AL-QURAN

In the name of Allah, the Beneficent, the Merciful

“The number of months in the sight of Allah is twelve (in a year) - So ordained by Him the day He created the heavens and the earth; of them four are sacred: That is the right religion. So wrong not yourselves therein”.

(At-Taubah - 36)

Saying of the Holy Prophet Hazrat Muhammad (SAW)

Narrated Syeda Ayesha (SA), Allah’s Apostle ordered (the Muslims) to fast on the day of ashura, and when fasting in the month of Ramadan was prescribed, it became optional for one to fast on that day (ashura) or not.

(Sahih Bukhari Chapter 31- Hadith 219)

TUF Inks MoU with Kotler Impact

The University of Faisalabad (TUF) signed a Memorandum of Understandings (MoU) with Kotler Impact, globally renowned strategic marketing community led by Mr Philip Kotler, a leading scholar and educationist in the field of Business and Management. The event was held on 7th November 2015.

The agreement was signed by Prof Dr Abdul Majeed, Rector, TUF and Dr Fahim R Kibria, Chief Marketing Officer, Kotler Impact during a ceremony held at TUF.

The University of Faisalabad is the First University in

Pakistan to have this agreement.

Kotler Impact will collaborate with TUF for Kotler Business Programme, Philip Kotler Marketing Forum, World Marketing Summit Journal, Kotler Awards and other valuable business and value added marketing programmes for professionals particularly for the students of Management Studies of the University.

On this occasion Dr Fahim R Kibria gave a lively presentation on marketing strategies.

Prof Dr Abdul Majeed and Dr Fahim R Kibria exchange documents after signing agreement

“ABOUT 9.9 MILLION PEOPLE IN PAKISTAN HAVE OSTEOPOROSIS” World Osteoporosis Day

On the occasion of ‘World Osteoporosis Day’ an awareness seminar was conducted on 20th October in Auditorium of Madinah Teaching Hospital. In his presentation, Assistant Prof Dr Usama Jafar outlined the importance of nutrition for bone health throughout all stages of life. Osteoporosis is characterized by diminution of bone mass, weakening of bone structure and increasing the risk of fracture. Osteoporosis has become a major public health problem worldwide, he added. In Pakistan, majority of people are not getting adequate amounts of calcium, vitamin D and protein. Consequently, about 9.9 million people in Pakistan have osteoporosis of which 7.2 million are women. Dr Usama put the spotlight on the importance

of bone-healthy nutrition from early life to adulthood. He also highlighted the preventive measures, diagnosis and treatment in this regard. Prof Dr Kaleem Shaukat, HoD Orthopedics and Prof Dr Khalid Mehmood Yahya, HoD Medicine also spoke on the occasion.

Sayings of Hazrat Ali Karam-Allah-Wajhahu

- Refraining from sin is easier than repentance.
- To separate oneself from things of time and to connect oneself with things of eternity is highest wisdom.
- He is really wise whose actions reflect his words.
- Value of each man depends upon the art and skill which he has attained.

Exhibition of New Arrivals and TUF Publications

Noor-e-Siddiq-e-Akbar Library organized an exhibition of new books and The University of Faisalabad publications. The students visited the exhibition and showed their interest particularly in three new books by Rauf Klasra. They

also liked the biography "Bitter and Sweet" by Sirajuddin Aziz. Among TUF publications, they appreciated the titles "In the Name of the Youth of the 21st Century" and "Manaqab-e-Ehl-e-Baet."

Students reading new books in the library

E-Library USA: Resources for Teachers

The University of Faisalabad Libraries organized a workshop on "eLibraryUSA: Resources for Teachers" for the University Cambridge School (UCS) on November 28, 2015. A group of 35 teachers learnt about the available resources in eLibraryUSA for teaching the children. They

found the resources like American English, BookFlix, Britannica for Children, and National Geographic for Kids valuable for their students. This hands-on training also empowered the school teachers with the online searching skills.

"DENGUE HAS BECOME A MAJOR INTERNATIONAL PUBLIC HEALTH CONCERN"

Department of Community Medicine, UMDC, organized an awareness seminar on "Prevention of Dengue Fever" in The University of Faisalabad on October 22, 2015.

Prof Dr Zahid Masood, HOD Community Medicine, in his address informed the audience that Dengue is the most common mosquito-borne viral disease of humans that in recent years has become a major international public health concern. Globally, 2.5 billion people live in areas where dengue viruses can be transmitted. Dengue mosquito breeds on clean water, so collection of such water in nearby living spaces should be avoided. We should cover our body parts especially at 'Dawn and Dusk' and apply mosquito repellents. Queries and myths of students associated with this disease were answered. Flyers containing preventive information of dengue fever were distributed among students.

Participants of the seminar

Free Dental Camps by Dental Clinics MTH

Madinah Foundation in keeping with its tradition of its philanthropic activities, maintains its support in providing education and health care facilities to underprivileged community.

Dental Clinics of Madinah Teaching Hospital has launched Oral Health Program from November 10, with collaboration of EDO Health. Free dental camps have been set up at different Healthcare Centers in different villages surrounding Faisalabad.

The camp activities were organized by a team of expert dentists from MTH with BDS students of UMDC under the supervision of Prof Dr Syed Akhtar Hussain Bokhari Principal (Dental Section) UMDC.

A sizeable number of patients, particularly children and pregnant women are being screened, free dental checkups and basic dental treatment has been provided free of cost. Some patients with severe complexities are issued free Health Cards and given appointments at Madinah Teaching Hospital for further treatment.

The activity will help the community in educating and raising awareness on oral hygienic problems for better health care. Dental Clinics, MTH will continue to provide this dental care facility in free camps till last week of December.
