

TUF SECURES TOP RANKINGS IN UI GREENMETRIC WORLD UNIVERSITY RANKINGS 2026

The University of Faisalabad (TUF) has achieved a major milestone in international academic and environmental excellence, securing top positions in the prestigious UI GreenMetric World University Rankings 2026. Placing 283rd globally out of 2,016 participating universities worldwide, TUF has solidified its standing as a premier green institution, ranking 7th overall in Pakistan and 160th in Asia. Across the South Asian region, the university achieved an impressive 21st position.

A standout achievement in this year's results is TUF's exceptional performance in administrative efficiency and sustainable policy. The university ranked 101st globally in Standard 7 (Governance) and secured the #1 spot in Pakistan for Governance & Digitalization (GD) across both the public and private sectors.

Key Ranking Highlights:

- **Global Overall Rank:** 283rd (out of 2,016 universities worldwide)
 - **Governance (Standard 7):** 101st globally
 - **Rankings by Population:** 88th globally
 - **Rankings by Campus Area:** 134th globally
 - **Regional Standing:** 160th in Asia | 21st in South Asia
 - **National Standing:** 7th in Pakistan overall
- In category-specific rankings within Pakistan, TUF demonstrated comprehensive strength across all sustainability indicators:
- **Governance & Digitalization:** Ranked 1st overall in Pakistan
 - **Setting & Infrastructure:** Ranked 6th in Pakistan (4th in Private Sector)
 - **Education & Research:** Ranked 6th in

Pakistan (4th in Private Sector)

- **Water Management:** Ranked 7th in Pakistan (4th in Private Sector)
- **Waste Management:** Ranked 9th in Pakistan (6th in Private Sector)
- **Energy & Climate Change:** Ranked 24th in Pakistan (11th in Private Sector)
- **Transportation:** Ranked 34th in Pakistan (13th in Private Sector)

Speaking on the accomplishment, university leadership commended the faculty, staff, and students for their dedication to sustainable practices, smart campus digitalization, and eco-friendly infrastructure development. The landmark rankings reaffirm TUF's commitment to advancing the United Nations Sustainable Development Goals (SDGs) and leading green innovation in higher education

Lewis

UNIVERSITY

Dean, Management Studies, TUF, VISITED LEWIS UNIVERSITY, USA TO STRENGTHEN ACADEMIC COLLABORATION

Prof Dr Muhammad Ashfaq, Dean, Faculty of Management Studies, TUF visited Lewis University, USA, for strategic academic consultations and leadership meetings aimed at advancing the ongoing institutional

collaboration between the two universities. The visit provided an opportunity to discuss areas of mutual academic interest, strengthen institutional linkages, and explore opportunities for knowledge exchange and academic

collaboration. The engagement reflects TUF's continued efforts to strengthen international partnerships and create meaningful opportunities for students and faculty through global academic collaboration.

DEAN, MANAGEMENT STUDIES REPRESENTED TUF AT COLUMBIA UNIVERSITY, USA

Prof Dr Muhammad Ashfaq, Dean, Faculty of Management Studies, TUF, represented TUF at Columbia University, New York, USA, where he delivered a presentation titled "Climate Change and Research Conducted on the Issue in Pakistan."

The session brought together faculty members, students, and climate change experts from various universities, with participants attending both in person and online. The presentation provided an opportunity to share research perspectives on climate change in Pakistan and engage in academic discussion with

an international audience. The visit also supported ongoing institutional collaboration and provided an opportunity to explore further avenues for academic engagement, knowledge exchange, and international collaboration between TUF and other academic institutions.

The engagement reflects TUF's continued efforts to strengthen international academic linkages and provide faculty and students with opportunities to participate in global academic and research activities.

TUF SIGNS MOU WITH

ICMA PAKISTAN

A Memorandum of Understanding (MoU) was signed between The University of Faisalabad and Institute of Cost and Management Accountants Pakistan marking an important step towards strengthening academia-professional linkages and creating meaningful opportunities for students and faculty in education, professional development, career support, and industry engagement. The MoU was formally signed by Prof Dr Aman Ullah Malik, Rector, TUF, and Prof Dr Zahir Ahmad Zahir, Director ORIC, TUF, on behalf of The University of Faisalabad. The TUF delegation also included Prof Dr Muhammad Ashfaq, Dean, Faculty of Management Studies, and Mr Omer Farooq Qureshi, Manager Placement, TUF.

