AL-QURAN

In the name of Allah, the Beneficent, the Merciful
Surely Allah has conferred favour on the believers that He sent
a Rasool (Messenger of Allah) from amongst them who recites
to them His Verses and purifies them and teaches them the
Book and the wisdom. And previous to that they were clearly
in error.

(Al-Imran 3:164)

Saying of the

Holy Prophet Hazrat Muhammad (Sallallahu Alaihi Wa Sallam)

A servant of God will remain standing on the Day of Judgment
until he is questioned about his (time on earth) and how he
used it; about his knowledge and how he utilized it; about his
wealth and from where he acquired it and in what (activities)
he spent it; and about his body and how he used it.

(Tirmidhi, Hadith 148)

"You have asked me to give you a message. What message can
I give you? We have got the great message in the Quran for our
guidance and enlightenment."

- Muhammad Ali Jinnah (Rehmat-Ullah Alaihi)
Message to Muslim Students Federation NWFP, April 1943

VISION OF THE FOUNDER CHAIRMAN HAJI MUHAMMAD SALEEM

Mr Haroon Akhtar Khan, Advisor to Prime Minister on Revenue visits

Mr Haroon Akhtar Khan, Special Advisor
to Prime Minister on Revenue and
Mr Muhammad Zaka Ashraf, former
Chairman, Pakistan Cricket Board (PCB)
and former President, Zarai Taraqati
Bank Ltd (ZTBL), visited The University of
Faisalabad on December 20, 2017.

Mian Muhammad Rasheed, Vice
Chairman Board of Governors, TUF
welcomed the distinguished guests and
briefed them about The University of
Faisalabad, University Medical & Dental

College and other welfare projects under
the auspices of Madinah Foundation.
During the meeting, Maj (Retd) Izhar ul
Ahsan, Registrar was also present on the
occasion.

Guests visited the Campus and lauded its
state of the art infrastructure particularly
during the visit of Noor e Siddiq e Akbar
library they showed keen interest in the
rare Islamic relics placed in the Islamic
gallery. Later, they took a round of
Madinah Teaching Hospital.

They visited different wards and presented
flowers to the patients. Guests lauded
the efforts of management of Madinah
Foundation for providing high quality
professional education particularly to
female students and state of the art
health care facilities in MTH for deserving
people.

The guests also planted saplings in
the University and Madinah Teaching
hospitals lawns.

TUF Team Participates in APES - 2017

A three day Symposium, APES (All Pakistan Electrical Symposium)- 2017 was organized by the Institute of Electrical and Electronics Engineers (IEEE) at the University of Engineering and Technology (UET) Lahore .

Prof Dr Zaheer Javed Paracha, Pro Rector Engineering Campus and Engr Awais Ahmad Cheema, Head School of Electrical Engineering were also invited in the event.

The event comprised of technical workshops by technology sector representatives and talks by international speakers on Internet of Things (IoT) for industrial automation and smart metering.

Students of Electrical Engineering and IEEE-TUF team also participated in this informative event.

Prof Dr Zaheer J Paracha and Engr Awais Ahmad Cheema with other participants of the Symposium

Workshop "Students' Assessment and Evaluation"

ORIC, TUF organized a workshop on "Students' Assessment and Evaluation" in Health Sciences Campus on November 11, 2017. Prof Dr Sadaqat Mehdi, former Rector, Virtual University Lahore was the facilitator.

Student's assessment and evaluation forms a very important component of the learning process. Fair, accurate and effective evaluation of students' knowledge and skills is an element that needs to be imported and implemented by a teacher to maintain high quality of education.

Prof Dr Sadaqat focused on such areas as the style of question paper, components of a balanced and effective assessment. He also stressed on issues related to impartiality of a teacher towards all students in the examination and assessment of their knowledge.

The session was well-attended by the faculty members of TUF and UMDC.

