CHAIRMAN'S MESSAGE

Welcome to The University of Faisalabad — where ambition is transformed into achievement and ideas evolve into impact.

Over the years, TUF has grown into a forward-looking institution defined by academic excellence, innovation, and integrity. Our commitment is simple yet powerful: to provide a world-class educational experience that prepares students not only for successful careers, but for meaningful global citizenship.

Through cutting-edge research, modern facilities, and a culture rooted in ethical values, we empower our students to lead with confidence and purpose. Our recognition in international impact rankings reflects our dedication to sustainable development and global relevance.

Wherever you come from, you will find at TUF more than a university — you will find opportunity, belonging, and a pathway to make a difference.

We invite you to join us in shaping a future defined by excellence and responsibility.

Muhammad Haider Amin
Chairman, Board of Governors

VICE CHAIRMAN'S MESSAGE

It is an honor to contribute to the continued growth of The University of Faisalabad, a symbol of academic excellence and progressive vision. The University remains committed to quality education, innovation, and research through strong governance and strategic development.

We believe higher education shapes both careers and character. Our academic environment promotes critical thinking, creativity, collaboration, and ethical leadership, preparing graduates to meet global challenges while serving their communities.

The recognition we have earned nationally and internationally reflects our dedication to high standards and continuous improvement. As Vice Chairman, I remain committed to advancing academic quality, institutional performance, and global engagement as we move confidently toward a stronger future.

Dr Muhammad Hamza Amin
Vice Chairman, Board of Governors

OUR DYNAMIC LEADERSHIP AND THE AMAZING TEAM WHICH MADE IT HAPPEN

LEADERSHIP AT TUF

At The University of Faisalabad, we are driven by visionary leadership and a dedicated team committed to delivering excellence. Guided by a leader who transforms potential into human capital, TUF is shaping a brighter future through passionate efforts to create social and economic impact. Our leadership prioritizes student success, fosters professional growth, and inspires innovation. The team reflects this vision with unwavering commitment, working collectively to make a meaningful difference in education, society, and beyond.

STUDY IN A LAND OF OPPORTUNITY

Pakistan is one of the fastest-growing emerging economies in South Asia, known for its youthful population, vibrant culture, and affordable living. Its people are known globally for their hospitality, generosity, and strong sense of community. It consistently ranks among the most cost-effective study destinations in the region while offering English-medium higher education and globally recognized degrees.

What Makes Pakistan Unforgettable:

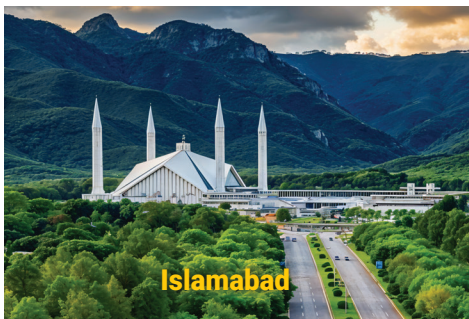

- A Country of peace, progress, and potential
- Home to Mohenjo-Daro one of the world's oldest civilizations
- Khewra Salt Mine – the largest salt mine in the world
- 5 of the world's tallest mountain peaks are in Pakistan
- Experience all four seasons.
- Affordable, high-quality higher education
- English as the medium of instruction
- Hosts the world's highest polo festival at 12,000 feet above sea level

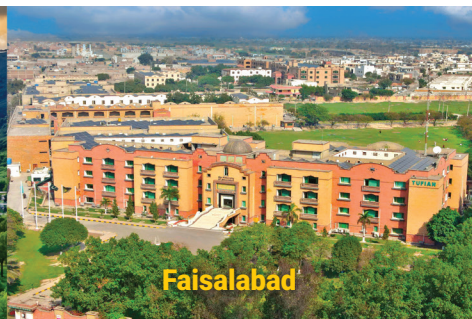

One of the Most Vibrant Youth Population

70+ Languages, Rich Cultural Diversity

FAISALABAD-YOUR NEW HOME TO GROW AND SUCCEED

One of the fastest-growing economic centers in Pakistan. Known as the “Manchester of Pakistan,” the city is home to major textile industries, multinational companies, and a rapidly expanding education sector.

