prof Dr Asad Aslam Khan (Sitara-e-Imtiaz), WHO Coordinator for Prevention of Blindness Program in Pakistan as a Guest of Honor. Scientific Session brought together an impressive lineup of experts, including:

- Prof Dr Suhail Sarwar – Consultant Ophthalmologist, Lahore
- Prof Monica Jong OD, PhD, FAAO, FBCLA – Global Director of Professional Education Strategy for Myopia
- Dr Adnan Khan – Assistant Professor, Khyber Medical University, Peshawar
- Professor James Wolffsohn – Dean of Optometry at Aston University, UK
- Professor Christopher Liu OBE – Senior Consultant Ophthalmologist, UK
- Dr Mufarriq Shah – Associate Professor, Pakistan Institute of Community Ophthalmology, Peshawar
- Dr Zahid Awan – Senior Programme Manager for Inclusive Eye Health at CBM International
- Prof Dr Nasir Chaudhary – Ophthalmologist, Mayo Hospital Lahore
- Aamer Ejaz Khan Niazi – Senior Lecturer at the Department of Optometry & Orthoptics, Riphah University Lahore

The event concluded with closing remarks delivered by Dr Aamir Ali Choudhry, Head, Departments of Optometry/Ophthalmology. He also officially announced the dates for the 4th International Myopia Conference. This initiative contributes to the broader goals of SDG 3: Good Health and Well-being, SDG 4: Quality Education, and SDG 17: Partnerships for the Goals, advancing eye health knowledge and education for all.

## Career Link-25 Empowers 1,800+ Students with Job and Internship Opportunities

The University of Faisalabad conducted Career Link 25, an impactful career fair aimed at strengthening academia-industry linkages and providing students with networking and employment opportunities. More than 90 renowned national and international companies set up their stalls. Over 1,800 final-year and recently graduated students submitted their profiles at mega job fair, gaining excellent opportunities for employment and internships.

The event brought together industry professionals, company representatives, and academia to discuss future career pathways and job market trends. Distinguished representatives Mr Waqas Kashif Bajwa, Chief Manager, State Bank of Pakistan, Faisalabad, Mr Hazar Khan, Chairman, PHMA North Faisalabad, Mr Taimoor Shahzad, Senior Credit Analyst, The Bank of Punjab and Ms Quratulain Bilal, Deputy Chief Manager, State Bank of Pakistan, Faisalabad joined the event. Prof Dr Aman Ullah Malik, Rector, TUF, Dr Zahida Maqbool, Registrar and Mr Omer Farooq Qureshi, Manager Placement Bureau also graced the event. The ribbon-cutting ceremony was conducted by the Chief Guest, Mr Hazar Khan, marking the official opening of the Job Fair. Representatives from various industries engaged with students, offering career guidance, internships, and job placement opportunities. Mr Omer Farooq officially welcomed the participants and introduced the event, emphasizing the importance of industrial collaboration in enhancing students' employability. Prof Dr Aman Ullah Malik delivered an insightful address on Industrial Academia Linkages, highlighting the significance of bridging the gap between industry requirements and academic curricula. Mr Hazar Khan delivered a compelling speech on emerging industry trends and workforce expectations. A Panel Discussion on "Future-Proofing Your Organization: Strategies for Success in a Rapidly Changing World" was held, featuring esteemed panelists: Mr Waqas Kashif Bajwa, Mr Hazar Khan, Mr Taimoor Shahzad, and Mr Hannan Iftikhar, Head TUF International Programs. The discussion provided valuable insights on digital transformation, economic shifts, and the skills necessary for adapting to evolving industry needs. The job fair remained open throughout the day, allowing students to explore job openings, submit resumes, and interact with recruiters.

## TUF Signs MoU with Chughtai Lab to Strengthen Industry Ties

TUF has signed a Memorandum of Understanding (MoU) with Chughtai Lab to enhance academia-industry collaboration. As part of the agreement, TUF members will receive a 20% discount on Chughtai Lab services upon presenting their university ID cards and a discount coupon. Additionally, TUF students will be offered summer internship opportunities to gain hands-on experience in the healthcare industry.

Mr Omer Farooq Qureshi, Manager of the Placement Bureau, highlighted the importance of this partnership and encouraged Chughtai Lab's active involvement in achieving shared objectives, further strengthening the collaboration.