Prof Dr Faqir Hussain and Ms Zahida Maqbool presenting university memento to Prof Dr Sadaqat Mehdi

Workshop "Communication Process" and "Professional Ethics"

To strengthen the communications skills and to improve the professional ethics of newly appointed lecturers, lab engineers and administrative staff, Quality Enhancement Cell (QEC), TUF under the Professional Competency Enhancement Program (PCEP), organized a training workshop in Engineering Campus on November 20, 2017 .

Training sessions were conducted on "Introduction to Communication Process" and "Professional Ethics". Prof Muhammad Aslam Malik and Mr Ali Sher, lecturer in their lectures delivered comprehensive

talks on the topics. Various aspects of professional ethics were discussed. It was ascertained that honesty, mutual respect, positive approach, motivation, determination and dedicated hard work are the key to success for all professions.

"Research has shown that effective lateral and work group communication leads to an improvement in overall performance of an organization and it can increase employee job satisfaction."

Prof Muhammad Aslam Malik

Prof Muhammad Aslam Malik and Mr Ali Sher deliver lectures

Workshop “Communication Essentials”

QEC, TUF organized a training session under Professional Competency Enhancement Program on the subject of “Communication Essentials” on December 28, 2017.

Engr Muhammad Haroon from School of Electrical Engineering, TUF carried out a very constructive and motivational session for faculty members, lab engineers and administrative staff in Engineering campus. Various aspects of communication and its essentials were discussed; including communication in classrooms, work places, social & personal lives. That was a comprehensive and innovative workshop to help the faculty

and staff to understand the essentials of effective interpersonal communication. Engr Haroon also threw light on the

communication ethics in context of the teachings of Holy Quran and Ahadees.

Engr Muhammad Haroon delivering talk on Communication Essentials

“Contact Lens Fitting and Assessment: Hands on Training”

Since the lens sits directly on the cornea, it is very important that the measurements of your contact lenses are perfectly measured to the measurements of your eye to ensure a comfortable fit and prevent things like eye infections and a painful scratch on your eye.

School of Optometry, TUF once again put a jewel in crown by arranging one day hands on training workshop on ‘Contact lens fitting and assessment: hands on training’ on November 23, 2017. Internationally certified contact lens practitioner Mr Muhammad Rashid from

Al-Shifa Eye Trust, Islamabad acquainted students of semester VII and IX with handling, fitting and assessment of soft, RGP and scleral contact lens followed by a video demonstration.

Mr Muhammad Rashid conducting hands on training session

Ms Rubina Shah, Optometrist, National Eye Hospital, Lahore explored the bloom with her experience in corneal topography and refractive surgery. Moreover, her experience in USA and

Australia endowed a great inspiration for students. She gave a comprehensive presentation on the topic. Event was concluded with a humorous skit on importance of contact lens handling

presented by students of Doctor of Optometry, cake cutting ceremony and vote of thanks by Dr Komal Atta, Senior Coordinator, School of Optometry.

Faculty members and students of School of Optometry with Mr Muhammad Rashid and Ms Rubina Shah

“Splinting Techniques of Upper and Lower Limb”

One day workshop on “Splinting Techniques of Upper and Lower Limb” was organized by Rehabilitation Society on November 3, 2017. Resource person was Ms Laaraib Nawaz, Clinical Prosthetist & Orthotist, graduated from King Edward Medical University and Post Graduated

from University of Veterinary and Animal Sciences, Lahore. There was an introductory session followed by training of making hand made splints. Ms Laaraib Nawaz briefed the participants about the procedure of casting, modeling and moulding in comprehensive manner.

Students of Doctor of Physical Therapy demonstrated proper selection and splinting of upper and lower extremities. Chief guest, Prof Dr Muhammad Saeed, Dean Faculty of Medicine & Allied Health Sciences also shared his views.

