NEWSLETTER

H.E. SHEIKHNUR MOHAMED HASSAN, AMBASSADOR OF SOMALIA TO PAKISTAN VISITED THE UNIVERSITY OF FAISALABAD ON APRIL 30, 2025.

Ambassador of Somalia Visits TUF Strengthening Academic Ties, His Excellency was accompanied by Ms Asma Haghi and Ms Sarah Mohamed from the Somalian Embassy. The University's Vice Chairman of the Board of Governors, Dr Muhammad Hamza Amin, Rector Prof Dr Aman Ullah Malik, along with Deans and department heads participated in a meeting with the distinguished delegation.

During the meeting, discussions were held on strengthening educational exchanges and exploring avenues for collaboration in research and higher education between Pakistan and Somalia. TUF's Head of International Programs, Mr Hanan Iftikhar, presented detailed information to the delegation about the Madina Foundation's various initiatives, including The University of Faisalabad, University Medical & Dental College, Madinah Teaching Hospital, and other welfare projects under the Madinah Foundation.

H.E Sheikhnur Mohamed Hassan emphasized the long-standing, deep trade relations between Pakistan and Somalia, adding that both countries, as brotherly Islamic nations, aim to enhance their educational collaboration. He mentioned that over 700 Somali students are currently studying in various universities across Pakistan. The Ambassador also invited the University's faculty members, particularly those from the Information Technology department, to visit Somalin universities to provide Somalian students with learning opportunities.

Dr Muhammad Hamza Amin, in his address, thanked the visiting delegation and stated that TUF has built an international reputation for academic excellence, and students from diverse countries are currently enrolled in TUF. He appreciated the ambassador's interest and support in promoting bilateral academic collaboration. Dr Hamza announced scholarships for 100 talented Somali students. Under this initiative, the University will provide free education and hostel facilities for students in programs such as Information Technology, Allied Health Sciences, Pharmaceutical Sciences, Management Studies, and Social Sciences.

The Somali Ambassador expressed his gratitude to the University management for this gesture. Rector Prof Dr Aman Ullah Malik stated that students from Palestine and Iraq are receiving free education through the Madinah Foundation's scholarship program, and similarly, the University will provide free education to Somali students as well.

Deans of various University faculties, including Prof Dr Majid Hussain, Prof Dr Matloob Ahmed, Prof Dr Muhammad Ashfaq, Prof Dr Tahira Iqbal, and Prof Dr Saba Tariq, shared detailed information with the delegation about undergraduate and postgraduate programs available at the University.

Somalian Ambassador also visited the University's various departments, laboratories, and libraries, which he described as being of international standard. He further toured the Madinah Teaching Hospital, where Medical Superintendent Dr Mushtaq Ahmad Dilshad guided the visit. During the visit, he interacted with patients in various departments, presenting them with flowers. The Ambassador appreciated the hospital's modern infrastructure and state-of-the-art healthcare facilities and expressed a keen interest in arranging internships and training for Somali medical students at the hospital.

Dr Muhammad Hamza Amin presented the honorary shield of the University to the Ambassador. To mark the visit, the Somali Ambassador planted a commemorative tree in the University's lawn.