## PEC Re-Accreditation Visit for BS Civil Engineering at TUF

Pakistan Engineering Council conducted a Re-Accreditation Visit at TUF for the BS Civil Engineering (Fall 2020) batch. Facilitated by the Civil Engineering Department, the visit aimed to evaluate the program's compliance with PEC's accreditation standards and ensure adherence to Outcome-Based Education (OBE) principles. The PEC evaluation team, which included Dr Ammad Hassan Khan, Chairman Department of Transportation Engineering, UET Lahore, and Engr. Shahab Khattak, PEC Representative, rigorously assessed various aspects of the program. Their review encompassed:

- Academic curriculum and faculty qualifications
- Laboratory facilities and research contributions
- Student learning outcomes and final-year projects
- Industry linkages and practical exposure opportunities
- Implementation of Continuous Quality Improvement (CQI) within the OBE framework

During their visit, the PEC representatives engaged in discussions with faculty members and students, ensuring that the program aligns with modern engineering education standards. A thorough inspection of classrooms, laboratories, and infrastructure confirmed compliance with PEC's requirements.

## TUF Represented at Global Summit "Water Energy Nexus 2025" in Abu Dhabi

The University of Faisalabad proudly represented Pakistan at the prestigious Water Energy Nexus 2025 global summit, held in Abu Dhabi, UAE. Dr Shaista Shafiq, Head, Department of Biotechnology, TUF, delivered a compelling scientific talk on water scarcity and the potential of Biotechnology and Nanotechnology to recycle wastewater—providing a sustainable path to meet Environmental, Social, and Governance (ESG) goals, drive green economy initiatives, and ensure sustainable growth. Dr Shaista effectively highlighted Pakistan's challenges related to water scarcity, recent advancements in wastewater treatment, and efforts to improve the quality of treated water. Her presentation received global recognition, leading to discussions on future collaborations for research and implementation of innovative water recycling solutions. The summit also featured eminent experts such as Professor Damia Barcelo (Netherlands) and Professor Johannes Vrouwenvelder (United Kingdom), who emphasized the critical role of wastewater treatment in securing water sustainability worldwide. The Water Energy Nexus 2025 conference was organized by CMAT and Khalifa University, UAE, under the chairmanship of Dr Shadi Hassan (UAE) and Professor Vincenzo Naddeo (Italy).

UNİVERSİTESİ

# Proud Moment for **TUF**

Congratulations to our  
talented students selected for the  
**INTERNATIONAL STUDENT EXCHANGE PROGRAM**

**WISHING THEM A SUCCESSFUL JOURNEY  
OF LEARNING AND GROWTH!**

## **TUF Students Selected for International Student Exchange Program at Altınbaş Üniversitesi, Istanbul**

The exceptional students from The University of Faisalabad who have been selected for the prestigious International Student Exchange Program at Altınbaş Üniversitesi, Istanbul. This opportunity marks an exciting chapter in their academic journey, offering them the chance to experience global learning and expand their horizons.

The students selected for the Spring Intake 2025 are:

- Ahmad Ashraf (2021-D-Pharm-5025)
- Faran Shahid (2021-D-Pharm-5068)

For the Fall Intake 2024, the selected students are:

- Khraam Latif (2022-D-Pharm-5013)
- Asad Shakeel (2022-D-Pharm-5009)

We wish them an incredible journey filled with growth, new experiences, and valuable academic connections. This exchange program is a step toward fostering global collaboration and academic excellence, providing these students with unforgettable opportunities for personal and professional development.

Faisalabad

# Congratulation *to* **ALI YOUSAF** (Aviation Management)

ON RECEIVING HIS CERTIFICATE OF MOBILITY  
IN SEMESTER GRADUATION CERERMONY  
**AT ISTANBUL AYDIN UNIVERSITY, TURKEY**

**TUF INTERNATIONAL STUDENT EXCHANGE PROGRAM**

**TUF Student from the Department of Aviation Management  
Completes Exchange Semester at Istanbul Aydin University**

TUF proudly celebrates the remarkable achievement of Ali Yousaf, a student from the Department of Aviation Management, who has successfully completed a semester at Istanbul Aydin University, Turkey, as part of the International Student Exchange Program for Fall 2024-2025. During his exchange, Ali Yousaf embraced diverse cultures, built international connections, and gained invaluable global exposure. Adding to this proud milestone, he also participated in the university's graduation ceremony and received his third-semester transcript, reflecting his dedication and academic excellence. TUF remains committed to providing students with international learning opportunities, fostering global perspectives, and promoting academic excellence.