Prof Dr Muhammad Saeed, Ms Laaraib Nawaz and Ms Nazia Sarfraz express their views - Students in hand made splints making training session

Meetings of ORIC

A meeting of ORIC held in Health Sciences Campus on December 14, 2017 chaired by Prof Dr Abdul Haque, Director ORIC. It was followed by 2nd meeting held in Engineering Campus on December 21. Prof Dr Zaheer Javed Paracha, Manager, University Industry Linkages & Technology Transfer, ORIC and other members attended these meetings. Dr Abdul Haque gave a comprehensive presentation on ‘Self Assessment Report’. During the discussion, areas of University industry linkages, commercialization

and establishment of incubation centers in TUF were focused. Syed H M Gillani and Mr Shehzad gave presentation on establishment of Technology Business Incubation Center in context of their visits

to COMSAT and NUST Islamabad. Dr Zaheer Javed Paracha gave a brief lecture on how to prepare a concept paper for the guidance of members.

ORIC meeting in Health Sciences Campus

Breast Cancer Awareness Campaign

Community Services Society of TUF in collaboration with Department of Community Medicine, UMDC and Schools of Radiology and Rehabilitations Sciences conducted a seminar on “Breast Cancer Awareness” on November 6, 2017. It aimed to create awareness amongst the people.

Guest speaker Dr Rafshan Sadiq, Clinical Oncologist from PINUM Faisalabad in her address told that breast cancer was one of the major cancers affecting every one in eight women in Pakistan. She delivered a very informative lecture on the causes, prevention and treatment of the fatal disease.

Later, Dr Rafshan also led an awareness walk from University Campus to Madinah Teaching Hospital actively participated by faculty members and students.

Dr Rafshan Sadiq with faculty members and students TUF & UMDC in awareness walk

“Pakistan has the high rate of breast cancer in Asia. There is dire need to empower the young girls with the knowledge and techniques to detect breast cancer at early stage as early diagnosis is key to survival in breast cancer.”

Dr Rafshan Sadiq
Clinical Oncologist, PINUM

IEEE

Technical Lectures Series

IEEE (Institute of Electrical and Electronics Engineers) is the world's largest technical professional organization for the advancement of technology. School of Computational Sciences in collaboration of IEEE-TUF organized a series of technical lectures in Engineering campus started from December 13, 2017.

Keeping in view the industrial requirements, the experts from IEEE, AL- Khawarizmi Institute of Computer Science, University of Engineering and Technology Lahore and professionals from I.T industry delivered lectures on the emerging technologies. The students of BS Computer Sciences, Software

Engineering and Engineering Technology attended these useful technical lecture series. Certificates were awarded to the participants of the sessions.

The sessions were well coordinated by Mr Abu Bakar, Head School of Computer Sciences.

Mr Abu Bakar and guest speakers address the audience

International Day of Radiology

International Day of Radiology was observed by School of Radiology on November 8, 2017. The event held with the aim of building greater awareness of the value that radiology

contributes to safe patient care and improving understanding of the vital role radiologists play in the healthcare continuum. The theme of the event was 'Emergency Radiology'.

Prof Dr Muhammad Saeed, Prof Dr Asim Shaukat, Ms Zahida Maqbool, Dr Nayab Alia, faculty members and students gathered to mark Radiology Day

Guest Speaker Prof Dr Asim Shaukat from Allied Hospital Faisalabad spoke on the role and scope of the field of radiology in the country. Dr Nayab Ali, Head School of Radiology, TUF also addressed the audience.

'This year's theme 'Emergency radiology' is to highlight the essential role that radiologists play in the emergency room, increasing the quality of care and treatment of patients.'

Prof Dr Asim Shaukat

Diabetes Day observed in MTH

Every year, across the globe, thousands of people stand together on the 14th November to raise awareness about diabetes. A free diabetes camp and awareness session was organized by Department of Medicine at Madinah Teaching Hospital to mark the day. A team of specialist doctors under the supervision of Prof Dr Khalid Mehmood Yahya, Head of Department treated a

large number of patients on the day. In this free camp different diabetic tests were conducted and medicines were given to the patients.

Addressing to the diabetic patients Dr Khalid Mehmood Yahya gave them awareness regarding control and treatment of disease. He suggested precautionary measures to prevent the new generation from diabetic.