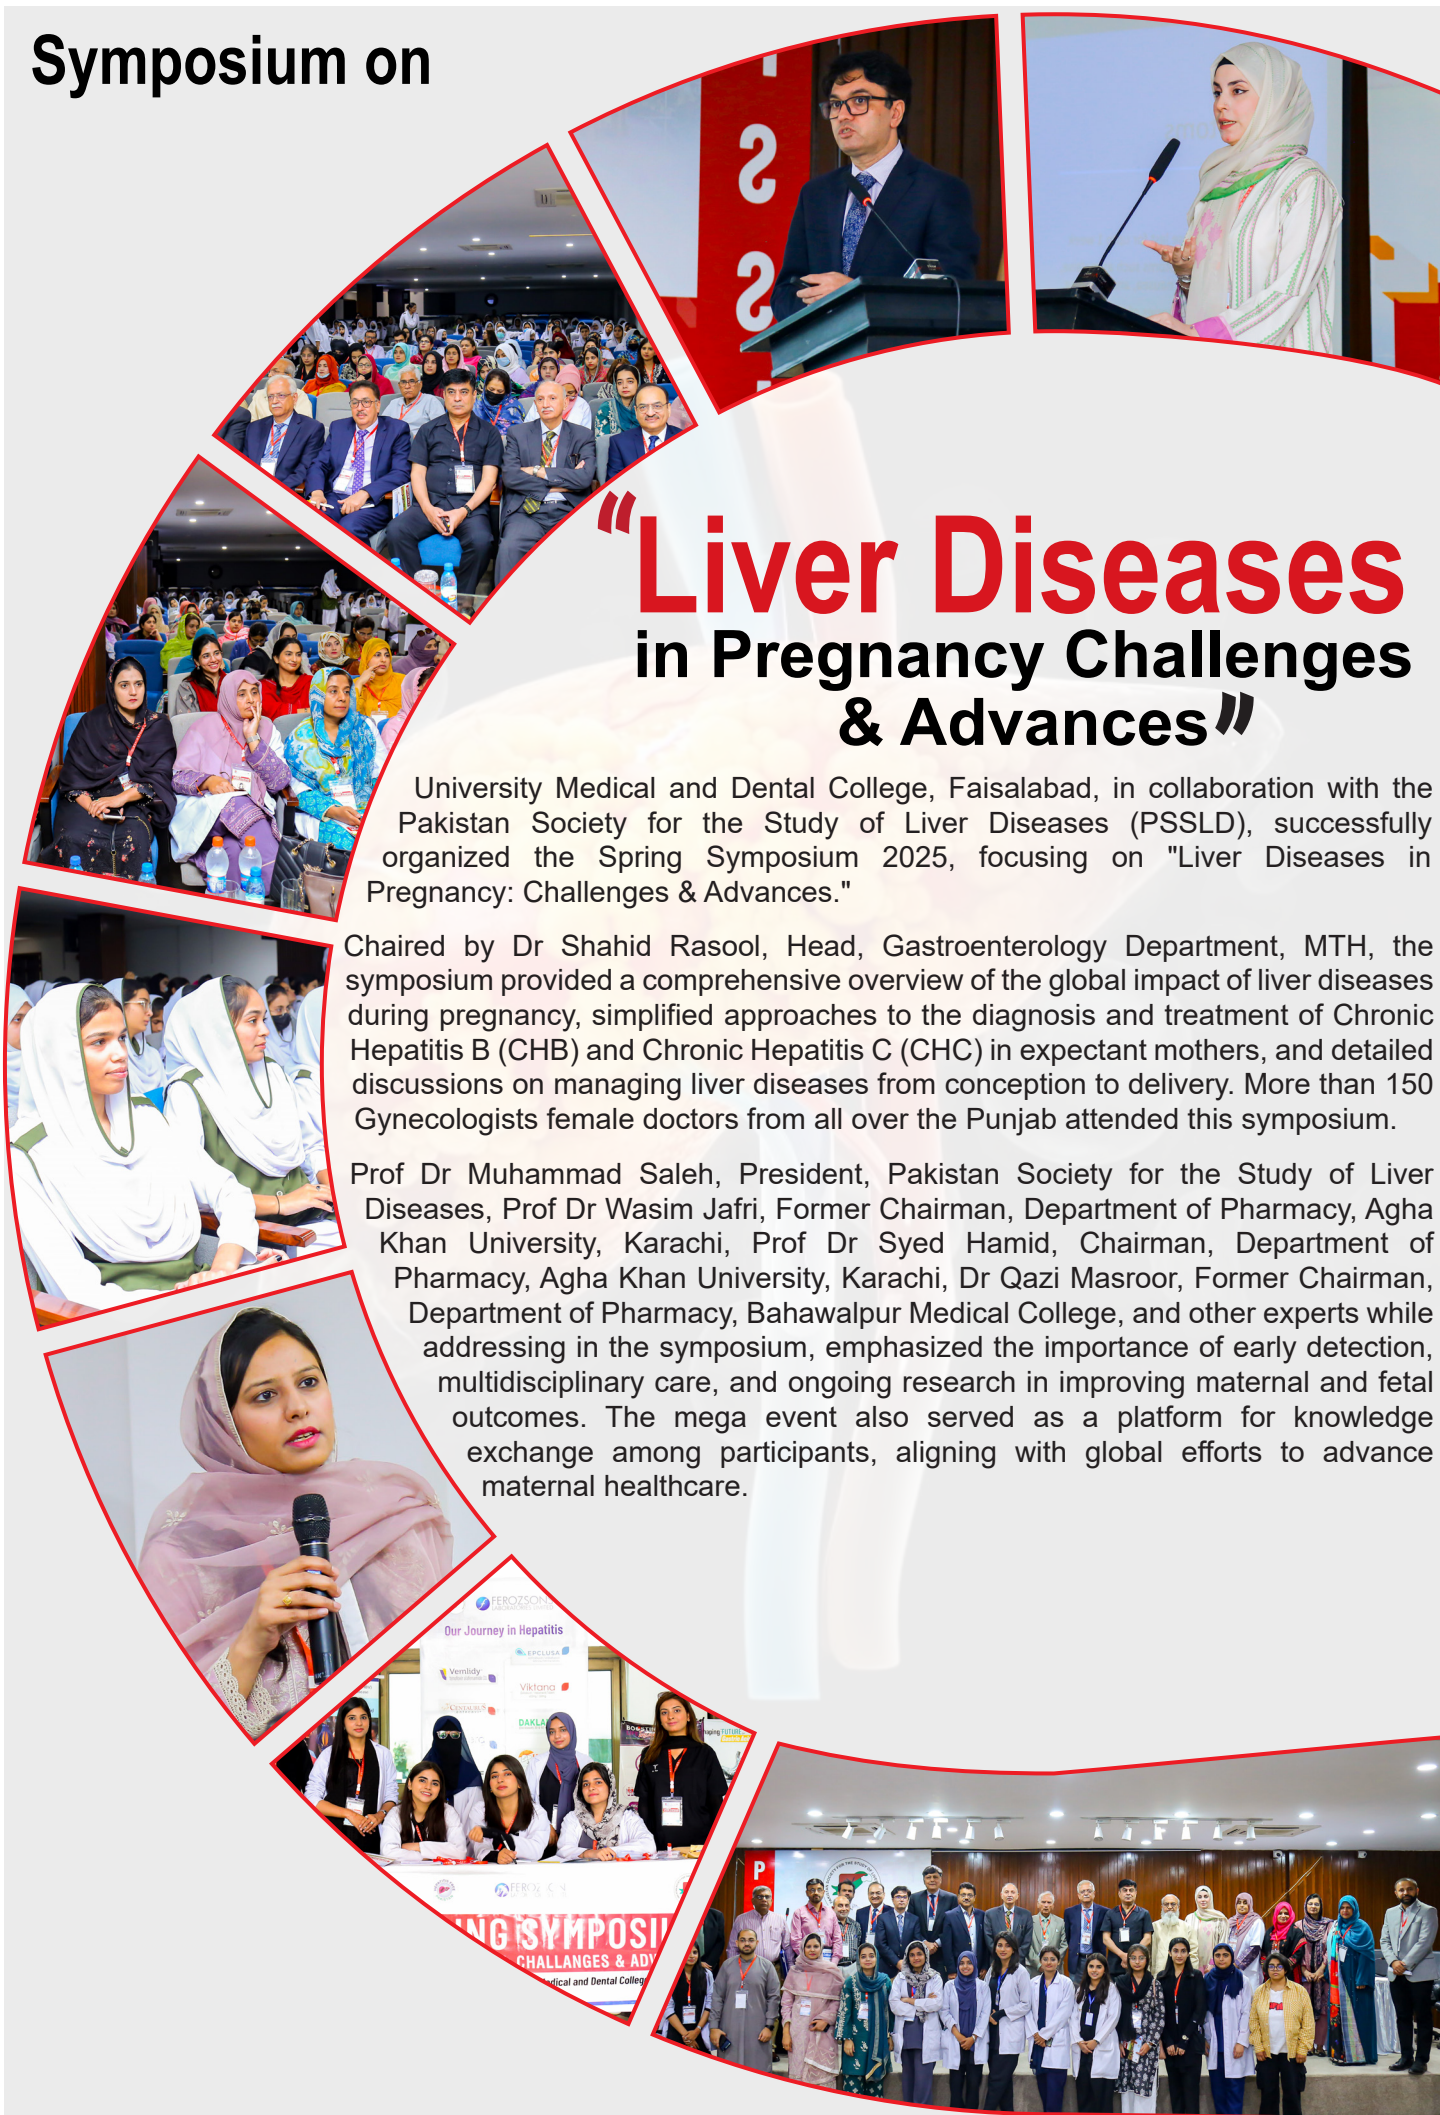

Symposium on

"Liver Diseases in Pregnancy Challenges & Advances"

