## AL-QURAN

In the name of Allah, the Beneficent, the Merciful

Surely Allah has conferred favour on the believers that He sent a Rasool (Messenger of Allah) from amongst them who recites to them His Verses and purifies them and teaches them the Book and the wisdom. And previous to that they were clearly in error.

*(Al-e-Imran -164)*

## Saying of the Holy Prophet Hazrat Muhammad (Sallallahu Alaihi Wa Sallam)

Narrated Hazrat Anas (Razi Allah Ta'ala Anho) : The Prophet (SAW) said "None of you will have faith till he loves me more than his father, his children and all mankind."

*(Sahih Bukhari, Sahih Muslim)*

You have asked me to give you a message. What message can I give you? We have got the great message in the Quran for our guidance and enlightenment.

- Muhammad Ali Jinnah *(Rehmat-Ullah Alaih)*  
*Message to Muslim Students Federation NWFP, April 1943*

## TUF signs MoU with INONU University Turkey

The University of Faisalabad signed a Memorandum of Understanding with INONU University, Turkey to promote scientific and educational cooperation.

The MoU signing ceremony was held on the occasion of 3rd Vice Chancellors Forum of Universities of Islamic World, held in Islamabad on February 23-24, 2015.

MoU was signed by Prof Dr Cemil Celik, Rector, INONU University and Prof Dr Abdul Majeed, Rector, TUF. INONU University is a multidisciplinary university and has faculties of Health Sciences and Engineering of international repute. Both the Rectors welcomed the opportunity for the exchange of staff, scholars, students, academic

information, and materials in the belief that the research

and education process at both universities would be enhanced.

*Prof Dr Abdul Majeed, Rector, TUF shakes hand with Prof Dr Cemil Celik, Rector, INONU University, Turkey (right) after signing MoU*

## TUF Inks MoU with Kotler Impact

The University of Faisalabad signed a Memorandum of Understandings (MoU) with Kotler Impact, globally renowned strategic marketing community led by Mr Philip Kotler, a leading scholar and educationist in the field of Business and Management. The event was held on 7th November 2015.

The agreement was signed by Prof Dr Abdul Majeed, Rector, TUF and Dr Fahim R Kibria, Chief Marketing Officer, Kotler Impact during a ceremony held at TUF.

The University of Faisalabad is the First University in Pakistan to have this agreement. Kotler Impact will collaborate with TUF for Kotler Business Programme, Philip Kotler Marketing Forum, World Marketing Summit Journal, Kotler Awards and other valuable business and value added marketing programmes for professionals particularly for the students of Management Studies of the University. On this occasion Dr Fahim R Kibria gave a lively presentation on marketing strategies.

*Prof Dr Abdul Majeed and Dr Fahim R Kibria exchange documents after signing agreement*

## MOU with GC University Faisalabad

The University of Faisalabad signed a Memorandum of Understanding with G C University Faisalabad (GCUF) for a long term mutual collaboration between the two Universities.

MOU was signed by Prof Dr Abdul Majeed Rector, TUF and Prof Dr Muhammad Ali, Vice Chancellor GCUF at a ceremony held at The University of Faisalabad on September 8, 2015 which was also attended by Prof Dr Muhammad Saeed, Dean Faculty of Medicine and Allied Health Sciences, Prof Dr Abdul Haq, Director ORIC, and

other senior faculty members from both the Universities. The objective of this MOU between the two institutions is to encourage direct contact and cooperation between faculty members, departments, institutes and research centers to benefit from the facilities and expertise of each other. Both the Universities will carry out cooperation in joint research activities and publications; exchange of information in fields of interest of both institutions and holding of conferences, short courses and other academic activities.

## Prof Dr Abdul Haque delivered keynote lecture in International Conference held in Nepal

Dr Abdul Haque, Professor of Pathology and Director ORIC, The University of Faisalabad, Faisalabad was invited by organizers of ICIDN (International conference on Infectious Diseases and Nanomedicine) to deliver a keynote lecture and to chair a session. The Conference was a joint venture of Nepal Medical Microbiology Society, American Society of Microbiology and European Society of Clinical Microbiology and Infectious Diseases. It was held in Kathmandu, Nepal. The title of his keynote lecture was "Significance of Vi negative isolates of Salmonella enterica serovar Typhi in causing typhoid fever." He delivered another lecture entitled "Molecular diagnosis of infectious diseases" in preceding workshop. The conference was attended by delegates from 25

different countries including USA, Canada, China, Japan, UK, Germany, South Africa, France and India. He was also guest of honor in the concluding ceremony.

