Empowering the Youth for a Prosperous Pakistan

AL-QURAN

In the name of Allah, the Beneficent, the Merciful

Their flesh reacheth not Allah nor their blood: but it is Piety from you that reacheth Him. Thus He hath subjected them to you, that ye may magnify Allah for He hath guided you; and bear thou glad tidings unto the welldoers.

(Surah Al HAJJ - 37)

Saying of the Holy Prophet Hazrat Muhammad (SAW)

Hazrat Ali (AS) narrated that the Messenger of Allah (SAW) said: "Whoever has the provisions and the means to convey him to Allah's House and he does not perform Hajj, then it does not matter if he dies as a Jew or a Christian".

(Jami Tirmizi Shareef)

Ramazam - Zilhaj 1436

"I have always maintained that no nation can ever be worthy of its existence that cannot take its women along with the men. No struggle can ever succeed without women participating side by side with men. There are two powers in the world; one is the sword and the other is the pen. There is a great competition and rivalry between the two. There is a third power stronger than both, that of the women."

Mr Abid Iqbal Khari, Mr Shahid Ahmad Heera and Mr Saleem Akhtar Kayani expressing their views

Seminar on Poverty Reduction

Student Welfare Foundation, TUF arranged a seminar on 27th August 2015 on “Poverty Reduction”. The discussion encompassed the prevailing economic conditions of Pakistan. In addition, it aimed to promote various measures that will permanently lift people out of poverty. Dr Khalil Ahmad, Chairman SWF in his address unfolded the types of poverty. He stressed on the point that the

students of today can successfully become entrepreneurs of tomorrow and thus can prove to be a source of earning for many deprived.

Chief Guest, Rector, Dr Abdul Majeed shared that Pakistan is a blessed country and possesses a lot of resources. Need of the time is to utilize these resources in order to pull masses out economic doldrums.

Prof Dr Abdul Majeed, Prof Dr Khalil Ahmad, Mr Asghar Siddiqi and others speak on “Poverty Reduction”

CTL Workshops at UMDC

The 2nd batch of Certificate in Teaching and Learning (CTL) has been started in The University of Faisalabad by the Department of Medical Education, UMDC under the supervision of Prof Dr Tanzeela Khalid, Deputy Director Medical Education on September 7, 2015. The aim of this course is to “develop our faculty members into effective teachers by helping them improve their teaching skills and professional attitudes”. The session is being facilitated

by the renowned medical educationists in the country. The Certificate will be carried out in three modules and 27 PMDC approved CME credits will be awarded to the participants by The University of Faisalabad. This certified course will help in training and capacity building of the participants. The participants of second batch are HOD’s, departmental chairs and demonstrators from basic, clinical and physiotherapy departments.

National consensus guidelines meeting

A national consensus guidelines meeting was organized with the title of "Challenges of Undergraduate Medical Education 2015 & Beyond - A Road Map" from 11th to 13th Sep, 2015 in Rawalpindi and Bhurban. The moot was organized jointly by PM&DC, HEC, UHS and Rawalpindi Medical College. It was attended by Principals of medical colleges, Deans of medical universities, Director DMEs, medical educationists from across the country and representatives of PM&DC and HEC. Inaugural session was chaired jointly by Chairman HEC and President PM&DC. They emphasized the need for curriculum change and made a commitment to extend full support for the document that would be brought forward at the end of the meeting.

Four working groups of medical educationists worked for two days

in Bhurban and came up with consensus guidelines for the new curriculum. It was decided that detailed document will be sent to PM&DC, not later than 15 days after the meeting.

Prof Tanzeela Khalid represented Department of Medical education, University Medical & Dental College in this meeting. She contributed in the group working on research

in undergraduate curriculum. The group came up with a spiral module on research that would run from first year to fourth year MBBS.

In addition, this meeting served as a forum for academia and experts in medical education to exchange views and share ideas regarding innovations in teaching and learning.

Participants of national consensus guidelines meeting at Bhurban

Basic Life Support CPR Workshop

The Workshop on "Basic Life Support (BLS)" was conducted (for MBBS Final Year students) in Madinah Teaching Hospital (MTH) in collaboration with Rescue 1122 Faisalabad from 04-09-2015 to 10-09-2015.

Three sessions of this workshop were conducted and students were taught CPR skills to be used on victims of all ages, the use of an automated external defibrillator (AED), and relief from foreign-body airway obstruction (FBAO). The students were also introduced to firefighting and shifting skills for patients with spinal injuries.

The workshop included the following:

- Audio-visual demos
- Hands on experience using manikins (Adult & Infant)
- Use of Bag Valve Masks for rescue breathing

MBBS students attending Workshop on "Basic Life Support (BLS)"

- Use of Automated External Defibrillators(AED)
Every candidate was assessed through multiple choice questions (MCQs) and skill tests.

MTH instructors team comprised Associate Professor Dr Tanveer Ahmad, Assistant Professor Dr Badar-ud-Duja, Assistant Professor Dr Nazim Hayat, Assistant Professor Dr Humera Zafar and Assistant Professor Dr Rizwan Rasul Khan. Rescue 1122 Faisalabad was represented by Mr Muzammil Malik & Mr Khurram.

On the last day of workshop, certificates were awarded to the facilitators and Rescue 1122 team by Associate Professor Dr Tanzeela Khalid and Additional Medical Superintendent Dr Dimple Mustafa.