Dr Hassan Akhtar Bokhari checking a patient in diabetes camp at MTH

TUFIANS observe "Sandwich Day"

The School of Nutrition and Dietetics yet again set a benchmark by coming up with an innovative idea. This time, students of DND decided to work for charity and chose a healthy way to fund raise money. They celebrated World Sandwich day on November 3, 2017.

Students put up stalls offering variety of

healthy sandwiches prepared by them. It aimed at not only providing awareness about the healthy alternatives to junk food but helping those people with food and money who are deprived of the basic necessities of life.

Students offered delicious sandwiches to janitorial staff (APPAS) working in the

campus.

Guests of Honour, Ms Zahida Maqbool, Additional Registrar and Mr Hamid Nawaz Sheikh, Controller Examination acknowledged the effort of DND students that were put into making this event successful.

Ms Zahida Maqbool, Prof Syed Jawad Hussain, Mr Hamid Nawaz Sheikh with other faculty members and students gathered to mark sandwich day

Students of DND offering delicious sandwiches to APPAS, working in the campus

Day of People with Disabilities

Every year, December 3 is observed as the International Day of Persons with Disabilities recognized by the UN. The day is observed with a motive to promote an understanding of disability issues and mobilize support for the rights of persons with disabilities.

For this noble cause, Rehabilitation Society, TUF organized an event in Health Sciences Campus.

Students presented a skit to highlight the theme "Transformation towards sustainable and resilient society for all" of the year 2017.

Rehabilitation Society also donated wheelchairs, crutches and walking frames to disabled persons specially invited in the event.

Prof Dr Muhammad Saeed, Dean Faculty of Medicine & Allied Health Sciences spoke about the importance of the day.

'Our efforts can help the special children explore their capabilities to overcome disabilities. There is a dire need to raise awareness about it.'

Prof Dr Muhammad Saeed
Dean

Iqbal Day Celebrations

To acknowledge the great services rendered by Dr Allama Muhammad Iqbal (Rehmat-ullah Alaih), in creation of our homeland and to enlighten ideology of Islam among our youth, TUF Literary Society, organized a seminar in Engineering Campus on November 9, 2017. Renowned scholar, Mr Saleem Sheikh in his address presented some verses from "Kulliyat Iqbal" in a beautiful

and befitting manner and threw light on Iqbal's poetry and philosophy of Khudi. In Health Sciences Campus Dramatic and Literary societies organized the event to pay tribute to great philosopher and 'Poet of the East'.

Prof Dr Shahida Yousaf, Head Department of Urdu literature, Government College Women University Faisalabad was the chief guest.

Dr Shahida expressed her views on the Philosophy of Allama Muhammad Iqbal (RA) in the light of teachings of Holy Quran and Iqbal's great services for the Muslim Ummah.

She also praised efforts of the university in providing such platform to students for broadcasting their talents and illuminating the theory of Dr Iqbal (RA). Students delivered speeches and participated in intra-university skit competition to mark the day. In skit competition, students from Doctor of Optometry got first position, School

of Pharmacy stood second while Rehabilitation Sciences remained third. Winners were given prizes for their active

participation. The celebrations were concluded with the national anthem.

Dr Shahida Yousaf and Mr Saleem Sheikh express their views on the philosophy of Allama Iqbal (RA) while students presenting a tableau

Birth Anniversary of Quaid-e-Azam (RA)

TUFIANS celebrated the birth anniversary of Father of the Nation, Quaid-e-Azam Muhammad Ali Jinnah (Rehmat-ullah Alaih) with national spirit and enthusiasm. A poster and model competition on the theme "Quaid Ka Pakistan" amongst the students was organized to mark the day. Prof Dr Muhammad Saeed, in his addresses paid rich tribute to Founder of Pakistan with words reflecting on his passion, courage and determination for the creation of separate homeland for the Muslims of the Subcontinent.

"Our young generation should follow Quaid's guiding principle; Unity, Faith and Discipline."