*Prof Dr Abdul Haque delivering key note lecture*

# Visit of Mr Christiaan Robert Maas Senior Expert, PUM, Netherland

Mr Christiaan Robert Maas visited Madinah Teaching Hospital from October 10 to 25, 2015. Main purpose of his visit was to analyse in detail the technical need of hospital in respect of staff, equipment and expertise, by improving hospital management with the help of health care experience from various Dutch hospitals. Dr Dimple Mustafa, Additional Medical Superintendent conducted the visit and gave a comprehensive presentation on the hospital and showed all departmental working in detail.

Mr Christiaan Robert was impressed by huge organization of Madinah Foundation, especially with the generosity of Chairman BOG Mian Muhammad Hanif (SI). He also appreciated that MTH is working with great missionary spirit towards patients free of cost. He committed for provision of technical support by the Hospitals from Netherland.

The guest was presented with memento by Prof Dr A G Rehan, Medical Director.

## Rector TUF attends the “3rd Vice Chancellors Forum of Islamic World”

Prof Dr Abdul Majeed, Rector TUF attended the “3rd Vice Chancellors Forum of Universities of Islamic World”, held in Islamabad on February 23-24, 2015. The mega event was jointly organized by COMSATS Institute of Information & Technology, the Islamic Educational, Scientific and Cultural Organization (ISESCO), Ministry of Science and Technology, Government of Pakistan, Higher Education Commission, Pakistan and Federation of the Universities of the Islamic World (FUIW). The theme of the Forum was “Universities in the Islamic World: Facing Global Challenges”. Vice Chancellors, Presidents and Rectors from 55 Islamic Countries attend the event. Mr Ahsan Iqbal, Federal Minister of Planning and Development and

Prof Dr Mukhtar Ahmad, Chairman HEC also addressed on the occasion.

The Forum aimed at pooling resources including but not limited to offering scholarships for higher studies. It helped in establishing Virtual Centers of Excellence across the Islamic World. It provided a platform to the university leaders to formulate an agenda to cope with the rapidly changing environment and needs of global economy. It served as an inspiration for the participants to draw plans, programs and set targets for their respective institutions. It helped in establishing linkages and promote networking among the participating universities/ institutions.

## National Conference on “Nutritional Management of Geriatric Health Problems”

School of Nutrition and Dietetics, The University of Faisalabad organized National Conference on “Nutritional Management of Geriatric Health Problems” in Saleem Campus on May 28, 2015.

Prof Dr Abdul Majeed Rector of the University was the chief guest while Prof Dr Muhammad Saeed, Dean Faculty of Medicine and Allied Health Sciences was the convener of the conference.

The objectives of the conference were to highlight the geriatric health problems and their dietary management, enhance the diligence ensuring adequate nutritional care of elderly and to establish a good liaison between academic and nutritional experts towards developing

good nutritional practices in geriatrics.

This conference provided an opportunity for the researchers, scientists and medicos to discuss at length various health and nutritional problems of the elderly and to recommend their cost-effective solution through adequate nutritional care. The conference consisted of two scientific sessions. The first session was chaired by Prof Dr Faqir Muhammad Anjum (TI), Director, Institute of Home and Food Sciences, GC University, Faisalabad while Prof Dr Syed Jawwad Husain, Head School of Nutrition and Dietetics, TUF was Co-chairperson. Prof Dr Nighat Bhatti was the chairperson of second session and Dr Naheed Abbass was co-chairperson. Ms Faiqa

Javed and Ms Rabea Sherwani from School of Nutrition and Dietetics, TUF were the moderators.

