

# Sana Hafeez

Lecturer

Department of Computer Sciences

8750971

sana.hafeez@tuf.edu.pk

## BIO

An environment where my skills can be properly utilized and optimized. In a challenging opportunity, not restricted to what I already know but where I can acquire new knowledge in system development and implementation, apply it to provide better solutions and to achieve the best results.

## Qualification

### Education

- BS Electronic Engineering (2008-2012)  
IIUI
- MS Computer Science (2017- 2020)  
VU Pakistan

## Courses Taught

- MS Computer Science
- MS Computer Science
- MS Computer Science
- MS Computer Science
- MS Computer Science
- MS Computer Science
- MS Computer Science

## Awards & Achievement

- Scholarship Got fully funded scholarship for Entire BS degree from ICT R&D Fund

## Research Interest

- internet of thing (IoT)
- Blockchain

# Publications

## Conferences

- [Blockchain based Competent Consensus Algorithm for Secure Authentication in Vehicular Networks](#)

*Sana Hafeez, M. R. Shahid, A. Sohail, S. Jabbar*

*3rd International Conference on Computing, Mathematics and Engineering Technologies  
(iCoMET), IEEE, no, 2020-04-23*