## Debating Club Workshop Prepares Students for HEC All Pakistan Debate Championship 2025

TUF Center of Collective Activities organized a highly beneficial workshop for the Debating Club, where Prof Dr Riaz Majeed, Head, Department of Urdu, evaluated the debating skills of the club members. During the session, Prof Dr Majeed shared his extensive experience in the field and offered valuable guidance on how students can enhance their debating techniques and strategies. Ms Maham Akram, Coordinator, Department of English, also participated in the workshop, providing insightful advice to students competing in the English category. Her input was particularly helpful in refining the students' communication and presentation skills, which are crucial for success in competitive debating. At the end of the workshop, six of the best candidates were shortlisted to represent the institution in the upcoming HEC All Pakistan Debate Championship 2025.

## Seminar on Artificial Intelligence in Financial Management

The National Business School, TUF, organized an insightful seminar on Artificial Intelligence in Financial Management, featuring Mr Muhammad Iqbal Ghauri, the Director Finance & Strategy at Sadaqat Limited Pakistan, Director & Chief Operating Officer at C100 Think Tank, Former President of ICMAP, and Chief Financial Officer (CFO) at FESCO, as the esteemed guest speaker. The session, attended by students, faculty members, and industry professionals, delved into the transformative role of AI in reshaping financial management practices. Mr Ghauri, a distinguished expert in the field, provided a comprehensive overview of how AI-driven technologies—such as machine learning, predictive analytics, and robotic process automation—are revolutionizing financial forecasting, risk assessment, fraud detection, and investment strategies. He emphasized how AI enables businesses to enhance decision-making processes, optimize financial operations, and improve overall efficiency. During the interactive session, Mr Ghauri highlighted real-world case studies demonstrating the successful integration of AI in financial institutions. He also discussed the ethical and regulatory considerations associated with AI adoption, urging future financial managers to stay ahead of technological advancements. The seminar concluded with an engaging Q&A session, where students and faculty members actively participated, seeking insights into the future of AI-driven finance. The event not only broadened the understanding of AI's impact on financial management but also inspired students to explore innovative solutions for industry challenges.

### **Seminar on the Strategy to Search for a Job**

The Placement Bureau organized an insightful seminar titled "Strategy to search for a job." The event featured Prof Dr Nailah Riaz, Head of the English Language and Literature Department, as the esteemed guest speaker. The session equipped students with effective job search strategies, emphasizing key techniques for navigating the job market successfully. The guest speaker shared valuable insights on crafting impactful resumes, excelling in interviews, and utilizing professional networks to secure opportunities. Attendees left the seminar motivated and well-prepared to pursue their career aspirations with confidence.

### **Seminar on Peaceful Applications of Nuclear Technology**

The Department of Biochemistry and Biotechnology at TUF organized an insightful seminar on the peaceful applications of nuclear technology, highlighting its impact on energy, medicine, agriculture, and industry.

Renowned experts, including Dr Muhammad Tahir Khaleeq, Mr Waqar Ahmad But, and Mr. Muhammad Abbas Qamar, shared valuable insights on nuclear advancements, safety measures, and the effects of radiation. Their discussions shed light on the potential of nuclear technology in driving sustainable progress across various sectors.

## Seminar on How to Conduct an Interview

The Placement Bureau organized a highly informative seminar titled "How to Succeed in an Interview," which featured Prof Dr Nailah Riaz, Head of the English Language and Literature Department, as the distinguished guest speaker.

The session provided students with vital strategies to excel in job interviews, addressing key topics such as effective communication, confident body language, and managing challenging questions with composure. Dr Nailah shared expert guidance on making a strong first impression, strategically responding to interview questions, and following up in a professional manner.

## QEC Conducted a Training Workshop for Program Team Members on SAR & PREE Framework

The session aimed to enhance participants' understanding of the Program Review for Effectiveness and Enhancement (PREE) framework and the updated Self-Assessment Report (SAR) manual.