Speakers included Prof Dr Khalid Mehmood Yahya, Head Department of Medicine, Madinah Teaching Hospital, Assoc Prof Dr Naheed Abbas, Director Institute of Rural Home Economics, University of Agriculture, Assoc Prof Dr Zahid Masood Khan, Head Department of Community Medicine, University Medical & Dental College, Ms Beenish Asad, Lecturer/Clinical Nutritionist, Institute of Rural Home Economics, University of Agriculture, Ms Madiha Ilyas, Asst Prof Department of Home Economics, Food and Home Sciences, GC Women University Faisalabad, Prof Dr Faqir

Muhammad Anjum, G C University Faisalabad, Assoc Prof Dr Ali Saqib, Department of Medicine, Madinah Teaching Hospital, Asst Prof Mrs Asma Lodhi, Institute of Rural Home Economics, University of Agriculture, Assoc Prof Dr Rizwan Rasool, Department of Medicine, Madinah Teaching Hospital, Mrs Zainab Asif, Clinical Psychologist, Madinah Teaching Hospital, Asst Prof Dr Sumera Riaz, Department of Community Medicine, University Medical & Dental College, Mr Munawar Hussain "GAIN" and Dr Huma Umbreen, GC Women University delivered compressive lectures on different topics related to Nutritional Management of Geriatric Health Problems.

*Prof Dr Abdul Majeed, Prof Dr Faqir Muhammad Anjum (TI), Prof Dr Syed Jawwad Husain and other speakers addressing the audience while Prof Dr Muhammad Saeed presenting University memento to a guest speaker.*

## Presentation on "TUF Libraries" for new Faculty Members

The University of Faisalabad Libraries organized a presentation on "TUF Libraries: Resources and Services" for the University Medical and Dental College on December 8, 2015. A group of 12 new faculty members learnt about the print and electronic resources in medical sciences. They found the resources like Access Medicine, ebrary, Wiley Online Library, and ProQuest Dissertations and Theses valuable for teaching and research. This session helped the new faculty to see TUF Libraries as a first stop shop for their information and research needs.

*Mr Umar Farooq giving presentation on TUF Libraries*

## Orientation on "TUF Libraries" for new medical students

The University of Faisalabad (TUF) Libraries organized a presentation on "TUF Libraries: Resources and Services" for the new medical students on December 14, 2015. More than 100 new students learnt about the value of library in learning, research and the sharing of knowledge. They found the video Libraries in the Internet Age interesting. This orientation helped the new students to differentiate between using a library and the Google for quality information and research.

## Research output 2015 by DPT Students

School of Rehabilitation Sciences, conducted Research Thesis Viva of DPT Final semester students on October 13, 2015. A total of 17 groups presented their research work in front of internal and external examiners. Each group was given 15 minutes for presentation followed by a question - answer session. Rector Prof Dr Abdul Majeed, TUF in his concluding remarks lauded the efforts of the students.

*Research Thesis Viva session in progress*

# ORIC Directors agree to find ways for Mutual Cooperation in Research

Office of Research, Innovation and Commercialization (ORIC), TUF organized a meeting of ORIC Directors of various universities and institutes of Faisalabad region in the Conference Room of TUF on December 29, 2015. The meeting was chaired by Rector, TUF Prof Dr Abdul Majeed. Prof Dr Abdul Haque, Director ORIC, TUF welcomed the guests and told about performance of ORIC. He briefed that a number of valuable projects were in process of evaluation at TUF. One project has started with financial support by HEC and others are underway with support of TUF. Prof Dr Muhammad Saeed, Dean Faculty of Medicine & Allied Health Sciences, TUF, speaking to the ORIC Directors, said that TUF had state-of-the-art research labs and related infrastructure for research activities. He stressed the need to encourage the students and to start joint practical implementation for research activities. He added that TUF would be pleased to extend its available facilities and infrastructure for this purpose.

The guests, Dr Waseem Ahmad, Officer In charge, Business Incubation Center, ORIC, University of Agriculture, Dr Khalid Zia, Director ORIC, GC University, Dr Farooq Latif, Director ORIC, NIBGE, Dr Kiran Aftab, Director

ORIC, GC University for Women and Dr Abher Rasheed, Director ORIC, National Textile University briefed the participants about the organizational structure, activities and performance of their respective ORIC offices. The participants emphasized the importance of joint research work for mutual benefits. They also valued the need of industry-academia association.