University Medical and Dental College, Faisalabad, in collaboration with the Pakistan Society for the Study of Liver Diseases (PSSLD), successfully organized the Spring Symposium 2025, focusing on "Liver Diseases in Pregnancy: Challenges & Advances."

Chaired by Dr Shahid Rasool, Head, Gastroenterology Department, MTH, the symposium provided a comprehensive overview of the global impact of liver diseases during pregnancy, simplified approaches to the diagnosis and treatment of Chronic Hepatitis B (CHB) and Chronic Hepatitis C (CHC) in expectant mothers, and detailed discussions on managing liver diseases from conception to delivery. More than 150 Gynecologists female doctors from all over the Punjab attended this symposium.

Prof Dr Muhammad Saleh, President, Pakistan Society for the Study of Liver Diseases, Prof Dr Wasim Jafri, Former Chairman, Department of Pharmacy, Agha Khan University, Karachi, Prof Dr Syed Hamid, Chairman, Department of Pharmacy, Agha Khan University, Karachi, Dr Qazi Masroor, Former Chairman, Department of Pharmacy, Bahawalpur Medical College, and other experts while addressing in the symposium, emphasized the importance of early detection, multidisciplinary care, and ongoing research in improving maternal and fetal outcomes. The mega event also served as a platform for knowledge exchange among participants, aligning with global efforts to advance maternal healthcare.

Seminar on “New World Order & Pakistan After Trump’s Elections” Inspired Global Thinking at TUF

TUF National Business School with the collective efforts of students of BS International Relations conducted an insightful seminar titled “New World Order and Pakistan After Trump’s Elections,” featuring the distinguished speaker Mr Amir Ayaz, Deputy Director of the United Nations Organization in Japan. The event drew significant interest from students and faculty, offering a compelling exploration of international relations, diplomacy, and sustainable development in the evolving global landscape.

Mr Ayaz, drawing from his extensive experience with the United Nations, provided an in depth analysis of global power dynamics, the shifting geopolitical order, and the implications for Pakistan in the post Trump era. He emphasized the critical role of multilateral cooperation in addressing urgent global challenges such as climate change, poverty, and international security.

A key highlight of the session was Mr Ayaz’s perspective on Japan’s contributions to peacekeeping, disaster relief, and humanitarian efforts, which served as a model for responsible global citizenship. He encouraged students to embrace a global mindset and seek opportunities where they can make meaningful contributions at both local and international levels.

The seminar also featured a dynamic Q&A segment, allowing students to interact directly with Mr Ayaz. The discussion covered a range of topics including career opportunities in international organizations, the skills required for global governance, and the significance of international relations in today’s interconnected world.

This event underscores The University of Faisalabad’s commitment to fostering global awareness, critical thinking, and leadership skills among students aligned with the Sustainable Development Goals (SDGs), particularly SDG 4 (Quality Education), SDG 16 (Peace, Justice, and Strong Institutions), and SDG 17 (Partnerships for the Goals).

UMDC Marks New Beginnings with

WHITE COAT CEREMONY FOR 18th BDS Batch

First-year students of BDS received a warm welcome at the White Coat Ceremony at UMDC. After donning their new white coats, presented by senior students, they recited the Oath pledging allegiance to their profession, their companions, and seniors and urged them to prioritize their duties towards their patients. During the orientation program held in Ali Auditorium, Prof Dr Arsalan Wahid, Vice Principal, Dental College (UMDC) gave a brief introduction to dental college, its academic facilities, and achievements. He also told about ISO Certified 650 bedded tertiary care charitable Madinah Teaching Hospital, affiliated with UMDC.

Prof Dr Aman Aman Ullah Malik, Rector in his address briefed the students about TUF, UMDC, MTH, and other welfare projects running under the auspices of Madinah Foundation. The ceremony concluded with remarks from Prof Dr Aamir Ali Choudhry, Head of the Ophthalmology Department at MTH, who highlighted the responsibilities that come with the white coat.

“Raaz-e-Sukhan”

Launched at TUF:Grandson of Allama Iqbal
Inspired Students and Scholars with Literary Legacy

The University of Faisalabad had the distinct honor of hosting Mr Azad Iqbal, the esteemed grandson of Allama Muhammad Iqbal (R.A), for a special literary event celebrating his latest book, “Raaz-e-Sukhan.” The gathering brought together scholars, faculty, and students in a deeply enriching exploration of the profound themes expressed in Mr Iqbal’s poetry and publications. The event was presided over by Mr Zafar Ali Chaudhry, Vice Chancellor of Faisalabad Medical University.

Dr Muhammad Irfan from Faisalabad International Hospital graced the occasion as Chief Guest, while Mr Abdul Sattar Naeem, Director of the Iqbal Chair at Riphah International University, joined as Guest of Honor. Insightful speeches and analytical presentations by Dr Riaz Majeed, Prof Muhammad Tahir Siddiqui, Mehr Abdul Rauf, Khadija Irfan, and other literary voices added further intellectual depth to the session. Their reflections honored not only Mr Azad Iqbal’s work but also the enduring legacy of Allama Iqbal’s thoughts.