Prof Dr Muhammad Saeed

Welcome MBBS & BDS 1st year Students at UMDC

It was a much-awaited moment for the first year students of MBBS and BDS on December 18, as they entered the UMDC which they would be part of, for next five years. It was all the more special because their seniors and professors were there to welcome them into the college premises. An orientation and welcome program was conducted for the fresh entrants. The session was intending to help the

new comers to get to know more about the Campus life, meet their classmates, heads and faculty. Ms Zahida Maqbool, Additional Registrar, briefed the students about TUF, UMDC, MTH and other welfare projects running under the auspices of Madinah Foundation.

Prof Dr Aamir Ali Choudhry Vice Principal, UMDC in his address emphasized the importance of medical education for

serving the suffering humanity in a better way. Assoc Prof Dr Mian Farrukh Imran, Vice Principal Dental Section, briefed the BDS students about state of the art infrastructure of Dental Section.

Prof Dr Muhammad Saeed, Principal in his welcome address told the students about performance of the college. A free medical camp under the supervision of Prof Dr Haji Muhammad Aslam was also

Prof Dr Muhammad Saeed, Prof Dr Aamir Ali Choudhry, Ms Zahida Maqbool and Dr Mian Farrukh Imran welcoming the new entrants

held, where fresh students availed the facility of medical checkup.

'UMDC with its highly qualified and experienced faculty and state of the art infrastructure has been providing quality medical education to female students in an enviable environment.'

*Prof Dr Muhammad Saeed
Principal UMDC*

First year MBBS & BDS students honoured at "White Coat Ceremony"

One of medical's hallowed traditions was celebrated at UMDC, as the first year students of MBBS and BDS donned their white coats - the most profound symbol of the medical profession, for the first time. On December 19, 2017, new students gathered with faculty and seniors for the college's 'Annual White Coat Ceremony'. After donning their new white coats, presented by the second year students, new students recited the Oath pledging allegiance to the medical profession, their companions, seniors and their duty towards their patients.

Prof Dr Muhammad Saeed, Principal UMDC emphasized the importance of the white coat to the medical students and made them understand their responsibilities. He spoke of the important journey each student is set to embark upon on the road to becoming a

doctor. In addition to words of welcome and wisdom from the Principal, new students also received bouquets from their seniors. The students expressed

gratitude towards the college authorities for the ceremony and making them aware about the importance of their profession.

Winners and participants of competition with chief guest, judges and faculty members

Prof Abdul Rauf Rufi recited Naats in Mehfil e Milad

A Mehfil-e-Milad-un-Nabi (Sallallahu Alaihi Wa Sallam) was held in The University of Faisalabad on December 14, 2017. The program started with recitation of the verses from the Holy Quran and Naat Rasool Maqbool (SAW) offered by

the students. Famous Naat Khawan, Prof Abdul Rauf Rufi, Pride of Performance, recited number of "Naats" in his heart touching voice. Faculty members, students and staff of the University attended the Mehfil to express their deep

affection for beloved Prophet Hazrat Muhammad (SAW) and Allah for His countless blessings. Program concluded with an overwhelming recitation of Dua for the prosperity of the country and for the unity of Muslim Ummah.

Prof Abdul Rauf Rufi offers Naat in his heart touching voice

Sayings of Hazrat Ali Karram-Allah-Wajhahu :

- A believer does not enter into a matter in ignorance and never departs from the truth impotent.
- Wisdom is the goal of the believer, so acquire wisdom even from hypocrites.
- Truth means conformity of speech with the Divine mode of working.
- If the mind is perfect then speech is minimal.

Mehfil-e-Mushaera Eid Milad-un-Nabi (Sallallahu Alaihi Wa Sallam)

Mehfil-e-Mushaera on Eid Milad-un-Nabi (Sallallahu Alaihi Wa Sallam) was held in Mukhtar Auditorium on December 14, 2017 under the auspices of Religious Society. Famous poets of the city participated and recited their fresh Naatia Kalam i in the praise of beloved Holy Prophet Hazrat Muhammad (Sallallahu Alaihi Wa Sallam).