Madinah Foundation organizes Mass Marriage program at TUF

The University of Faisalabad organized Mass Marriage for 60 couples under the auspices of Madinah Foundation on September 28, 2015. Prof Dr Abdul Majeed, Rector, The University of Faisalabad was the Chief Guest of mega event. Renowned religious figure Sahibzada Ata ul Mustafa Noori prayed fervently for newly wedded couples. The marriage expenditure of 60 orphan and deserving girls from Faisalabad and surrounding areas was borne

by Madinah Foundation. The couples were given dowry and more than 2100 guests were served lunch. Students of the University participated enthusiastically in the arrangements of the event. Deans, Heads, all faculty members and students were present on the occasion. The guests appreciated the services of Madinah Foundation for this noble cause.

Prof Dr Abdul Majeed and Sahibzada Ata ul Mustafa Noori addressing on the occasion

Effects of Social Media on Society and Individuals

Social Media has emerged as a new medium through which information is shared among the masses. Its importance has increased manifold soon after the advancement in the internet technologies. As per recent statistics, Pakistan has more than 20 million internet users, which is almost 11% of the total population. This percentage is increasing dramatically on daily basis. The use of internet and social media has engaged people from all age groups and from all walks of life.

However, it's use is multidirectional and the user can avail the benefits as per one's own discretion and priorities. In

order to have an insight into the potential effects of the misuse, a seminar was arranged by the Student Welfare Foundation on 10th September 2015.

An articulate speech by Dr Khalil Ahmad – Head QEC helped the students understand the consequences that may arise out of the misuse. Documentaries shown by Mr Tayyeb Riaz –Assistant Professor Management studies department created awareness among the audience. Rector, Dr Abdul Majeed was the chief guest who appreciated the efforts made by the SWF society.

Prof Dr Abdul Majeed, Prof Dr Khalil Ahmad, Mr Asghar Siddiqi, Mr Tayyab Riaz and members of Student Welfare Foundation speaking to the audience

World Hepatitis Day

Hepatitis is a medical condition defined by the inflammation of the liver and characterized by the presence of inflammatory cells in

the tissue of the organ. Hepatitis may occur with limited or no symptoms, but often leads to jaundice. It is reported that about 8.6 Million Pakistanis are affected with Hepatitis.

Department of Medicine, University Medical and Dental College,

observed "World Hepatitis Day" on July 28, 2015 at Dental Auditorium, Madinah Teaching Hospital.

Principal UMDC, Prof Dr A G Rehan was the Chief Guest while Dr Shahid Rasool from Department of Medicine was the Guest Speaker.

Prof Dr A G Rehan, Dr Shahid Rasool, Dr Rizwan Rasool and Dr Ali Saqib speak on prevention and cure of Hepatitis

International Youth Day

Character Building Society-TUF arranged International Youth's Day in The University of Faisalabad on 7th August 2015.

The theme of this year's International Youth Day 2015 is "Youth Civic Engagement."

A large number of students and faculty members gathered in the auditorium. A collection of documentaries and poems were presented to educate the participants about the current situation of the young growing minds. The presentations gave the message that the youth of Pakistan

should excel in modern knowledge, and by keeping in mind the basic values of Islam to carve out a prominent position for themselves and their country.

Everyone should focus on their self development in order to stand out in the modern day work environment and society.

Faculty members and students on the occasion of Youth Day celebrations

World Population Day

World Population day is an annual event, observed on July 11 every year, which seeks to raise awareness of the global population issues. Started by Governing Council of the United Nations Development Program in 1989, it is observed all across the globe every year. A walk was arranged in TUF on 07 July 2015 in which students and faculty members participated.

Controller Examinations Mr Hamid Nawaz Shiekh shared useful information about the menace of population increase, and how high population growth rate is adversely

affecting the economy of Pakistan and ultimately the living standards

of people.

Faculty members and students during awareness walk on World Population day

World Physical Therapy Day

World physical therapy day was celebrated on September 08-2015. A free physical therapy camp was organized by TUF rehabilitation society. Dr Hafiz Muhammad Asim - PT Dean LCPT/Coordinator DPT at UHS was the chief guest.

Dr Abdul Majeed - Rector The University of Faisalabad along with the chief guest inaugurated the free physiotherapy camp. Activities included an awareness walk, cake cutting ceremony, decoration of the clinic with informative literature, Free BMI, BP Checks, BMD, Uric Acid,

Blood glucose level checking. A total of 116 patients suffering from various diseases visited the camp. Chief Guest Dr Hafiz Muhammad Asim appreciated the efforts of TUF Rehabilitation society and the

untiring efforts of HOS - Dr Shahid Ahmad Heera and his team. He wished them best of luck for future endeavors as well.

Dengue Awareness Campaign

Department of Community Medicine organized awareness seminars on "Prevention of Dengue Fever". These seminars were organized in University College for Women, University Cambridge School and The University of Faisalabad. Highly qualified doctors of Community Medicine Department imparted health education regarding prevention of Dengue Fever. The audience were

informed that dengue mosquito breeds on clean water, so collection of such water in nearby living spaces should be avoided. We should cover our body parts especially at 'Dawn and Dusk' and apply mosquito repellents. Queries and myths of students associated with this disease were answered. Flyers containing preventive information of dengue fever were distributed among students.

Defence Day Book Exhibition

Lively nations remember their heroes who rendered their services for the defence of their motherland. Nations, which forget their heroes are forgotten by the history itself.

Noor-e-Siddiq-e-Akbar Library organized an exhibition of books, articles, and online resources on “Defence Day” for the students and visitors at Saleem Campus. This exhibition continued from September 2-6, 2015. Students took profound interest in the novels and biographies about the heroes of the 1965 War between India and Pakistan. They also appreciated the display of some news and stories published in the September 1965 editions of