- Connected via international airport and major highways
- Safe, peaceful, and culturally rich
- Affordable accommodation and living costs
- Growing center for research and entrepreneurship
- Work opportunities after graduating
- Over 600 textile mills and vibrant communities

Clock Tower & 8 Bazaars

THE UNIVERSITY OF FAISALABAD (TUF)

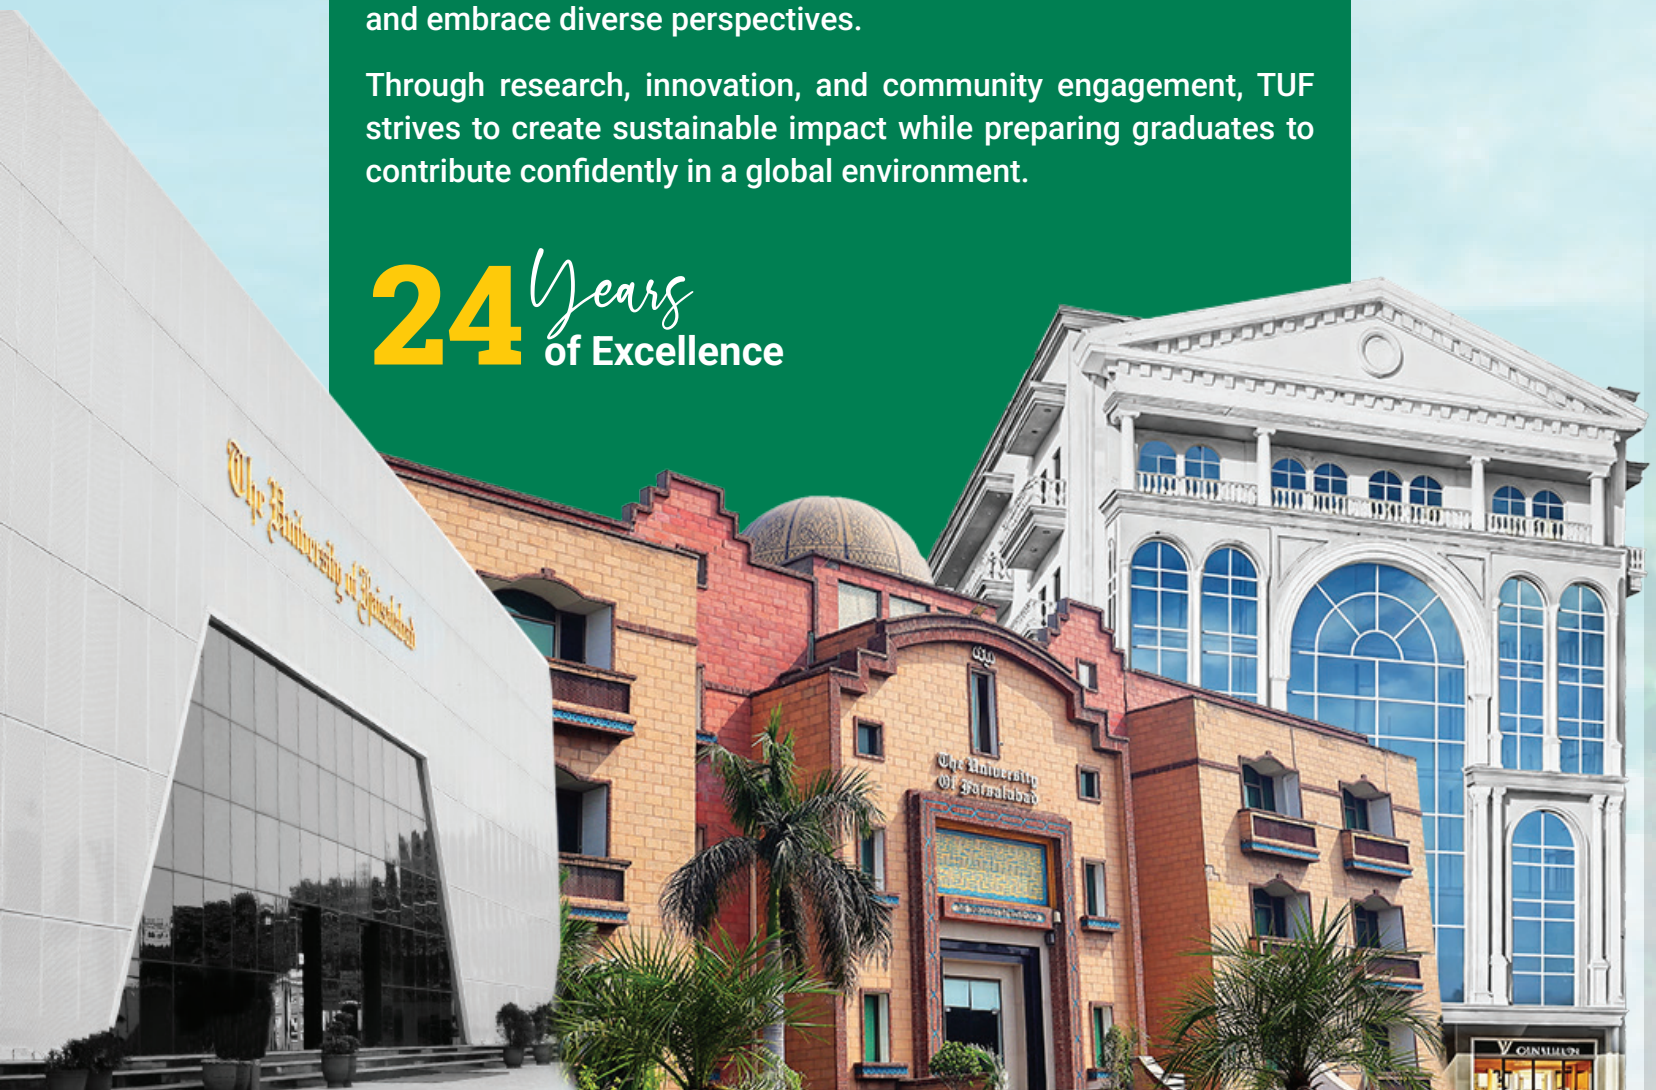

Founded in 2002 under the patronage of the Madina Foundation, The University of Faisalabad (TUF) has grown into one of Pakistan's leading private institutions, recognized for academic excellence, research advancement, and meaningful societal impact.

TUF has evolved into a forward-looking university where knowledge, ethics, and innovation converge. We are committed to developing graduates who are not only professionally competent but globally responsible and socially conscious.

At TUF, education is guided by a strong value system that shapes every academic and institutional initiative. We uphold high standards of academic excellence while promoting integrity, transparency, and accountability. Our culture fosters respect, inclusivity, and collaboration – encouraging students to engage across disciplines and embrace diverse perspectives.

Through research, innovation, and community engagement, TUF strives to create sustainable impact while preparing graduates to contribute confidently in a global environment.

24 *Years*
of Excellence

VISION

To be a leading educational institution characterized by:

- An intellectual environment conducive for innovative teaching and learning.
- A culture of research to address the challenges faced by Pakistan.
- Top quality professional Faculty meeting the local and global educational requirements.
- Emphasis on Islamic /ethical values for inculcating love, patriotism, and services to humanity.

MISSION

Mission of the University is to contribute and create a transformative educational experience through pursuit of learning, research, innovation and collaborations at the highest global level of excellence, with emphasis on Islamic /ethical values.

WHY CHOOSE TUF?