Prof Dr Abdul Majeed, in his address said that Industry-Academia linkages provided the basis for a strong innovation system. This linkage includes execution of industry-specific projects, collaborative research and development and commercialization of innovation. 'A strong linkage ensures that the research and development activities in universities are oriented towards demand in the market and in the society' he added. He told the Directors that our collaborative research activities would encourage and customize the student's research training experience to enhance their career prospects as well as to increase overall collaboration between the universities and industry to strengthen R&D outcomes.

It was agreed by all participants to hold such meetings on regular basis to share progress and experiences.

*Prof Dr Abdul Majeed, senior faculty members of TUF and ORIC Directors sharing their views*

## Students of DND 1st position in Documentary Presentation

The students of Doctor of Nutrition & Dietetics of TUF, got 1st position in Documentary on "Healthy Food" and 3rd position in "Lunch Box Competition". # Workshop on Descriptive Statistics

Faculty development is a continuous process and it makes teaching and learning dynamic. Through such development programs one can get updated with the changing dynamics of academia. Seized with the significance of this high value task, Quality enhancement Cell initiated a comprehensive faculty development program, where personalities from different departments would share their knowledge.

In the first session held on 15th December 2015 Additional Registrar Mr Mahmud Ashfaq gave his presentation on "Descriptive Statistics". Faculty members from various departments attended in order to develop their research skills using the latest statistical techniques. This was a value added activity and the participants appreciated the efforts of QEC department.

*Prof Mahmud Ashfaq giving his presentation on "Descriptive Statistics"*

## Impact of Teacher's Disposition

A workshop on "Impact of a Teacher's Disposition" under Professional Competency Enhancement Program (PCEP) by Quality Enhancement Cell was arranged on Friday 11, December 2015.

Engr Muhammad Haroon, Lecturer School of Textile Engineering, focused on the impact of a teacher's moral and intellectual attributes on the students and the society. Moreover, the disposition and role of an ideal teacher was discussed in the light of Quran and Teachings of Holy Prophet Muhammad (Sallallahu Alaihi Wa Sallam).

All the faculty and administrative staff appreciated the efforts of QEC and Engr Muhammad Haroon on delivering

such a constructive and comprehensive presentation.

*Engr Muhammad Haroon expressing his views*

## Seminar on "Research Methods"

A seminar on "Research Methods" was arranged by School of Management Studies on 23rd December 2015. Dr Kashif Ur Rehman from CBSR (Creative business and Social Research) visited TUF and gave a comprehensive lecture. Dr Kashif Ur Rehman holds the distinction of supervising 58 independent studies at MS/ PhD level. He brings along a teaching and research experience of over one and a half decade. UK based research indexation Scopus ranked him as number one researcher in Social Sciences in Pakistan

in 2011. HEC has honored Dr Kashif with Best University Teacher Award.

He elucidated the current research practices being followed in Pakistan, international requirements, hitches involved and the comprehensive methodology for conducting research in a country like Pakistan. A good number of students, faculty members and members from other institutions attended the seminar.

*Dr Kashif ur Rehman and others addressing the audience*

# Research Methods

Following the ongoing sessions under the Faculty Development program initiated by Quality Enhancement Cell, a session was conducted by Dr Muhammad Shoaib Khalid on 17th December 2015.

Dr Muhammad Shoaib possesses high expertise in research work. Sharing knowledge on the topic "Research Methods", the speaker elucidated the research standards, research activities, changing trends of research modes and the projected future of research techniques. Procedure and the hitches involved in the publication of papers in journals and presentation in conferences were also discussed. Faculty members from various Engineering and other departments participated in this value added seminar and made inquiries. Dr Shoaib's presentation was gratefully acknowledged.

*Dr Muhammad Shoaib sharing his knowledge on the topic "Research Methods"*

## Think Fast, Work Smart

Academic qualifications, sharing of experiences, participation in the co curricular activities are some of the factors which contribute in the development of an individual. Mere provision of bookish knowledge is not enough.

The University of Faisalabad stresses on the development of individuals from all aspects. Following this aim, a seminar was arranged on 3rd December 2015. Presenter Mr Tayyeb Riaz from Management studies department along with Mr Harris Qureshi and other members of the team gave a comprehensive analysis of the requirements of the modern working environment. The theme was driven home with the help of documentaries and practical activities.