Financial Literacy Workshop in Collaboration with State Bank of Pakistan

The Placement Bureau in collaboration with the State Bank of Pakistan (SBP), Faisalabad, organized a dynamic workshop on Pakistan Financial Literacy as part of a nationwide awareness initiative. The event aimed to educate students on the importance of sound financial practices and foster a culture of financial independence.

During the engaging and interactive session, officials from SBP delivered insightful presentations covering core financial concepts such as saving, budgeting, and the efficient use of banking services. The session emphasized how these practices can contribute to long-term financial stability and informed decision-making, particularly important for students preparing to step into professional careers.

The workshop was tailored to empower students, especially those pursuing careers in healthcare, with practical knowledge to manage their finances responsibly, aligning with SBP's mission to promote financial inclusion and economic literacy across all segments of society.

The University of Faisalabad extends heartfelt thanks to the State Bank of Pakistan, Faisalabad, for their invaluable contribution in equipping our students with essential life skills that will serve them well beyond the classroom.

This initiative supports the United Nations Sustainable Development Goals (SDGs), particularly SDG 4 (Quality Education) and SDG 8 (Decent Work and Economic Growth), by promoting lifelong learning and equipping youth with knowledge to achieve economic empowerment.

Workshop in collaboration with The State Bank of Pakistan's National Financial Literacy Program (NFLP)

The National Business School, in collaboration with the State Bank of Pakistan's National Financial Literacy Program (NFLP), successfully conducted a comprehensive Financial Literacy Workshop aimed at enhancing financial awareness among faculty and students. This impactful initiative aligns with ongoing efforts to promote essential financial knowledge across educational institutions and the broader community. The workshop featured expert-led sessions that focused on empowering participants with practical financial skills to make informed decisions in their personal and professional lives.

► **Saving & Investing:**

Practical tips and smart strategies to help participants grow their wealth responsibly.

► **Saving & Budgeting:**

Effective techniques to manage personal finances and maintain a balanced budget.

► **Banking & Digital Payments:**

Guidance on the safe and efficient use of digital financial tools and services.

► **Financial Safety & Fraud Prevention:**

Awareness about common financial frauds and how to protect oneself from potential scams.

This initiative not only supported financial inclusion but also contributed to the development of a financially informed academic community. The session was highly appreciated by participants, who found the content insightful and directly applicable to their daily lives.

Recruitment Meets Innovation MCB Bank's Career Awareness Drive at TUF

Placement Bureau in collaboration with MCB Bank, organized a dynamic Recruitment and Awareness Session exclusively for final-year students of Management Sciences and Computer Sciences. The event aimed to bridge the gap between academic learning and industry expectations, offering students a firsthand look into the professional world of banking and fintech.

During the session, MCB Bank representatives introduced students to the bank's corporate culture, career opportunities, and digital innovation initiatives, highlighting the evolving landscape of the financial sector. The session also featured an engaging Q&A segment, enabling students to interact directly with industry professionals. Participants gained valuable insights into application procedures, career planning, and interview preparation, making the session both informative and empowering.

This initiative reflects MCB Bank's commitment to nurturing future professionals and fostering meaningful connections between academia and industry. By providing real-world exposure and expert guidance, the session significantly contributed to students' understanding of potential career paths in the banking and fintech sectors.

This session aligns with the Sustainable Development Goals (SDGs), particularly SDG 4 (Quality Education) and SDG 8 (Decent Work and Economic Growth), by equipping students with the knowledge and tools necessary to thrive in competitive professional environments.

Meeting on Programs Review for Effectiveness and Enhancement (PREE)

The Quality Enhancement Cell at TUF conducted a significant meeting in the presence of the worthy rector to discuss the Program Review for Effectiveness and Enhancement (PREE). The session served as a platform for evaluating academic programs with a focus on continuous quality improvement and institutional excellence.

During the meeting, the program team presented the Self-Assessment Report (SAR), outlining key findings, achievements, and actionable recommendations. The detailed report provided insights into the strengths of current academic programs while also identifying areas for strategic enhancement.

During the meeting, the program team presented the Self-Assessment Report (SAR), outlining key findings, achievements, and actionable recommendations. The detailed report provided insights into the strengths of current academic programs while also identifying areas for strategic enhancement.

TUF Showcased Innovation and Technology at Pintech Expo-2025

The Department of Optometry from The University of Faisalabad participated in PinTECH Expo 2025, an esteemed platform showcasing innovation and technological advancements across higher education institutions. The event brought together 618 projects from 47 universities and 18 colleges, offering substantial awards of Rs. 500,000 for winners and Rs. 200,000 for runner-ups.

Representing TUF, the Department of Optometry presented two distinguished projects: Vision Pro Glasses, supervised by Dr Nimra Gul, Assistant Professor, and Tea Tree Tonic, supervised by Dr Maryam Jabbar, Lecturer. Both projects demonstrated the department's commitment to addressing real-world challenges through research-driven innovation.

The outstanding performance of the students was achieved under the expert guidance of Prof Dr Majid Hussain, Dean, Faculty of Information and Technology, whose mentorship ensured a strong and professional representation of the University. Out of 23 projects shortlisted from TUF, the contributions from the Department of Optometry were particularly commended for their originality and practical relevance.

Booths set up by TUFians received special attention from distinguished guests, including Mr Muhammad Ajmal Khan, Parliamentary Secretary for Higher Education and Mr Jawad Amir Malik, Deputy Director, Punjab Higher Education Commission (PHEC). Both dignitaries expressed their appreciation for the innovative efforts of the students and commended The University of Faisalabad's role in the development of research and excellence in education.

Hands-On Retinoscopy Workshop

Empowered Future Optometrists at TUF

The Department of Optometry organized a Hands-On Workshop on Retinoscopy, supervised by Ms Fatima Yousaf and Ms Nimra Naseer. This practical session offered BS Optometry 4th and 6th semester students expert-led training in identifying refractive errors and mastering the clinical techniques of retinoscopy.

The workshop was further enriched by the presence of distinguished guests, **Ms Iqra Khalil** (Senior Optometrist at Aziz Fatima Hospital) and Ms Saira (Junior Optometrist at Aziz Fatima Hospital), whose valuable insights and encouragement motivated the participants.