A large number of faculty members and students attended the Mehfil, concluded with Drood o Salam and Dua.

Poets offer Naatia Kalam in Mehfil e Mushaera

Seminar “Hazrat Imam Ahmad Raza Khan (RA)”

Hazrat Imam Ahmed Raza Khan (Rahmatullah Alaih) was a great Sufi Muslim scholar and reformer. School of Arabic and Islamic Sciences organized a seminar on “Death Anniversary of Hazrat Imam Ahmad Raza Khan (Rahmatullah Alaih)” in Mukhtar Auditorium on November 15, 2017.

Famous Naat Khawan Mr Zubair Qureshi recited Kalam-e- Raza in his heart touching voice. Controller Examination Mr Hamid Nawaz Sheikh, Prof Dr Abdul Qavi, Dr Muhammad Ramzan and other speakers delivered talks on life and teachings of great Muslim scholar.

Speaker told that ‘No tribute to Imam Ahmed Raza (Rahmatullah Alaih) could

be complete without understanding the sustained restlessness of the Imam in providing true leadership throughout his life, when he was faced with leading the Muslims in a fragile moment in the

history of Islam during British rule in the Indo-Pak sub-continent’.

The seminar was attended by large number of students and faculty members.

Mr Hamid Nawaz Sheikh, Dr Muhammad Ramzan, Mr Zubair Qureshi and other speakers share their views

International Sufi Music Band ‘Rocqawali’ visits

International Sufi Music Band “Rocqawali” from Denmark visited Tuffians FM96.6 to perform a Radio Live Show on December 19, 2017.

Rocqawali is a mix of a Danish Rock n Roll band and a classical Quawali sound. The Pakistani Sufi singer of the band, Ejaz Sher Ali, is the young and uprising star,

son of one of Pakistan’s oldest music families - the legendary Qawals Meher Ali & Sher Ali, whom by many Pakistani’s are regarded to be Keepers of the Flame after the late legend of Nusrat Fateh Ali Khan. The band has created a unit to spread the Sufi message “Love across all religious, political and physical borders” What

started out as a cultural collaboration between Pakistan and Denmark, has turned into a fireball of a spiritual rock band. During the visit of TUF, the Rocqawali members had meeting with Pro-Rector Prof Dr Zaheer Javed Paracha and expressed their love for Sufism and for Pakistan .

Rocqawali members with Pro-Rector Prof Dr Zaheer Javed Paracha and TUFFIAN FM96.6 team

Mehfil-e- Milad in Girls Hostel and School of Nursing

As apart from the curricular activities, management of The University of Faisalabad lays special emphasis on character building of its students.

Religious Society of TUF under the supervision of School of Arabic and

Islamic Sciences organized number of Mehfil-e-Milad-un-Nabi (Sallallahu Alaihi Wa Sallam) during the Holy month of Rabiul Awwal. Mahafil were held in Saleem Auditorium, Girls hostel of Health Sciences Campus and School of Nursing,

Madinah Teaching Hospital. Students participated in these Mahafil with deep devotion and religious fervour. They offered Naat Rasool (SAW), Drood Pak and pray for the Muslim Ummah.

Faculty and Management of TUF and UMDC congratulate her for this achievement.

Welcome Party & Musical Night

To welcome the new TUFANS, a colorful event was organized in Engineering Campus on November 28, 2018. The aroma of food and colors were all around. It was such a wonderful start for the new students. Mr Muhammad Haider Amin, Trustee Madinah Foundation also graced the occasion.

The musical night started with a blistering performance of the senior students coming and mesmerizing everyone with their exhilarating performance. Renowned singers Mehak Ali, Sana Zulfiqar, Waqas Ali, Aash Chughtai and Uzair Ahmad performed a variety of musical styles and blew away everyone with their performances. A short comedy skit was also performed by well-known comedian Aman-ullah Khan. The crowd roared, shouted and danced. Everyone enjoyed to their fullest, and left with a smile on their faces and joy inside.