*Mr Tayyeb Riaz expressing his views on the occasion*

# APS Martyrs united the whole Nation

A program in remembrance of Martyrs of Army Public School (APS) Peshawar was conducted in collaboration with Faisalabad Arts Council on December 10, 2015.

Mr Noor-ul-Amin Mengal, DCO Faisalabad was the chief guest of the event. Prof Dr Abdul Majeed, Rector, The University of Faisalabad, Prof Dr Muhammad Saeed, Dean Faculty of Medicine and Allied Health Sciences, Mr Tariq Javed, Resident Director Faisalabad Arts Council, faculty members of the University and large number of students were present on the occasion.

Chief Guest, Mr Noor-ul-Amin in his address expressed complete solidarity with the families of the martyrs and reiterated the determination to root out terrorism from the country.

Dr Tariq Hashmi, GC University Faisalabad, Dr Tahir Siddiqi, University of Agriculture Faisalabad, and Mufti Muhammad Farooq, Director Riazul Jannah Islamic Complex addressed the audience.

The speakers expressed that due to the sacrifice of innocent students of Army Public School the nation had united to eliminate the menace of terrorism, the morale of nation is high and it is determined to defeat the enemies of Pakistan. They also paid a rich tribute to the great sacrifices of Pakistan Armed Forces in operation Zarb-e-Azb, and showed solidarity with them.

Students of the University presented national songs and tableau to pay tribute to the APS martyrs which brought tears in the eyes of the audience. Mr Noor-ul-Amin appreciated the efforts of the TUF students and announced cash prize for them. The program concluded with National Anthem.

All the Heads of Schools, administration, faculty members and students attended the morning congregations to show solidarity with grieved families. Fateha khawani was offered for the martyrs.

Mr Noor-ul-Amin Mengal, DCO Faisalabad, Dr Tariq Hashmi, Dr Tahir Siddiqi, Mufti Muhammad Farooq and students speaking to the audience

# TUF becomes a member of the think tank on “Developing Libraries for 21st Century”

Rector Prof Dr Abdul Majeed represented The University of Faisalabad in an international conference on “Journey through Print to Digital Information and Beyond” at the Lahore University of Management Sciences (LUMS) This conference brought together the international speakers from India, Bangladesh, Sri Lanka, and United States and about 450 participants from Pakistan. The conference was inaugurated by the Education Minister Rana Mashhood

*Rana Mashhood Ahmad Khan, Education Minister, Punjab expressing his views on the occasion*

Ahmad Khan. Five Vice Chancellors from public and private universities addressed the audience. The Conference Chair of the South Asian Libraries Conference (SALC) Dr Muhammad Ramzan established four think tanks for the librarians in South Asia. TUF is honored to be a member of the think tank on “Developing Libraries for 21st Century.” The Chief Librarian Mr Umar Farooq is representing TUF in the think tank.

*Participants of conference*

## Outstanding performance of School of Optometry in 1st International Conference

The students of Doctor of Optometry, 8th semester, Ms Kalsoom Rani, Senior Coordinator, School of Optometry and Ms Rubina Kousar attended the 4th National and 1st International Conference of Optometry in Pakistan held in collaboration with Eastern Mediterranean Council of Optometry (EMCO) on April 12-13, 2015 at Islamabad. It was an international forum which provided Pakistan optometry institutes to project themselves. Ms Kalsoom Rani, Vice President of Pakistan Optometry Society played a major role in arrangements of conference and involved students of OD 8th semesters actively in the conference.

Ms Kalsoom Rani presented a paper on the affect of the functional vision component (color, contrast, visual acuity) on high spectacle correction. It was a new aspect to highlight the cause of reduced contrast with spectacle correction in high refractive errors. The participants appreciated the new facts and idea of inclusion of functional vision assessment in routine examination

Ms Rubina Kousar unfolded her survey on optometry faculty professional teaching training skills in different optometry institutes and also presented the model of ideal optometric setup

Hina Nasir, Student of OD, displayed a video documentary titled, A chromatic world, on one of the school for blind in Faisalabad and unmasked the life of

students in blind’s schools, establishing the fact that many low vision persons are treated as blind in our society. It was a very heart touching video prepared by Samaha Jhangir and Hina Nasir.

A humorous skit was staged by Hafiza Samina, Rabia saeed, Nimra Gul and Rizwa Falak on the basis of true facts regarding contact lens mis use. Fatima Iqbal one of the bright students of OD, made a presentation on ocular complication with snake bite which was appreciated by all.