An Environment Built for Academic Excellence & Student Success

Choosing the right university is about more than earning a degree — it is about preparing for life beyond the classroom. At TUF, academic programs are designed to align with modern industry demands while maintaining strong theoretical foundations. Through experienced faculty, modern infrastructure, and practical learning opportunities, students develop the competence and confidence required to thrive in competitive professional environments.

WHAT SETS TUF APART

- Industry-aligned academic programs
- Modern laboratories and learning infrastructure
- Learning Management System (LMS) integration
- Strong research and innovation culture
- Career development and placement support
- Academic advising and mentorship
- Safe, inclusive, and ethical campus environment
- Student affairs and support services
- Libraries and digital academic resources
- Counseling and well-being services
- Affiliated hostels for out-of-station students
- Hands-On Clinical Training in MTH

GLOBAL ENGAGEMENT & INTERNATIONAL PARTNERSHIPS

Connecting Minds - Crossing Borders.

We equip students for a global future through international partnerships, exchange programs, internships, and research. TUF fosters diverse perspectives through academic mobility, cultural immersion, and innovation driven collaboration.

International Collaborations

TUF partners with global universities, research institutes, and industries to co-develop curricula, host conferences, and conduct joint research addressing global challenges spanning Europe, the Middle East, East Asia, and North America.

Global Exchange Programs

TUF students benefit from mobility programs, including study abroad, summer schools, and international conferences — enhancing cultural awareness, academics, and global career readiness.

- Academic exchange with the universities around the globe.
- Faculty mobility programs for teaching & research.
- International internships in healthcare, engineering & business sectors.
- Student participation in global innovation and entrepreneurship competitions.