Blending theory with clinical practice, the workshop provided an exceptional learning experience, enhancing the students' confidence and competence in essential optometric skills.

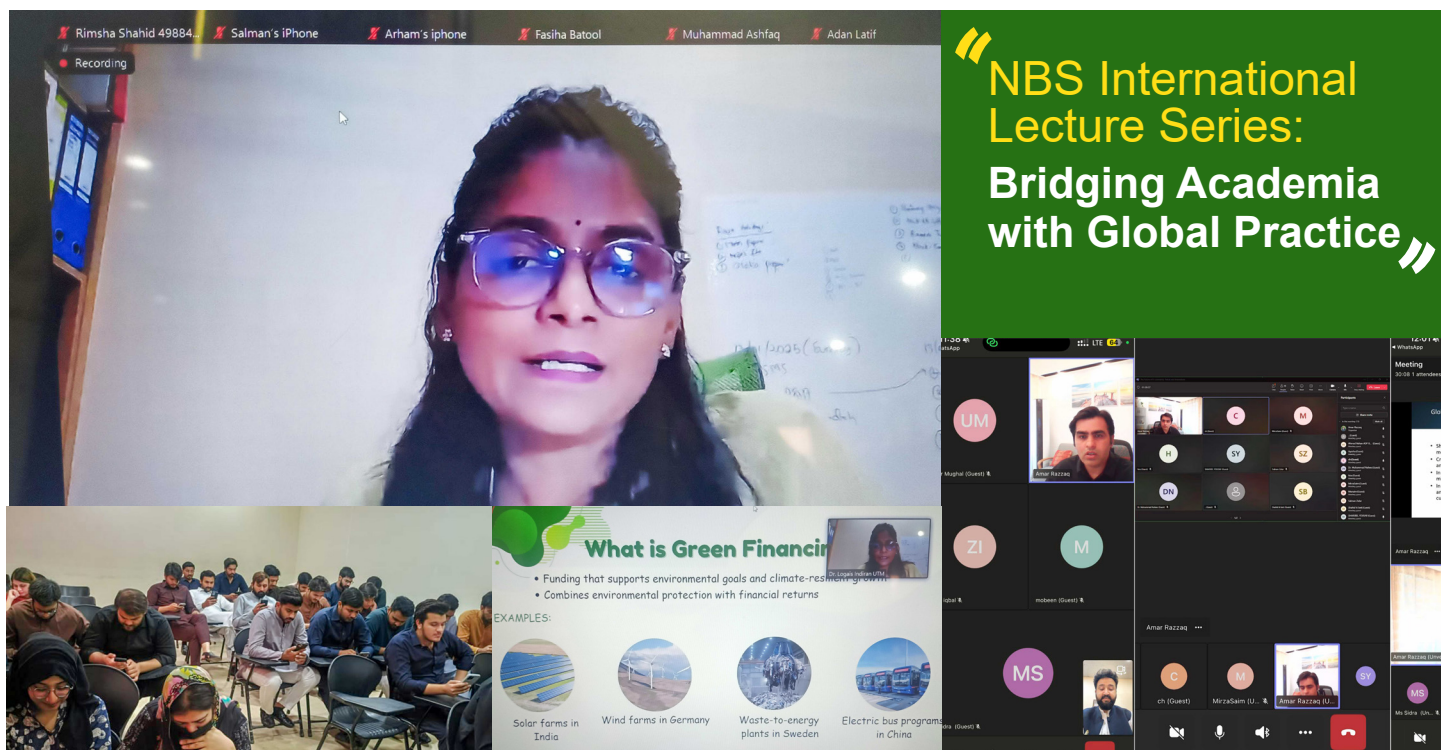

Meet the Palestine Interactive Session to Raise Awareness & Solidarity with Palestinians

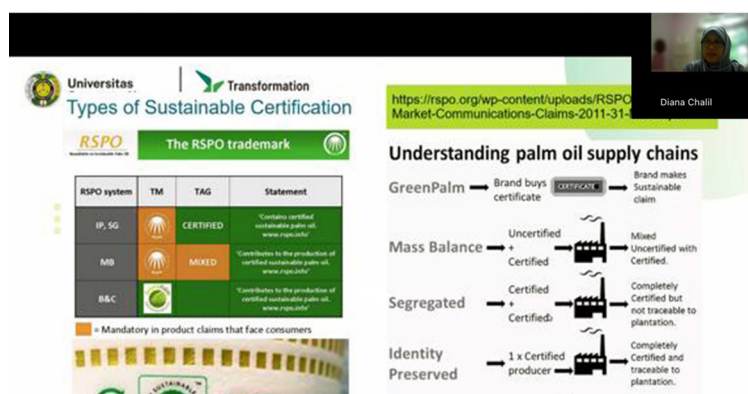

In an effort to raise awareness and solidarity with the people of Palestine, The Law and Mooting Society at The University of Faisalabad, in collaboration with the Department of Dermal Sciences, organized an impactful interactive session titled "Meet the Palestine." Distinguished guest speakers included Dr Sameer Saeed, a renowned researcher and specialist in Al-Quds affairs, and Dr Muhammad Gunes, Director of Projects and International Relations at the Sufar Al-Hikma Foundation. Both speakers offered invaluable insights into the deep-rooted importance of Palestinian land for the Muslim Ummah and provided a detailed overview of the ongoing humanitarian crisis in Gaza. The event was a powerful platform for dialogue, allowing attendees to better understand the situation and further connect with the cause of Palestine.

• Exploring Green Finance for Sustainable Development

National Business School hosted an insightful international lecture by Prof Dr Logaiswari Indiran, Adjunct Faculty, on the emerging domain of Green Financing. The session significantly enhanced students' understanding of how innovative financial strategies can address global environmental challenges. Prof Indiran encouraged students to explore this dynamic field as a means to contribute to sustainable development. The lecture effectively demonstrated green finance as a vital instrument in building a resilient and eco-conscious future.

• Designing Global Supply Chain Networks

We were honored to welcome Prof Dr Diana Chalil, esteemed International Adjunct Faculty, for a compelling lecture on "Designing Global Supply Chain Networks". Her expertise provided students with deep insights into international supply chain strategies, logistics challenges, and the need for sustainable practices in global commerce. The interactive session inspired students to think critically about global interdependencies in supply chain design.