Fatima Iqbal was awarded a Gold Medal on her outstanding performance in academics. The overall impact of School of Optometry, The University of Faisalabad was out standing in the conference.

*Faculty members and students of School of Optometry in Conference*

# ISO Certification for Madinah Teaching Hospital

On 27th April 2015, Madinah Teaching Hospital (MTH) has been awarded ISO 9001:2008 certification which is recognition of its persistent effort towards improving quality care and enhancing patient satisfaction. MTH is first hospital of private sector in Faisalabad to become ISO 9001:2008 quality certified through a tough evaluation process.

ISO 9001 is a quality management system recognized by all businesses and top organizations around the world, including hospitals and healthcare providers, as the yardstick for highest quality standards. The hospital has to maintain these extraordinary standards and be assessed annually to demonstrate positive compliance in order to maintain this higher standing. MTH has gone through an intense on-site inspection process in which quality was assessed in areas of indoor patient management, outdoor patient care, medication administration, infection control, food service, administrative and operating procedures,

HR, medical equipment management, hospital waste disposals and medical store.

Amongst quality oriented hospitals worldwide which are ISO certified, there are only a handful of Pakistani hospitals to have obtained this highly respected certification and MTH is one of them.

We the administration express our heartiest congratulation to Madinah Teaching Hospital for achieving this milestone and a great step towards excellence.

## International Day of Persons with Disability

International Day of People with Disability (IDPwD) is a United Nations day that aims to promote an understanding of people with disability. It provides encouragement and support to the disabled in order to protect their dignity and promote their well being.

Every year disability organizations, businesses, governments and the community come together at events across the country to mark the occasion and celebrate the achievements of people with disability. This effort draws awareness of the persons with disabilities

and the problems they face in their everyday lives. TUF Rehabilitation Society in collaboration with Special Education Centers, Faisalabad also observed this day. The promotion was made through dramas, songs and performances by children with disabilities. Officials from special education departments, political figures and prominent personalities attended the event to uplift the spirits of the participants. Prizes were also awarded by TUF Rehabilitation Society.

*Faculty and Students of Rehabilitation Sciences observing Day of Person with Disability*

# UN Anti-Corruption Day Observed with Zeal

Corruption is a complex social, political and economic phenomenon that affects all countries and all factions of the society. The negative consequences include undermining of democratic institutions, slow economic development and ultimately the government's instability. The Anti-Corruption Day is observed annually to raise people's awareness about the costs of corruption and the role of the United Nation against corruption. This day serves as a powerful call for action against corruption

and the platform for government, civil society, media and general public to engage and address challenges that contribute to encourage corruption.

Character Building Society TUF also observed Anti-Corruption day on 9th December 2015. Mr Saleem Kayani Director Press and Publications and Professor Asghar Siddiqui HOD- Textile Engineering spoke on the occasion. A pledge was made that TUF would remain steadfast in its commitment to combat corruption.

# Basics of Teaching and Learning (BTL)

A three day course on Basics of teaching and learning (BTL) was organized from 8th to 10th December, 2015 at UMDC. The course was organized by Department of Medical Education, UMDC for development of newly inducted faculty members. BTL is a regular event conducted as a part of faculty development program, to enhance teaching efficacy of new faculty members. The course has been specially designed to cater for the educational needs of new entrants in the field of teaching. A series of workshops were conducted including:

- Writing learning outcomes by Prof Dr Tanzeela Khalid
- Constructive feedback by Dr Shirza Nadeem
- Reflection by Dr Sumera Riaz
- Small group discussion by Dr Sundus Tariq
- Power point presentation by Dr Saba Tariq

*Group discussion*

- Library resources by Mr Umar Farooq and
  - Online attendance and leave system by Mrs Nazish
- Prof Dr Muhammad Saeed, Dean Faculty of Medicine and Allied Health Sciences, motivated the students by highlighting the importance of moral and ethical values for teachers quoting references from the Holy Quran and Sunnah of Prophet (Sallallahu Alaihi Wa Sallam). He also narrated events from lives of Molana Rumi (RA) and Allama Iqbal (RA).