to Enhance Industry Engagement & Student Development

Representing ICMA Pakistan, the MoU was signed by Mr Abdul Shakoor, FCMA, Chairman FBC, and Mr Shahid Irshad, FCMA, Vice Chairman FBC. The ceremony was also attended by Mr Muhammad Rizwan, FCMA, Secretary FBC; Mr Nazir Ahmad, FCMA, Member FBC; Mr Muhammad Sohaib, Member FBC; and Mr Muhammad Usman Siddique, Campus In-charge, ICMA Faisalabad Campus. The collaboration aims to promote professional education, student development, career opportunities, knowledge exchange, and meaningful academia-industry engagement. The partnership is expected to provide students with valuable opportunities for professional growth and greater exposure to industry practices

Department of Computer Sciences HOSTS GITHUB DEV DAYS

The Department of Computer Sciences, TUF successfully hosted GitHub Dev Days, an engaging and insightful event focused on GitHub, AI-Driven Development, Open Source, and emerging technologies. The event brought together distinguished industry experts and technology leaders who shared valuable insights with students:

- Ms Aimen Shahid, Program Manager, NIC Faisalabad; "From FYP to Scalable Business Model"

- Mr Abdul Raheem, GitHub Campus Expert; "Role of GitHub Copilot in Open Source Contribution"

- Mr Farhan Ashraf, Consultant AI/SecOps & DevSecOps, Systems Limited; "Role of AI Agents in Open Source"

- Dr Hammad Armghan, Chief AI Officer & Director, CyberGen; Keynote: "The Most Dangerous Word in AI is Autonomous"

The sessions offered students practical perspectives on the rapidly evolving landscape

of Artificial Intelligence, software development, GitHub, cybersecurity, open-source contribution and technology entrepreneurship. The event further featured interactive ice-breaking activities, student opportunities, appreciation shields and the distribution of Swift Uni and DataCamp subscriptions to selected students. It was a dynamic day of learning, innovation, collaboration and inspiration, equipping students with knowledge and opportunities to thrive in the future of technology.

TUF Students Participated in

MITACS GLOBALINK RESEARCH INTERNSHIP 2026 IN CANADA

Two students from The University of Faisalabad are currently participating in the Fully Funded Mitacs Globalink Research Internship Program 2026 in Canada through TUF International Student Exchange Program, Office of International Linkages.

Dania Khalid, a student from the Department of Pharmacy, is gaining hands-on research experience in her field while engaging in an international research environment. Tasnim Abdalla Adam Issa, a student from the

Department of Rehabilitation Sciences, is exploring the applications of Artificial Intelligence in Rehabilitation Sciences through hands-on research activities and international academic exposure. Their participation provides valuable opportunities to broaden their research experience, engage with international academic communities, and represent TUF on a global platform. These opportunities reflect TUF's efforts to facilitate international academic and

research exposure for its students through global collaborations and exchange initiatives.

48TH BASR MEETING

Strengthened Postgraduate Academic Framework

The 48th meeting of the Board of Advanced Studies and Research (BASR), The University of Faisalabad, was convened under the chairmanship of Prof Dr Aman Ullah Malik, Rector, TUF, to review key matters related to postgraduate education, research, curriculum development, and academic governance.

The meeting focused on strengthening postgraduate academic programs and maintaining research standards in line with

HEC requirements and emerging academic needs.

The Board reviewed and approved a range of academic matters, including curricula and schemes of studies, research proposals, thesis titles and synopses, supervisory committees, and external examiners across various disciplines.

The session also addressed important matters related to research supervision, postgraduate academic policies, and

quality enhancement, with discussions aimed at improving academic processes and supporting a stronger research environment at the University.

Through these deliberations, the 48th BASR meeting reaffirmed TUF's continued focus on academic quality, effective research supervision, and the advancement of postgraduate education, supporting the University's broader commitment to research-driven academic development.

FOUR-DAY PROCUREMENT WORKSHOP AT TUF

The Centre of Executive Learning, TUF successfully conducted a four-day workshop on the Total Procurement Life Cycle for FESCO executives, aimed at strengthening professional competencies in procurement and contract management.

Led by Dr Irfan Ahmad, Principal, Institute of Tender Management, and Chairman, Pakistan Procurement Association, the

workshop provided participants with practical knowledge and real-world insights into key stages of the procurement process, including procurement planning, tendering, bid evaluation, contract award, and contract management.

Across the four-day program, participants engaged in interactive discussions and practical learning activities focused on

addressing procurement challenges, ensuring compliance, improving decision-making, and strengthening transparency and efficiency in procurement operations. The workshop provided FESCO executives with valuable professional insights and practical approaches to enhance their procurement practices and contract management skills.

TUF Organized International Workshop on

BUSINESS INTELLIGENCE AND ADVANCED ANALYTICS

The National Business School, TUF, in collaboration with Manchester Metropolitan University, UK, organized an International Training Workshop on Business Intelligence and Advanced Analytics.