• Business Financial Leverage: Types and Applications

NBS successfully organized another international lecture delivered by Prof Dr Logaiswari Indiran on Business Financial Leverage. The session explored the strategic use of leverage in financial planning and business growth, offering real-world examples that connected academic concepts with practical application. Students gained valuable knowledge about risk management and financial structuring in corporate contexts.

• E-Commerce and Sino-Pak Collaboration

As part of the international lecture series, experts Dr Amar Razzaq and Prof Zhou Devi conducted a thought-provoking session highlighting the future of E-Commerce and avenues of Sino-Pak collaboration. The discussion emphasized the importance of global academic partnerships and industry-academic integration in preparing graduates to meet international business demands. The session enriched students' global outlook and sparked curiosity-driven engagement.

Mr Mushtaq Ahmad Khan, Member the Senate of Pakistan Visited TUF Seminar on Gaza Crisis and the Role of Youth in Advocating for Justice

TUF Law & Mooting Society, under the supervision of Prof Dr Sami-Ur-Rahman, Dean, Faculty of Law, organized a seminar on Gaza's crisis. Mr Mushtaq Ahmad Khan, Member the Senate Pakistan as the chief guest, addressed the humanitarian situation, violations of international law, and the vital role of youth in advocating for justice.

He emphasized using social media for protest, boycotting Israeli products, and donating to Gaza. Senator Khan urged students to act as ambassadors for Gaza and Al-Quds, spreading awareness and support. The seminar highlighted the responsibility to stand in solidarity with the Palestinian cause and take meaningful action to prevent further injustice.

UMDC Marked World Malaria Day 2025 with an Awareness Seminar on Prevention & Control

Malaria remains a challenge with 263 million cases and 597,000 deaths globally in 2023 alone. The Department of Community Medicine, UMDC, commemorated World Malaria Day 2025 with an impactful seminar that united students, faculty, and public health experts in a shared mission: to raise awareness, spark innovation, and strengthen community action against malaria. Dr Nosheen Safdar, Technical Officer at WHO Regional Office for Africa joined us virtually from Congo Brazzaville, a prominent figure in public health, provided discussions on "Malaria – An Ancient Scourge". Dr Azmat Abbas, District Health Officer (Preventive Services), DHA Faisalabad, detailed the field-level efforts being carried out in the region to control malaria. Adding to the academic richness, UMDC students delivered an excellent presentation on the Parasitology and Clinical Workup of Malaria, underlining the importance of early diagnosis, clinical vigilance, and timely treatment in saving lives and preventing complications such as cerebral malaria.

Hands-On Mulligan's Approach for Extremities Mobilization: A Comprehensive Workshop by Dr Atif Dustgir

The "Hands-On Mulligan's Approach for Extremities Mobilization" workshop, led by Dr Atif Dustgir; PT Associate Professor, Multan College of Physical Therapy, Multan Medical & Dental College provided an invaluable learning experience for healthcare professionals seeking to enhance their expertise in the field of musculoskeletal care.

This immersive workshop focused on the practical application of Mulligan's techniques, a well-regarded method for extremities mobilization that promotes effective treatment for joint dysfunction. Throughout the session, attendees were guided through a series of hands-on exercises, allowing them to directly apply the techniques under Dr Dustgir's expert supervision

The workshop not only enhanced participants' technical skills but also empowered them to implement these approaches in real-world clinical settings to improve patient outcomes. By the end of the session, participants gained a deep understanding of Mulligan's principles and were equipped with the practical tools needed to excel in extremities care.

This session stood as an essential opportunity for professionals to expand their skill set, enhance their treatment efficacy, and stay ahead in the ever-evolving field of medical rehabilitation.

“Navigating the Research Maze A Guide to Methodological Choices.”

The Department of English Language and Literature, TUF organized an insightful seminar titled “Navigating the Research Maze: A Guide to Methodological Choices.” Keynote speaker Dr. Katsiaryna Hurbik enhanced the participants’ understanding of research paradigms and methodological frameworks, offering valuable guidance on the complex decision-making processes that shape academic research.

Through expert insights and interactive discussions, the session equipped aspiring scholars with the analytical tools necessary to approach research methodology with greater confidence and clarity. This event marked a significant step in strengthening the academic and research capabilities of TUF’s students and faculty.

“TUF Highlighted the Importance of Ethical and Islamic Values Through Seminars, Awareness Walks, and THQ Projects Showcase ”

Across its all campuses, TUF organized a series of impactful seminars and awareness walks aimed at promoting ethical values and Islamic teachings in shaping the character of students.

The Department of Islamic Studies organized a seminar titled “Ethical Requirements for the Implementation of Islamic Ethics in the Construction of Students' Character.” Prof Dr Amanullah Malik, Rector, TUF delivered the keynote address, highlighting the purpose of life, truthfulness, and the importance of integrating education with the fear of Allah. Guest speakers Dr Rukhsana Baloch, Dean Faculty of Language and Humanities at GC Women University, Faisalabad, shared valuable insights on the role of language, literature, and education in nurturing ethical behavior.

Prof Dr Matloob Ahmad, Dean Faculty of Arts and Social Sciences, eloquently discussed the strong relationship between Islam and moral values, emphasizing how the teachings of Islam provide a complete code of ethics that can guide individuals towards a just and meaningful life.

Dr Nabeela Rasheed, Clinical Psychologist, TUF, addressed the psychological aspects of ethical values, shedding light on how ethical decision-making impacts mental well-being and interpersonal relationships. Mr Sharjeel Yousaf, Lecturer, National Business School shared practical strategies for embedding Islamic ethics into student life.

was Teamed Up with
Rescue 1122 for**

Life Saving

BLS Training Session

Shaping tomorrow's healthcare leaders, the Rehabilitation Society in collaboration with Rescue 1122 organized a Basic Life Support (BLS) Workshop. Mr Zafar Iqbal, District Emergency Officer (DEO) Rescue 1122, Faisalabad, graced the event as the distinguished guest speaker. Under his guidance and with the expertise of the Rescue 1122 team, 2nd-semester students from the Department of Rehabilitation Sciences received practical, hands-on training in emergency response techniques and life-saving skills. Participants gained critical experience in handling real-life emergencies, enhancing their confidence and readiness to respond in urgent medical situations. This initiative reflects TUF's ongoing commitment to empowering future rehabilitation professionals with the knowledge and skills necessary to make a meaningful impact in healthcare and community service.