Key highlights of the workshop included:

- In-depth guidance on the PREE framework and its role in quality assurance.
- Training on navigating the revised SAR manual for the academic year 2024-2025.
- Practical demonstration of SAR preparation in alignment with updated guidelines.

The workshop was attended by dedicated PT members, who are now well-equipped to contribute to the self-assessment process, ensuring continuous improvement in academic quality and institutional effectiveness.

### First Aid Basic Training Workshop Organized for TUF Faculty and Students in Collaboration with Rescue 1122

Center of Collective Activities organized a First Aid Basic Training Workshop for faculty and students, in collaboration with Rescue 1122. The workshop aimed to equip attendees with essential skills to manage medical emergencies and respond effectively in critical situations. Expert trainers from Rescue 1122 led the session, providing hands-on training in key first aid techniques, including CPR, bleeding control, and fracture handling.

### Training Session on FSSC/ISO 22000 Awareness & Internal Auditing

The Department of Nutrition and Dietetics organized a training session on FSSC/ISO 22000 Awareness and Internal Auditing, led by industry experts Mr Muhammad Abdur Rehman and Mr Mian Abdul Rasheed. The session equipped participants with essential food safety knowledge and hands-on auditing skills. Key highlights included interactive discussions on food safety standards, a live internal audit at TUF Café, and practical case studies. Participants gained in-depth insights into global food safety frameworks and compliance measures, enhancing their ability to conduct audits effectively. This initiative aligns with SDG 3 (Good Health and Well-being) and SDG 12 (Responsible Consumption and Production), reinforcing TUF's commitment to food safety excellence.

## Tapal Tea Summer Internship Program A Step Towards Career Growth and Professional Development

The Placement Bureau conducted Tapal Tea Summer Internship Program, offering students a unique opportunity to connect with one of Pakistan's leading tea brands. The event focused on career development, with former interns sharing how their experiences at Tapal Tea shaped their careers. Students had the chance to interact with professionals, ask questions, and gain valuable career advice. The seminar sparked motivation and curiosity, encouraging students to pursue hands-on internships and gain exposure to the corporate world, with Tapal Tea continuing its commitment to nurturing young talent and fostering professional growth. The seminar proved to be a tremendous success, leaving students feeling motivated, energized, and eager to embark on their own career journeys. The event sparked curiosity among attendees, inspiring them to pursue internships and careers that align with their professional aspirations. Tapal Tea's continued support for the Summer Internship Program further reinforced the company's commitment to nurturing young talent and contributing to the professional growth of the next generation.

## Women Empowerment Society conducted Successful Workshop on Self-Defense

TUF Women Empowerment Society organized a highly successful Self-Defense Workshop aimed at enhancing women's safety and empowerment. The workshop saw the participation of over 60 enthusiastic girls, who were eager to learn valuable self-defense techniques. Ms Saira Iqbal, a renowned National Karate Player, led the session alongside her expert team, providing comprehensive training that focused on practical defense strategies, confidence building, and situational awareness. The session was well-received by the participants, who appreciated the hands-on approach and the empowerment it brought them. The workshop proved to be a huge success, with attendees praising the informative and engaging nature of the training. Many participants expressed that the session boosted their confidence and provided them with essential skills for personal safety.

## Board of Studies of Faculty of Law Holds 4th Meeting to Approve Key Enhancements for LLB and LLM Programs

The 4th meeting of the Board of Studies for the Faculty of Law at The University of Faisalabad was presided over by Prof Dr Sami Ur Rahman, Dean of the Faculty. Key members present included Prof. Dr Abdul Wahid, Director of Academics, Dr Abida Hassan, Head of Iqbal School of Law at GC University Lahore, Mr Asad Nisar Bhatti, Senior Advocate, Prof Dr Muhammad Ashfaq, Dean of National Business School, and Ms Atiqah Saleem, Lecturer in the Department of Law.

The meeting focused on enhancing the existing LLB program and introducing the newly approved LLM program. The board approved several improvements to the LLB curriculum, aimed at providing students with practical learning experiences and ensuring it meets the demands of the legal profession. Additionally, the board approved the LLM program, which will offer specialized legal education to students pursuing advanced studies. Prof Dr Sami Ur Rahman emphasized the importance of such meetings for shaping the future of legal education, and members shared insights on curriculum development and the integration of practical training.