Partnership areas include:

- Joint research projects
- Faculty mobility programs
- Student exchange initiatives
- Erasmus+ collaborations
- UNESCO-linked programs
- International conferences & workshops

Student Mobility & Exchange

Through global partnerships, TUF students benefit from:

-  Semester exchange programs
-  International research internships
-  Global innovation competitions
-  Academic collaboration with overseas institutions

These opportunities enhance cultural awareness, academic exposure, and career competitiveness.

STUDENT EXPERIENCE

Through my internships and industry placements at TUF, I gained real-world exposure that transformed my academic learning into practical expertise. The experience not only strengthened my skills but gave me clarity and confidence in my professional journey.

Muhammad Kaleem Akbar is serving as Director at Azad International Clothing, operating in the Netherlands and Canada. With a strong business mindset and global exposure, he plays a key role in expanding international operations. His journey demonstrates how determination and strategic thinking lead to global business success.

Muhammad Kaleem Akbar

BBA – Class of 2021

Director at Azad International Clothing, Netherlands and Canada

Graduating from The University of Faisalabad in 2015, my journey began with leadership and community service as President of the Blood Donor Society, organizing impactful donation drives and awareness campaigns. Today, I serve as a Production and Quality Manager at a leading bottled water factory in the UAE, applying industry certifications and operational expertise while proudly carrying forward the values and foundation built at TUF.

Mr Muhammad Jamil

Bachelor of Food Science & Technology (2015), TUF
Production & Quality Manager – UAE Beverage Industry

I am a proud UMDC graduate and recipient of multiple accolades. After serving as a family physician in Pakistan and Dubai, I am now a consultant in Adult Neurology at the University at Buffalo, selected for an Epilepsy fellowship. I miss my time at UMDC, and highly appreciate the training and education I received here.

Dr Natasha Qutab, Md

UMDC Batch: 2005-2009

Consultant Neurologist

Epilepsy Fellow Physician at University at Buffalo, NY, USA

I studied MBBS from UMDC along with obtaining Membership of the Royal College of General Practitioners. Through my experience at UMDC, I was able to be more confident in my conduct and more independent after finishing my studies. I thank the teachers and administration for their help and support in shaping my personality.

Dr Muqaddas Shafiq - UMDC Batch: 2007-2013
 MBCHB, MRCP
 General Practitioner, NHS, England
 Medical Director Dr. M. Sha Wellness and
 Aesthetics Clinic

From dreaming of entrepreneurship to studying BBA at The University of Faisalabad, my journey started with hands-on experience at SpaceWay Group. After graduating in 2023, I founded VauntBlack Foods Pvt. Ltd., launching brands like Pure and Greenroots.pk focused on premium, health-oriented products. My journey reflects TUF's strong foundation, inspiring me to create impact through innovation and opportunity.

Mr Muhammad Saad Anees - BBA (2019-2023), TUF
 CEO – VauntBlack Foods Pvt Ltd, Pakistan
 Managing Director – SpaceWay Group of
 Companies, UAE

My experience at UMDC was filled with learning, growth, and unforgettable memories. The college fostered a spirit of resilience that continues to guide me in the fast-paced world of medicine.

Dr Javeria Hassan - UMDC Batch: 2008-2013
 MBBS, MRCEM (Emergency Medicine) Regenerative Medicine
 (American Board Certified) Consultant, Dubai Healthcare City.

Mr. Haris Mazhar, a Doctor of Pharmacy (Pharm-D) graduate, is working as an Assistant Manager at Saffron Pharmaceuticals. With strong pharmaceutical expertise, he contributes to maintaining quality standards and supporting operational growth in the pharmaceutical industry. His journey reflects how academic excellence leads to impactful roles in the healthcare sector.

Mr Haris Mazhar – Doctor of Pharmacy (Pharm-D)

Ahmad Faraz is working as an SEO Expert at Shandong Wanneng Air Conditioning Equipment Co. Ltd in China. Leveraging his digital and analytical skills, he helps expand global market reach through data-driven strategies. His journey highlights how technical expertise can unlock international career opportunities.

Ahmad Faraz

BSCS – Class of 2022

SEO Expert at Shandong Wanneng Air Conditioning Equipment Co. Ltd in China

Syed Ihtisham Ali Shah represented Pakistan at the Best Diplomats Conference in Bangkok, addressing the global water crisis during a UN simulation. Leading a bloc of 21 countries, he proposed solutions like rainwater harvesting and black water recycling and successfully secured approval for a resolution on sustainable water management.