Amin Campus

Cabinet Elections 2025

Societies and Clubs Elected New Leaders

TUF Center for Collective Activities successfully conducted the Student Cabinet Elections 2025 on April 24, 2025. This highly anticipated event brought together a spirited representation from 23 student societies of Amin Campus, 19 societies from Saleem Campus, and 3 active student clubs, showcasing vibrant student engagement and leadership potential across the university.

The selection process involved a comprehensive interview round for key leadership roles including President and General Secretary across all societies and clubs. The judging panel, comprising senior conveners of the Election Committee and esteemed faculty advisors, ensured transparency and fairness in the process. Held under the meticulous supervision of the CCA Office, the elections aimed to cultivate leadership, encourage teamwork, and deepen students' understanding of the democratic electoral process and its ability to promote positivity

Panel Discussion on

“Teaching Next Generation about Gender Equality”

The Characters Building Society at The University of Faisalabad organized a thought-provoking panel discussion on “Teaching Next Generation about Gender Equity”. The esteemed panelists, Dr Shabbir from Government College University Faisalabad (GCUF) and Ms Asma Iqbal from National Textile University (NTU), shared their expertise and insights on the importance of promoting gender equity among the next generation. The discussion highlighted the need for inclusive education and societal awareness to break down gender stereotypes and biases. The panelists emphasized the role of educators, parents, and community leaders in shaping young minds and fostering a culture of equality. The session encouraged the audience to reflect on their own biases and take proactive steps to promote gender equity in their personal and professional lives. The discussion concluded with a call to action, inspiring the audience to become agents of change in promoting a more equitable society.

Free Bone Mineral Density Camp was set up by the Department of Rehabilitation Sciences

The Department of Rehabilitation Sciences proudly organized a free Bone Mineral Density (BMD) Camp, reflecting its commitment to promoting community health and well-being. The camp offered free screenings to help individuals assess their bone health and take preventive measures against osteoporosis and related conditions. Advancing SDG 3 (Good Health and Well-Being), TUF took a meaningful step toward building healthier, stronger communities, emphasizing the importance of early detection and proactive healthcare.

TUF Students won Bronze at All Pakistan HEC InterVarsity Men Karate Championship

Government College University Faisalabad hosted the prestigious All Pakistan HEC InterVarsity Men Karate Championship, where, representing The University of Faisalabad with great spirit and determination, Muhammad Usama, a BS Sports Science student, and Zafeer Zahid, a BS Software Engineering student, showcased outstanding performances and proudly secured bronze medals in their respective categories.

TUF Students clinched the Bronze Medal in the International Handball Federation (IHF) Competition

In a proud moment for The University of Faisalabad, two students from the BS Sports Sciences program, Wajeeha Amin and Rubab Murtaza, have been selected to represent Pakistan in the International Handball Federation (IHF) competitions as part of the Pakistan Junior Team and clinched the bronze medal. The team competed against formidable opponents from Turkmenistan, Uzbekistan, Kazakhstan, Tajikistan, and Mongolia, marking a significant milestone in Pakistan's youth sports representation on the global stage.

This achievement not only highlights the athletic potential of TUF students but also reinforces the university's commitment to excellence in sports and promoting youth participation at the international level.

Punjab Culture Day 2025 at TUF

A Colorful Celebration of Heritage, Art, and Punjabi Spirit

The School of Nursing at TUF hosted an enlightening Punjab Culture Day event. Students came together in a vibrant celebration of culture, proudly showcasing the rich traditions of their heritage through dance, music, food, and traditional attire. The Campus grounds transformed into a colorful festival of unity, where each performance and display reflected the uniqueness of every culture represented.

From graceful folk dances to delicious homemade dishes, and from colorful dress parades to storytelling skits, the event was a joyful reminder that diversity is our strength and learning about each other makes the students stronger together. Vice Principal School of Nursing, Ms Sana Liaqat and other Faculty members provided the platform for student to celebrate this cultural event.

The University of Faisalabad was immersed in the rich cultural tapestry of Punjab as it celebrated Punjab Culture Day 2025 with unmatched enthusiasm and Punjabi swag. From traditional attire and folk music to captivating art and dynamic cultural performances, the campus radiated with the unstoppable energy of Punjab's vibrant heritage.

Students danced to the beats of dhol, embraced the charm of traditional rituals, and proudly displayed the timeless essence of Punjabi identity. The event beautifully captured the dynamic fusion of age-old traditions with modern-day expressions — a celebration where every ritual told a story and every moment burst with color, joy, and unity.

Adding an artistic highlight to the festivities, the TUF Art & Culture Society organized a themed painting competition titled "Feminine Spirit of Punjab," honoring the strength, pride, and grace of Punjabi women. Nineteen talented students from the Department of Design & Interior participated, using ,

their creative expressions to reflect the soul of Punjab through powerful visuals. The winners of the painting competition were:

- 1st Position: Ms Aliza
- 2nd Position: Ms Mahnoor Naeem
- 3rd Position: Ms Mahrukh Khadim

The competition was judged by esteemed guests Prof Dr Riaz Majeed, Head Department of Urdu, TUF, and Prof Muhammad Nasar Bhatti, Director QEC & Chairman, Humanities and Social Sciences, National Textile University, Faisalabad, who appreciated the students' creativity and cultural sensitivity.

Punjab Culture Day 2025 at TUF was not just an event — it was a heartfelt tribute to the spirit of Punjab, bringing together tradition, youth, and artistic expression under one cultural banner. This celebration aligns with SDG 4 (Quality Education) and SDG 11 (Sustainable Cities and Communities) by nurturing cultural pride.