The course concluded with a certificate distribution ceremony. Prof Dr A G Rehan, Principal UMDC distributed certificates among the participants. He wished them a bright and successful career and appreciated efforts of DME for improving the quality of medical education being imparted at The University of Faisalabad.

*Prof Dr AG Rehan with Faculty members of UMDC*

## Dengue Awareness Campaign

Department of Community Medicine organized awareness seminars on "Prevention of Dengue Fever". These seminars were organized in University College for Women, University Cambridge School and The University of Faisalabad. Highly qualified doctors of Community Medicine Department imparted health education regarding prevention of Dengue Fever. The audience were

informed that dengue mosquito breeds on clean water, so collection of such water in nearby living spaces should be avoided. We should cover our body parts especially at 'Dawn and Dusk' and apply mosquito repellents. Queries and myths associated with this disease were answered. Flyers containing preventive information of dengue fever were distributed among students.

*Dr Sumera Shahzad addressing the audience*

*Questions Answer session*

# 1st Alumnae Reunion at UMDC

UMDC Alumnae Association organized its first meet in Saleem Auditorium of The University of Faisalabad on June 13, 2015.

Prof Dr Abdul Majeed Rector of the University was the chief guest. Dr Saba Tariq, President UMDC Alumnae Association in her welcome address focused on the vision and objectives of the Association and expressed her gratitude for Alumnae's presence.

Prof Dr Abdul Majeed addressed the gathering and emphasized the importance of alumnae coming back to their Alma Mater.

Prof Dr Muhammad Saeed, Dean Faculty of Medicine & Allied Health Sciences, in his address highlighted the value of Alumnae get-togethers and appreciated the guidance given by Chairman BOG, TUF in this regard.

Ms Zahida Maqbool, Additional Registrar, welcomed the Alumnae and lauded the efforts of the Association for making it a memorable event.

Dr Sundus Tariq, Vice President UMDC Alumnae Association also expressed her views on the occasion.

A series of colorful programs and performances were given by MBBS and BDS students. The Alumnae shared their experiences and expressed their heartfelt gratitude to the Association for providing this grand platform and a great opportunity to interact with Alumnae, faculty and present students.

# Patient Safety - A fundamental attribute of a quality healthcare system

## World Patient Safety Day

Patient safety is now recognized in many countries, with global awareness fostered by the WHO. School of Nursing (SON), MTH observed 'World Patient Safety Day' highlighting the importance of patient safety. A program was organized in auditorium of Madinah Teaching Hospital on 9th December. Prof Dr Rana Bashir Ahmad, MS, MTH, Prof Dr Khalid Mehmood Yahya, HoD Medicine and Ms Seraphine Emmanuel, Senior Instructor, School in their lectures elaborated that improving patient safety was an ethical imperative for healthcare providers, individually and collectively. Error prevention and safety promotion must be the job of everyone who works in

a healthcare system, they added. Prof Dr AG Rehan, Principal UMDC in his address stressed that the Patient Safety must be of prime importance due to an increasing number of patient safety issues globally. MTH staff is committed to coordinate, facilitate and accelerate patient safety improvements, he said.

The event aimed to spread the message amongst MTH staff dealing directly with patients especially nurses and paramedics. Students of SON presented a tableau showing how patient care can be improved and how patients can be saved from major hazards by following simple SOPs.

Prof Dr AG Rehan, Prof Dr Rana Bashir Ahmad, Prof Dr Khalid Mehmood Yahya and Ms Seraphine Emmanuel speaking on the importance of Patient Safety

## Social Responsibilities of a Muslim Woman

Religious Society of TUF arranged a lecture on 'Social Responsibilities of a Muslim Women' on 31st December 2015. The guest speaker, Mrs Asia Bukhari. PhD in Computer Ethics gave a comprehensive lecture on the topic. She captured the audience's attention with her motivating talk. She elaborated the role of Muslim Women in a society by giving references from Holy Quran and Sunnah, and narrating some thought-provoking real life incidents.