Syed Ihtisham Ali Shah

BSCS – 2021

Data Analyst at Aeon, Bangkok

Noureen Khalil is the Country Manager at Samsung Electronics Pakistan, leading national operations for one of the world's top technology brands. Her journey from engineering graduate to corporate leader showcases resilience, strategic vision, and exceptional leadership. She continues to inspire women in engineering and business leadership.

Noureen Khalil

Graduate – Class of 2006, BEE

Country Manager, Samsung Electronics Pakistan.

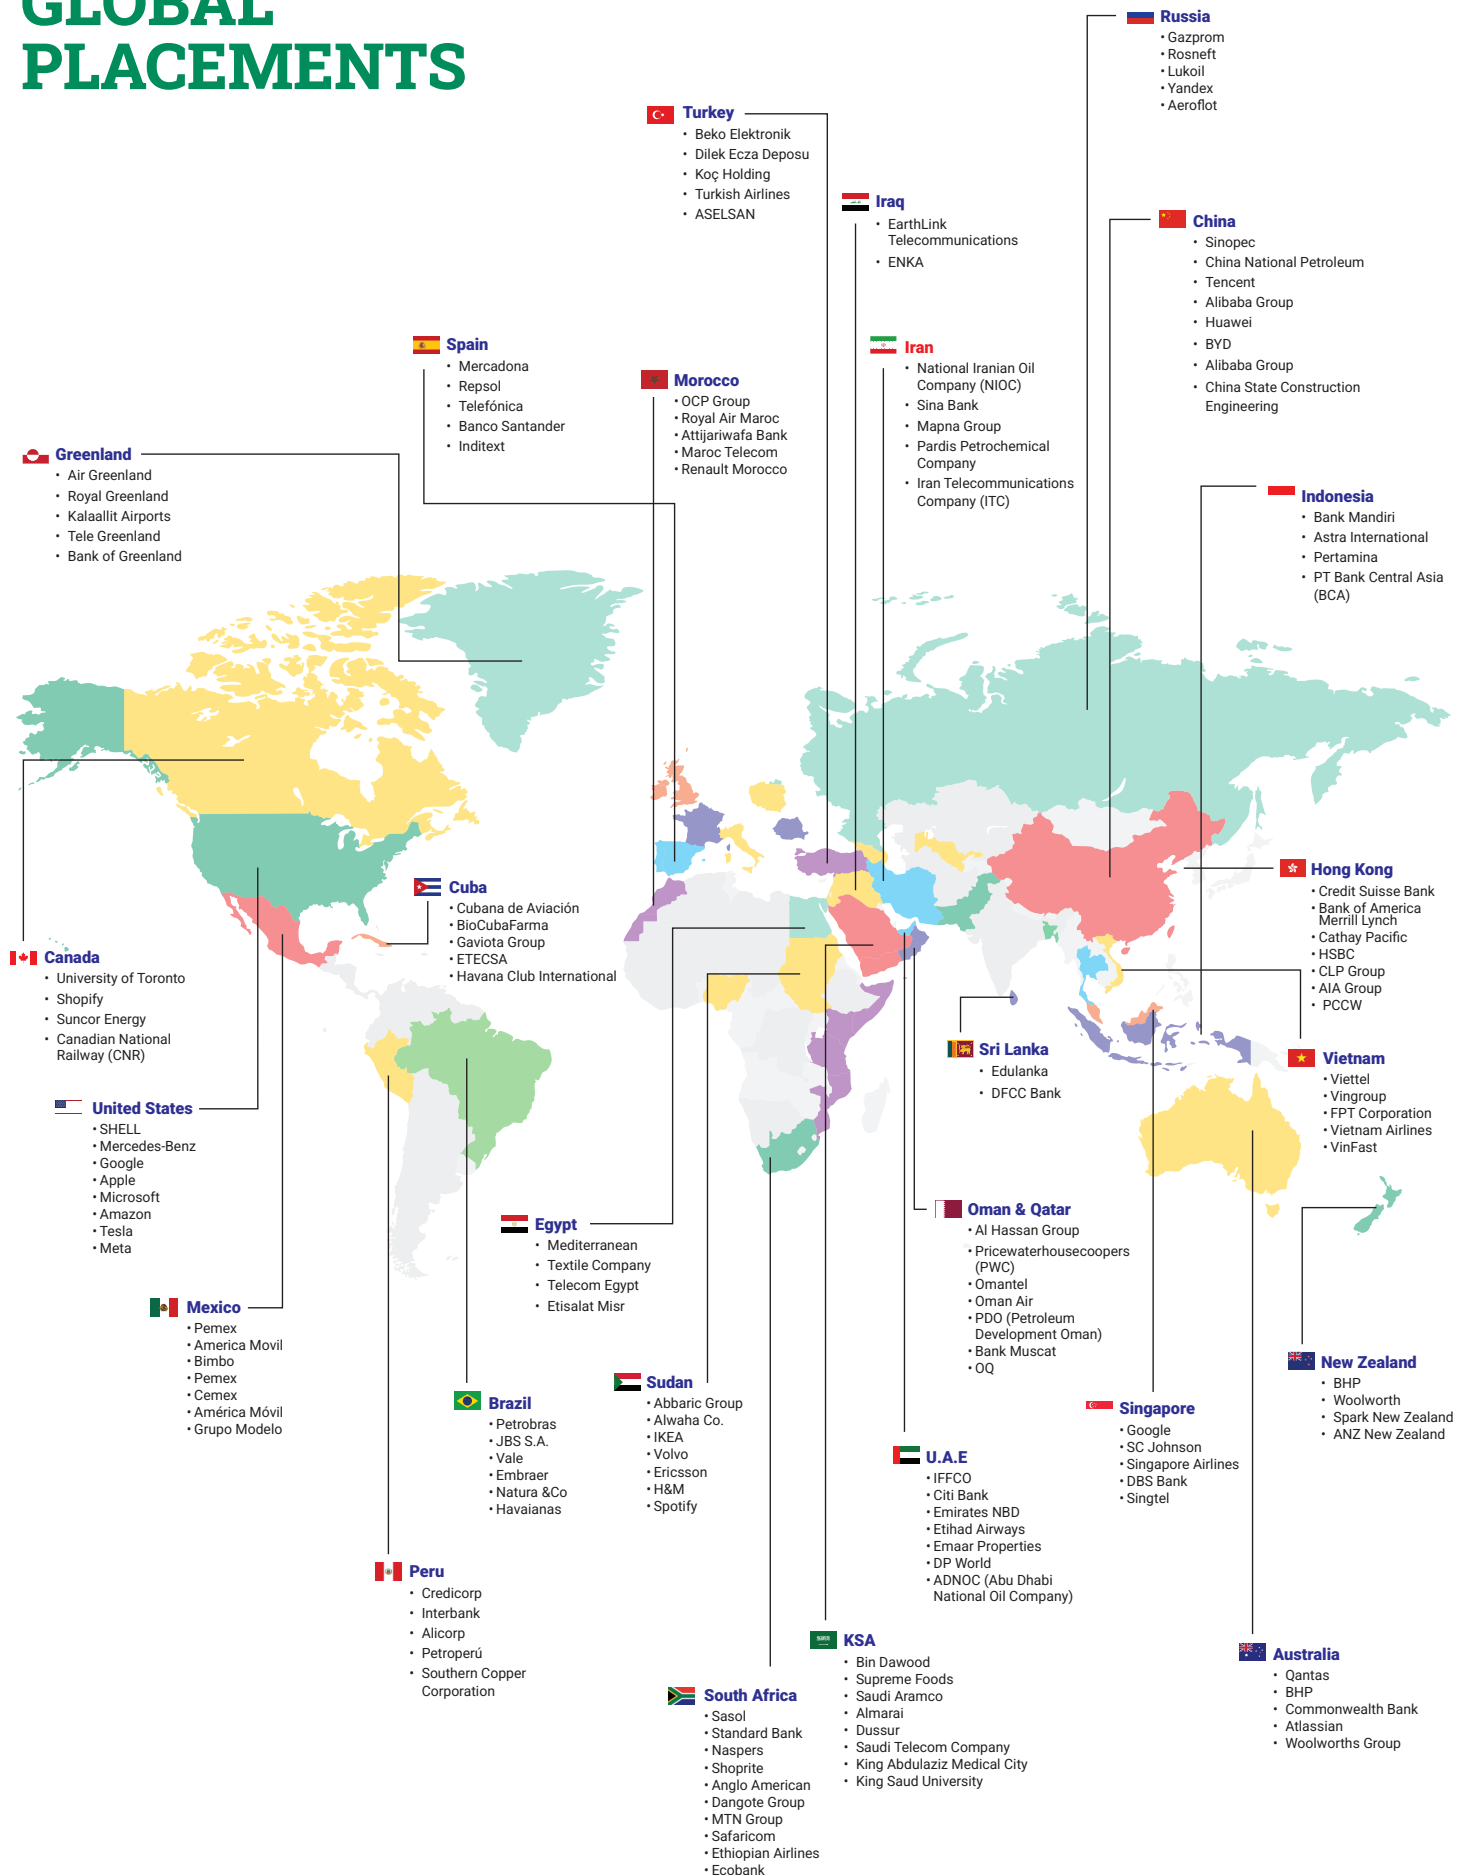

Dr. Fatima Iqbal is a proud alumna of The University of Faisalabad and a distinguished optometrist. She became the first Pakistani female optometrist to earn the Diplomate in Optometric Education from the American Academy of Optometry, Boston (2025), and the first optometrist outside the United States to receive this honor.

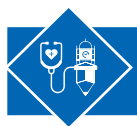

Dr. Fatima Iqbal

OD, PhD, Fellow of the American Academy of Optometry

SCHOLARSHIPS & FINANCIAL SUPPORT

6.98+ BILLION PKR

Scholarships Awarded

At The University of Faisalabad, we believe financial barriers should never limit talent. Each year, substantial scholarships and tuition waivers are awarded to high-achieving and deserving students.