UMDC SPORTS FEST 2025

Kicked off with Energy and Enthusiasm

The UMDC Annual Sports Fest 25 was a remarkable celebration of sportsmanship and unity. The inauguration began with the ribbon-cutting ceremony, followed by the flag-flying and lighting of the flame ceremonies.

Prof Dr Aman Ullah Malik, Rector of TUF, Prof Dr Muhammad Akram Malik, Principal of UMDC, and others who were also in attendance.

With exciting competitions in cricket, badminton, table tennis, and various races, the event brought together students from all disciplines.

Faisalabad Medical University triumphed in cricket, while UMDC shone in badminton and table tennis. The track events featured impressive performances, with Shiza Munir and Eman clinching gold medals in their respective races. A thrilling Tug of War match also added to the day's excitement, with FMU emerging as the champions. Chief Guest Prof. Dr. Faisal Bilal Lodhi, Principal of FMU, graciously distributed prizes among the winners, acknowledging their outstanding performances and sportsmanship. We extend our heartfelt gratitude to our distinguished guests for their presence and support.

Our Girls, Our Pride!

A group of talented girls from The University of Faisalabad is embracing an exciting international academic journey in Turkey under our International Student Exchange Program. Five brilliant students from the Department of Nutrition & Dietetics are currently studying at **Gelişim Üniversitesi İstanbul**, Expanding their expertise in the field of health and nutrition.

TUF Students of National Business School Triumphed at DAIRA Event at FAST University

The National Business School at The University of Faisalabad proudly celebrated a remarkable achievement as its talented students from the BS Accounting and Finance program secured 1st Place in the prestigious FINSIGHT CHALLENGE, held during the DAIRA event organized by FAST University, Faisalabad.

The FINSIGHT CHALLENGE, a competitive platform focused on strategic financial planning and problem-solving, brought together participants from leading universities across the region. TUF NBS team demonstrated exceptional analytical skills, creativity, and teamwork, outperforming all other contenders to claim the top position.

BS Aviation Management Students

Visited Faisalabad International Airport for Industry Exposure

In line with The University of Faisalabad's commitment to bridging the gap between academia and industry, a study tour to Faisalabad International Airport was organized for students of the BS Aviation Management program. This initiative aimed to provide students with real-world knowledge and practical exposure to aviation operations.

The students were warmly welcomed by distinguished professionals from the Civil Aviation Authority, including Madam Tasneem Akhtar, Airport Manager, Mr Salman Shahid, Deputy Director ATS, and Madam Bushra Habib, Deputy Director APS. These aviation experts shared invaluable insights into the history of the airport, its current operational framework, and the promising future of aviation in the region.

As part of the visit, students explored key functional areas of the airport, including international and domestic arrival and departure terminals, security protocols, customs, and immigration procedures. They also had the opportunity to examine the critical infrastructure across both airside and landside areas.

THE GIRLS CORNER

DILIGENCE HEALTH CARE

CREATIVITY BY RIA

KNITTERS

iSHOP

THE GIRLS CORNER

i-Shop The Girls Corner is a vibrant student-led initiative at The University of Faisalabad that promotes entrepreneurship, creativity, and community engagement. The girls corner features a delightful range of cute and trendy products, including accessories, handmade crafts, stationery, and decorative items that appeal strongly to the student community. The platform offers students especially from the Department of Radiology an opportunity to transform classroom knowledge into practical experience. Through selling innovative and attractive products, students enhance their communication, teamwork, and time management skills, making i-Shop a dynamic blend of learning and enterprise.

DILIGENCE HEALTH CARE

i-Shops at The University of Faisalabad proudly introduces Diligence Health Care, a dermatologist-recommended skincare brand known for its clinically-backed, results-driven products. Trusted by users and experts alike, Diligence offers effective solutions for glowing, healthy skin.

CREATIVITY BY RIA

In a heartwarming moment of pride and innovation, Horia Zainab, a Psychology student at The University of Faisalabad, officially launched her creative brand, @creativity_by_ria, at the iShop platform. "Creativity by Ria" offers a unique blend of customized crafts and artistic products, representing the creative spirit and entrepreneurial ambition of youth. Horia expressed her deep gratitude to the university for encouraging students to convert their passions into ventures through hands-on experience at the iShop.

KNITTERS

Abdullah Hassan, a visionary student from the National Business School, redefined men's fashion through his standout startup, Knitters. With a refined focus on premium fabrics, expert tailoring, and minimalist sophistication, Knitters is fast becoming the go-to brand for smart, breathable, and stylish menswear. From polished formal polo shirts to versatile summer staples, Knitters delivers clothing that meets the demands of both fashion and function—ideal for the hot, humid climate.

Alumni and Student Corner

ZOJAJA KHAN

President of TUF Literary Society

As President of TUF Literary Society, I, Zojaja Khan, a DPT student at The University of Faisalabad, have had the privilege of transforming my passion for public speaking and literature into purposeful action.

Leading the Society has allowed me to channel my love for communication into organizing impactful literary events, seminars, and competitions that inspire creativity and dialogue across campus. Together with a dedicated team, we have worked to foster a culture of reading,

writing, and self-expression, empowering students to find their voice and connect through the written and spoken word.

These efforts reflect not only our shared commitment to literary growth but also contribute to broader goals like SDG 4 (Quality Education) and SDG 10 (Reduced Inequalities).

I am deeply grateful to TUF for providing the platform and encouragement to grow as a confident leader and advocate for literature.

DR FATIMA IQBAL

Graduate of 2016

It fills me with immense pride to look back at my years at The University of Faisalabad, where my academic journey truly began. Walking through the corridors of TUF for the first time in 2011, I felt both nervous and excited, eager to explore what lay ahead.

I found an encouraging environment, inspiring mentors, and countless opportunities to grow. After graduating in 2016, I pursued further studies and am currently a PhD Scholar and Associate Lecturer at the University of South Wales.

Being part of the academic world in the UK has opened new doors for me, and it's humbling to be contributing to research and higher education at an international level.

TUF laid the groundwork that made this journey possible. I wish The University of Faisalabad continued success. May it keep soaring to new heights and shaping future scholars, just as it shaped me.