Mrs Asia Bukhari delivering lecture

## Birth Anniversary of Quaid-e-Azam (Rehmat-U-Allah Alaih)

TUFIANS celebrated the birth anniversary of Father of the Nation, Quaid-e-Azam Muhammad Ali Jinnah (Rehmat-U-Allah Alaih) with national spirit and enthusiasm. Prof Dr Abdul Majeed, Rector and Prof Dr Muhammad Saeed, Dean Faculty of Medicine & Allied Health Sciences in their addresses paid rich tribute to Founder of Pakistan with words reflecting on his passion, courage and determination for the creation of separate homeland for

the Muslims of the Subcontinent.

They said that our young generation should follow Quaid's guiding principle "Unity, Faith and Discipline". They also discussed Quaid's vision for Pakistan as a democratic welfare state where people could live with love, fraternity and harmony. The program concluded with special prayer for the stability and prosperity of Pakistan.

TUFIAN paying tribute to Quaid-e-Azam Muhammad Ali Jinnah (Rehmat-U-Allah Alaih)

TUF Libraries celebrated the Quaid-i-Azam Day by organizing exhibitions of books. The students showed keen interest particularly in books "Jinnah Papers," "Jinnah: India, Partition, Independence" by Jaswant Singh, "Shameful Flight" by Stanley Wolpert, and "The Sole Spokesman" by Ayesha Jalal.

## Welcome MBBS & BDS 1st year Students at UMDC

A week long orientation and welcome program was conducted for the 1st year MBBS & BDS students of UMDC. The program aimed to help the fresh entrants to know more about the Campus life, meet their classmates, Heads and faculty, and hear about the resources available to them as UMDC students.

On December 14, 2015, in the morning session, 2nd year students of MBBS & BDS welcomed their juniors by presenting flowers and white coats.

Prof Dr Muhammad Saeed, Dean Faculty of Medicine & Allied Health Sciences, TUF, Prof Dr A G Rehan, Principal UMDC/ Director Madinah Teaching Hospital and Prof Dr Akhtar Hussain Bokhari, Principal Dental Section graced the occasion to welcome the new students. Heads of all Departments of UMDC and MTH also attended the session.

Ms Zahida Maqbool, Additional Registrar, TUF briefed the students about The University of Faisalabad, University Medical & Dental College, Madinah Teaching Hospital and other welfare projects running under the auspices of Madinah Foundation.

Prof Dr A G Rehan in his welcome address told the students about performance of the College and introduced the faculty members to the new comers. He said that UMDC with its highly qualified and experienced faculty and state of the art infrastructure had been providing quality medical education to its students in an enviable environment. He further stated that co-curricular activities

are also given due importance in the College. Prof Dr Akhtar Hussain Bokhari told the BDS students about state of the art infrastructure of Dental Section.

Prof Dr Muhammad Saeed in his address emphasized the importance of medical education for serving the suffering humanity.

As health care facilities are provided to all TUF and UMDC students, in this regard, complete medical checkup of all the fresh students was also conducted in the Campus by specialist doctors and paramedical staff of MTH to ensure their health.

To make the first evening memorable for the new comers, Cultural Society TUF arranged an exclusive musical evening. Renowned folk singers mesmerized the audience with their fascinating performance.

## Arts Society holds Painting and Sketch Competition

The University of Faisalabad emphasizes on the development of young minds using diverse tools, which broaden their mental horizons by enabling the students to think in new directions.

A Painting and Sketch competition was held by TUF Arts society on 15th December 2015. Students from various departments participated. The paintings and sketches were a symbol of their latent talents. Ghazi Nauman from BET, Hamzatul Abbas from BET and Sumair Ghari from BSCS won the first second and third positions respectively. Chief Guest Mr Saleem Kayani Director Press and publication distributed certificates among the winners and appreciated their efforts.

## TUFANS 2nd Position in Photography Competition

TUF team grabbed 2nd position in Product Photography Competition, organized by the University of Agriculture, Faisalabad under the mega event "All Pakistan 3rd Lyallpur Arts and Literature Festival, 2015".

Management and Faculty of TUF congratulate the TUF team comprising of Sunayna Amatu Rab En Nasir, Smaha Jahangir and Ayesha Shahid on this achievement.

# Eid Show

An Eid Program full of laughter and comedy was organized by The University of Faisalabad in collaboration with Channel 92 News HD. Well known comedians from Theater and Television Industry visited the University

Campus. Their comedy, humorous mushaaira and punch lines provided an air of amusement and festivity, which the audience would relish for a long time.