SCHOLARSHIP OPPORTUNITIES FOR INTERNATIONAL STUDENTS

Merit-Based Scholarships

Awarded at the time of admission to students demonstrating outstanding academic achievement. Tuition fee waiver based on academic performance.

International Student Scholarship

Special tuition reductions available for qualified international applicants based on academic excellence and interview performance.

Need-Based Support

Partial tuition waivers for students requiring financial assistance, subject to eligibility review.

Sports Excellence Scholarship

50%–100% tuition fee waiver for students representing at national or international competitions.

Alumni & Sibling Scholarship

Tuition benefits for family members of TUF alumni and currently enrolled students.

Special Access & Inclusion Support

Tuition assistance for differently-abled students and those requiring additional academic accommodations.

YOUR FUTURE STARTS HERE

Invest in Your Education with Affordable, Transparent Costs

Experience world-class learning without breaking the bank! Our tuition fees are designed to be accessible for all programs—undergraduate, postgraduate, and PhD—so you can focus on what truly matters: your education and growth.

Exemptions from English Proficiency Test:

- If English is the applicant's native language or national language
- If they have completed a Bachelor's or Master's degree from an institution where the medium of instruction was English (valid proof required)

Note: Minimum required scores may vary in various program. Applicants should refer to the specific program's requirements.

ADMISSION PROCESS FOR INTERNATIONAL STUDENTS

Join Our Global Learning Community

We welcome students from around the world to become part of our vibrant academic community. Our admission process for international students is designed to be smooth, transparent, and supportive, ensuring you can start your educational journey with ease.

To ensure a smooth and successful admission process, please complete the following requirements:

1

Completed Application Form

Carefully fill out and submit your online application.

2

Academic Transcripts

Provide official academic transcripts from previous institutions.

3

Proof of English Proficiency

Submit a valid TOEFL or IELTS certificate (if applicable).

4

Personal Statement

Share your goals, ambitions, and reasons for choosing the university.

5

Letters of Recommendation

Provide at least two academic or professional recommendation letters.

6

Passport Copy

Upload a clear and valid copy of your passport.