## BOF meeting for the Faculty of Medicine and Allied Health Sciences

The Board of Faculty meeting for the Faculty of Medicine and Allied Health Sciences was convened by the Faculty Coordinators, Dr Zaima Umar and Dr Humaima Saeed, focusing on collaborative decision-making to ensure the continuous advancement of academic programs. Prof Dr Abdul Wahid, Director of Academics, reviewed all agenda items, presented by respective academic heads.

## International Mother Language Day Celebrated with Cultural Pride and Linguistic Diversity

In observance of International Mother Language Day, The Department of English Language and Literature organized a thought-provoking Panel Discussion featuring insightful discussions from esteemed experts on the significance of preserving and promoting mother languages worldwide. The Department of English was honored to have the distinguished panelists Prof Dr Nailah Riaz, Head, Department of English Language and Literature, TUF, Prof Dr Umar-Ud-Din Professor, Department of English Language and Literature, Prof Dr Matloob Ahmad, Dean Faculty of Arts and Social Sciences, Dr Majeed Riaz Head Department of Urdu, Dr Same-Ur-Rehman, Dean Faculty of Law. The panelists delved into the cultural, social, and linguistic importance of mother languages, emphasizing their role in shaping identity and promoting communication across generations.

## Mehfil Milad on Shab-e-Baraat

The Department of Islamic Studies organized a Mehfil-e-Milad (SAW) in the context of Shab-e-Baraat. The program was marked by heartfelt recitations of Naat and Dood o Salam, creating a serene and devotional atmosphere.

The highlight of the event was an enlightening address by Ms Safia Jaffar, Lecturer, Department of Islamic Studies, who emphasized the significance of Shab-e-Baraat in Islamic history. She spoke about seeking forgiveness, engaging in prayers, and reflecting on one's deeds on this blessed night. Students actively participated by reciting Naat and Dood Pak (SAW), further enhancing the spiritual ambiance of the evening. The event culminated with collective supplication for peace, prosperity and divine blessings.

### TUF Hult Prize Program 2025 Final Round

TUF hosted the final round of the Hult Prize Program 2025, where the top 10 finalist teams from Amin Campus and 12 teams from Saleem campus pitched their innovative business ideas to a distinguished jury. Our talented students made a strong impact.

The jury, including Mr Muhammad Iqbal Ghori, Director Finance & Strategy at Sadaqat Limited, and Dr Noureen, Fatima, Head of the Pathology Department, evaluated the students' projects. After a rigorous evaluation, top 3 startups from Amin Campus and 4 startups from Saleem Campus, were selected to move forward in the competition at the Hult Prize Nationals, marking a significant achievement for TUF's entrepreneurial community.

### UMDC Distinction Holders Shine in Pharmacology, Pathology, Forensic Medicine, and Behavioral Science

We proudly celebrate the remarkable achievements of our distinction holders in Pharmacology, Pathology, Forensic Medicine, and Behavioral Science. Ayesha Siddiqa and Sawaira Safdar shine at the top, both securing 1st position with multiple distinctions. Ayesha Siddiqa set a new benchmark for academic brilliance by earning distinctions in all four subjects. Sawaira Safdar's dedication earned her distinctions in Pharmacology, Pathology, and Forensic Medicine. Following closely, Laiba Wali secured 2nd position with distinctions in Pathology, Forensic Medicine, and Behavioral Science, while Aimal Jazzia showcased her academic prowess by securing 3rd position with distinctions in four subjects. Congratulations to these talented students and all distinction holders for their inspiring achievements.

# UMDC Welcomed 22nd MBBS Batch with White Coat Ceremony

The 22nd batch of MBBS students at the University Medical and Dental College (UMDC) marked a significant milestone with the White Coat Ceremony. The atmosphere was filled with excitement as the event commenced, signaling the beginning of a transformative journey in the medical field. As the new students donned their white coats, presented by second-year students, they recited the Oath, pledging to uphold the ethical values of the medical profession and dedicate themselves to the service of humanity.

