ALPHA TUF – Flood Relief Team

REPORT ON **FLOOD RELIEF ACTIVITIES**

FLOOD RELIEF ACTIVITIES

The unprecedented heavy rainfall in multiple regions of Pakistan led to devastating flooding. Pakistan is currently facing one of the worst floods in its history. Over 33 million people have been affected, with thousands left homeless and without access to clean water or food. This is a humanitarian crisis of immense proportions, and it requires an urgent and coordinated response.

The University of Faisalabad under the umbrella of Madinah Foundation along with its educational roles has always actively and constructively intervened in relief activities in every national calamity and provides financial and material support to rehabilitate people. ALPHA-TUF Flood Relief Campaign of the University started its activities for flood affected areas immediately. Faculty, administration and students of the University are contributing much toward the goal. The Management has also extended its helping hand for such noble cause. The employees of University donated one day salary for the noble cause.

ALPHA-TUF Team collecting funds for flood affected people

Under the platform of Madinah Foundation, management and students of the University are thriving hard to lend a helping hand to the affectees by their active participation in the distribution of food packages. They visited affected areas for the distribution of food packages. Moreover, they are also looking after their fellow students and staff belonging to the affected areas.

Earthquake Relief Activities in Turkey

ALPHA-TUF team of The University of Faisalabad comprising 21 members lead by Mr Muhammad Haider Amin, Chairman BOG, visited earthquake affected areas of Turkey. The team visited the affected areas of Adiyaman and Gozebasi districts and distributed food and other relief items of worth 110,000 USD. The activities included distribution of 5000 hygienic meals, and medicines. Team distributed ration, food items and medicines among 1500 families. More than 750 families were supported with cash for their one month ration, necessary food items and medicines etc. Through these earthquake relief activities, TUFANS were able to make a significant impact on the affected community of Turkey.

A delegation from TUF comprising of Faculty members and students, led by Mr Muhammad Haider Amin, Chairman Board of Governors participated in Eurasia Higher Education Summit (EURIE) held on March 1-3, 2023 in Istanbul, Turkey. TUF team also visited different universities and signed MoUs with leading international universities.