7

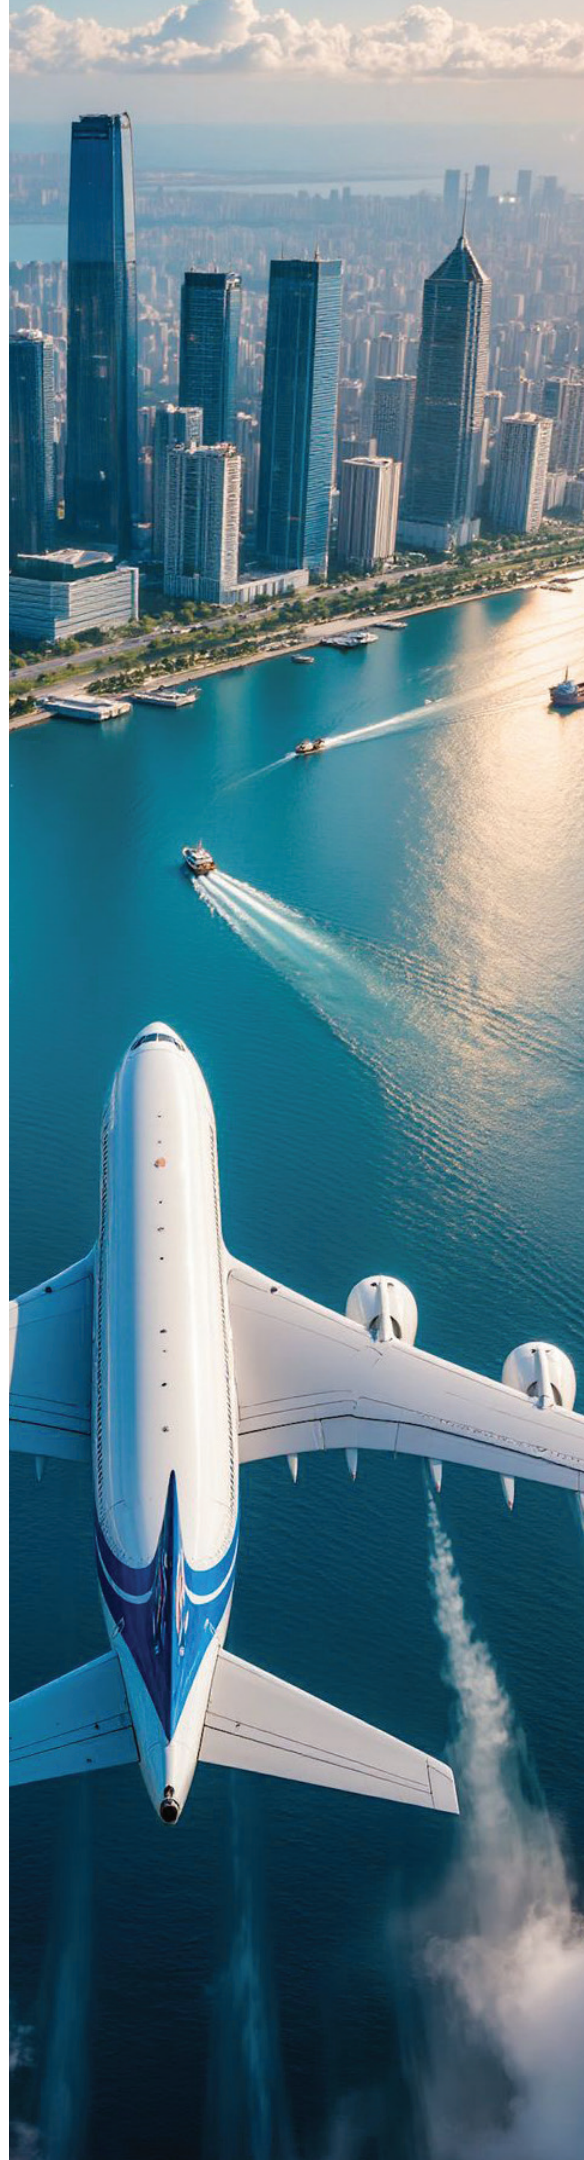

Undertaking

Confirm that all submitted information is accurate and follows university policies

8

Application Fee

Pay the required non-refundable application fee.

VISA PROCESS

In order to study at TUF, foreign nationals must obtain a Study Visa from the Pakistani Embassy/Consulate in their country. The Pakistani Embassy/Consulate will only issue a study visa for upon receipt of Higher Education Commission (HEC), Pakistan's 'No Objection Certificate' (NOC) and Clearance from the Ministry of Interior (MOI), Pakistan.

To be issued a visa, students must submit the following documents to the TUF Admissions Office through postal mail/ courier service by the stipulated deadline:

- Signed copy of admission offer letter
- Payment of tuition/hostel dues (if any) through a bank draft
- Completely filled 'Students Information Sheet' for issuance of NOC from the HEC
- Three copies of completely filled and duly signed 'Visa Form' (all pages) to get necessary visa clearance from the Ministry of Interior, Pakistan
- Note: The form is available on the Ministry of Interior website (www.interior.gov.pk) and must be duly filled with contact/addresses of the applicant in their home country and Pakistan
- Six original passport sized photographs
- Complete copy of valid passport
- Any other document(s) required by the MOI for the issuance of visa
- Academic Records - certified copies of all academic transcripts & Certificates (Secondary, Post-Secondary, Bachelors, Masters or any other qualification)
- Equivalence certificate issued by the Inter Board Committee Chairmen (IBCC), Pakistan and/or Higher Education Commission (HEC) Pakistan
- Medical Fitness Certificate
- Any other relevant document(s)

YOUR JOURNEY BEGINS HERE