The guests of the event included Honorable Mr Muhammad Haider Amin, Chairman BOG, Dr Zahida Maqbool, Registrar TUF, Prof Dr Muhammad Akram Malik, Principal U MDC, Prof Dr Shirza Nadeem, Vice Principal, Dr Mushtaq Ahmad Shad, MS Madinah Teaching Hospital, and esteemed faculty members. The event commenced with a warm welcome note, Prof Dr Akram Malik, in his address, extended heartfelt congratulations to the students and their parents. Prof Dr Akram Malik, also took the Oath alongside the new students, reaffirming his commitment to upholding the values of medical professionalism, integrity, and compassionate patient care. Mr Muhammad Haider Amin, addressed the students, sharing a heartfelt message: "I am honored to have you join our esteemed institution. To our new students, you are embarking on a journey that will shape your future. We are committed to providing you with the best education and opportunities for growth. A heartfelt thank you to our dedicated faculty and staff who work tirelessly to ensure our students' success."

The orientation day concluded with students and their parents capturing their special moments through photographs. The event was a memorable beginning for the new BDS batch at UMDC, paving the way for a promising academic and professional journey.

### I-shop Aima Arts

Aima Arts, a business specializing in hand-painted artwork, made a successful debut at iShop, The University of Faisalabad's retail event. The team gained valuable insights by engaging with customers, refining their approach, and testing their products, achieving an impressive 80% profit by the end of the week. Mini canvas paintings were the top sellers, and the team received overwhelming customer response, helping them build a stronger brand community. Recognized as "Shop of the Week," Aima Arts' unique range of mini and large-scale paintings captivated the campus. With plans to expand locally, Aima Arts continues to offer creative, hand-painted pieces aimed at making art accessible and personal for everyone.

### ST Jewellery-iShop: A Sparkling Venture by Laiba Sattar

Laiba Sattar, a student from the Department of Rehabilitation Sciences launched ST Jewellery in i-shop, a collection of handmade jewellery blending modern trends with traditional elegance. Her designs, ranging from minimalist to bold statement pieces, have quickly gained attention for their quality craftsmanship. This venture showcases Laiba's entrepreneurial spirit and creativity, highlighting the potential for students at TUF to excel in business. ST Jewellery promotes SDG 8 (Decent Work and Economic Growth) by offering real-world business experience.

**@seren\_dipitybakes: Homemade Delights Worth Trying at I-Shop**

I-shop @seren\_dipitybakes set by student of the Department of Rehabilitation Sciences, is making waves with its exceptional range of homemade sweet and savory treats. Known for its rich flavors and fresh ingredients, this i-Shop offers a delightful experience for food lovers. With a commitment to quality and taste, it has quickly become a must-try for those seeking homemade goodness.

**Aylara & Co: Shawal Fatima's Vision for Sustainable Beauty**

Shawal Fatima, a student from the Department of Medical Laboratory Sciences, has founded Aylara & Co, a brand focused on sustainable, organic beauty products. Aylara & Co offers eco-friendly skincare essentials, promoting healthy, natural beauty. Shawal's brand supports SDG 12 (Responsible Consumption and Production) by encouraging conscious choices in beauty care, and has already garnered attention for its high-quality, skin-friendly products.

### **TUF Societies Celebrate Character Day with Creative Costumes and Fun-filled Activities**

The University of Faisalabad's societies hosted a lively and colorful Character Day, where students dressed up as their favorite characters from movies, books, and pop culture. The campus was transformed into a vibrant spectacle, with students showcasing their creativity by portraying everything from iconic superheroes to beloved literary figures. The event was a celebration of imagination, fun, and camaraderie, as students embraced their favorite characters and enjoyed a day of laughter and joy. The atmosphere was filled with energy as everyone came together to share in the excitement, capturing memorable moments through countless photo opportunities.

From popular movie characters to timeless figures from literature, the costumes reflected the diverse interests and passions of the TUF community. The day provided a fantastic opportunity for students to bond, share their creativity, and escape into the world of their favorite characters.

# Sports Gala 2025

## One Spirit, One Goal

Sports Gala 2025 ignited TUF campuses with an exhilarating display of athleticism, teamwork, and competitive spirit. The opening ceremony was a spectacular display of energy, enthusiasm, and sportsmanship, with the esteemed chief guest, Ms Gulnaz Ara, an International Athlete of Pakistan, joining Prof Dr Amanullah Malik, Rector TUF, and Dr Zahida Maqbool, Registrar. They were accompanied by faculty members and sports enthusiasts, all coming together to celebrate the spirit of competition.

Prof Dr Aman Ullah Malik, administered the oath to the teams and officially declared the Sports Gala open. Karate team welcomed the event with a thrilling display of their skillful moves. The Musical Society added to the excitement with a vibrant Punjabi performance, complete with colorful costumes.

Adding a vibrant touch to the festivities, the MLS Food Fest, organized by the Department of Medical Lab Sciences, brought together students and faculty for a day of delightful culinary experiences. With food stalls, interactive activities, and entertainment, the festival created a lively and celebratory atmosphere, perfectly complementing the sporting spirit of the gala.

Center of Collective Activities brought together all TUF societies to create an unforgettable experience at Funland Day, electrifying the TUF Annual Sports Gala 2025 with an array of captivating activities that left everyone spellbound. From the colorful Ishops setup to the mesmerizing Mehndi and Dholki functions, every moment was a testament to the joy and excitement that filled the air, making this day unforgettable.

The Sports Gala Closing Ceremony was a grand celebration of athletic excellence. The event of sports closing ceremony began with a heartfelt address from the organizers, highlighting the importance of sports in promoting teamwork, discipline, and perseverance. The competition reached new heights as athletes showcased strength, skill, and determination in Badminton, Volleyball, and Tug of War. Mr. Rafaqat Hussain, Pakistan's National Champion, graced the event as Chief Guest, inspiring students with his words on dedication and sportsmanship.

8 teams competed fiercely across 26 sports, displaying remarkable skill, teamwork, and sportsmanship. In the end, CS KINGS emerged victorious, claiming the General Trophy of the TUF Sports Gala 2025. The ceremony featured awards, team recognitions, and a trophy presentation, marking a thrilling conclusion to the competition.

## Success Story of Ms Noureen Khalil A Proud Alumnus of TUF

I am Noureen Khalil, a proud graduate of The University of Faisalabad, where I completed my Bachelor of Electrical Engineering (Batch 2002–2006). My time at TUF was instrumental in shaping my ambition and fueling my passion for learning. Encouraged by my alma mater, I pursued my Master's in Telecommunications and Cybernetics Engineering in the UK, a journey that broadened my horizons and strengthened my technical expertise

After completing my master's, I returned to Pakistan with a strong desire to contribute to my homeland. My professional journey began with Nokia, where I served as Regional Manager Customer Services for seven years.

This experience laid the foundation for my expertise in customer service and telecommunications. Seeking new challenges, I transitioned to Microsoft, where I continued to refine my skills for two years.

An incredible opportunity knocked on my door when I joined Samsung Electronics as an Assistant Manager Customer Service. I embraced this challenge wholeheartedly, dedicating myself to excellence and continuous improvement. Through perseverance, innovation, and strategic leadership, I climbed the ranks, and within seven years, I was honored to be the Head of Part Customer Services for Pakistan and Afghanistan.

My journey has been one of relentless hard work, resilience, and an unwavering commitment to growth. From a passionate student at TUF to leading customer service operations for a global tech giant, I have always believed that success is a blend of knowledge, dedication, and the courage to embrace challenges. My story is a testament to the power of ambition, and I hope to inspire young professionals to dream big and strive for excellence in their careers.

## TUF Entrepreneurship Society

Ms Wardah is President of the Entrepreneurship Society at The University of Faisalabad. She is dedicated to guiding students on their entrepreneurial journey. Mission of Society is to promote a dynamic and supportive ecosystem where aspiring entrepreneurs can flourish. At E-Ship Society, its members believe in turning ideas into reality and empowering students to shape the future of entrepreneurship. They provide them with the tools, resources, and industry connections necessary to develop their entrepreneurial skills, launch successful startups, and create meaningful business ventures. Their initiatives are designed to bridge the gap between theoretical knowledge and practical application, ensuring that students gain real-world experience in

entrepreneurship. One of E-Ship Society's proudest achievements is the inauguration of more than 20 I-Shops within the university, offering students a hands-on opportunity to explore business management, customer engagement, and financial independence. These student-led enterprises serve as incubators for creativity and innovation, allowing young entrepreneurs to test their ideas, build sustainable business models, and contribute to a thriving entrepreneurial culture on campus.