Featuring expert insights from Dr Muhammad

Latif, Manchester Metropolitan University, UK, the workshop provided Business and Aviation Management students with practical exposure to Business Analytics, Decision Analysis, AI-driven Supply Chain Optimization, and Data Modelling.

The hands-on training helped students understand the application of data-driven approaches to improve operations, optimize logistics, enhance business efficiency, and support informed decision-making in their respective fields.

Seminar on SUICIDE PREVENTION AND MENTAL HEALTH AWARENESS

The Psychological Health and Wellbeing Society, Saleem Wing, The University of Faisalabad, organized seminar titled ***“Suicide Prevention Through Awareness, Early Intervention & Community Support,”*** highlighting the importance of mental health awareness, early intervention, timely professional support, and community care.

Dr Jawaad Muhammad Shujaat, Guest Speaker, shared valuable insights on suicide prevention, psychological well-being, and the importance of seeking timely professional support.

Dr Saleem Abbas, Head of the Department,

encouraged students and appreciated their participation. Held under the guidance of Ms Mariam Farooq, Focal Person, Psychological Society, the workshop featured awareness-based activities, including a Skit Competition and Chart Competition, in which students from different semesters of the Department of Psychology highlighted the importance of empathy, emotional support, professional intervention, and suicide prevention.

The Department of Psychology, Amin Wing, also organized an awareness seminar focusing on suicide prevention and mental health, emphasizing early

intervention, timely support, and community care. Mr Zia Razaq, Practicing Clinical Psychologist, delivered an informative session on suicide prevention and the importance of seeking professional support when needed.

Ms Noreena, Lecturer, Department of Psychology, shared valuable insights on mental health awareness. Psychology students actively participated in the seminar through meaningful awareness activities, making the event an engaging learning experience and reinforcing the importance of mental health awareness and support.

TUF AND NIC FAISALABAD Organized Entrepreneurship Awareness Session

The Department of Computer Sciences, TUF, in collaboration with NIC Faisalabad, organized a Startup and Entrepreneurship Awareness Session to introduce students to opportunities, resources, and support available within the startup ecosystem. The session provided insights into startup incubation, eligibility and application processes, training and mentorship, networking

opportunities, available facilities, and strategies for developing innovative ideas into practical ventures.

Representatives from NIC Faisalabad engaged with students through an interactive discussion and Question & Answer session, providing practical guidance on entrepreneurship opportunities and the incubation ecosystem. The session encouraged students to explore

entrepreneurship as a career pathway, develop innovative ideas, and understand the support available to transform promising concepts into viable ventures.

The collaboration with NIC Faisalabad contributed to providing students with greater exposure to the entrepreneurial ecosystem and opportunities for innovation and professional growth.

TUF SIGNED MOU WITH HAAKS VETHUM POULTRY

A Memorandum of Understanding was signed between The University of Faisalabad and Haaks Vethum Poultry, a well renowned pharmaceutical industry, marking an important step towards strengthening industry-academia collaboration and creating meaningful opportunities for students and faculty. The MOU was formally signed by Brigadier Shafiq Khan Niazi, CEO, HAAKS Vethum, and Prof Dr Aman Ullah Malik, Rector, TUF.

The signing ceremony was witnessed by Mr Zain Ali, Procurement Officer HAAKS Vethum and Prof Dr Saba Tariq, Dean, Faculty of Pharmaceutical Sciences, and Dr Aamna Habib, Principal, Madina College of Pharmacy. Dr Sadia Rafique was also present on the occasion.

The collaboration aims to promote student internships and training, professional development, knowledge exchange, research

collaboration and enhanced industry exposure, providing students with valuable opportunities to connect academic learning with real-world professional practice. This partnership reflects TUF's commitment to fostering strong industry linkages and preparing graduates with the skills, knowledge, and practical experience needed to excel in the pharmaceutical and healthcare sectors.

TUF COMMEMORATES DEFENCE DAY 2026

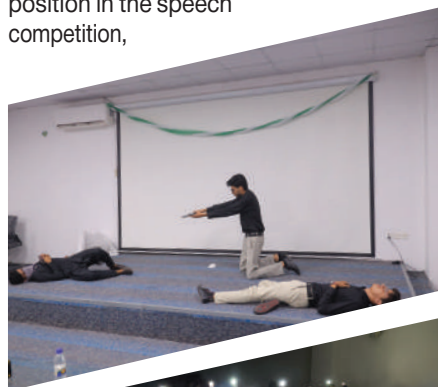

with Tribute, Patriotism & Student Engagement

The University of Faisalabad commemorated Defence Day 2026 across its **Saleem Wing**, **Amin Wing**, and **Jinnah Wing** through a range of engaging activities aimed at honouring the sacrifices of Pakistan's martyrs and defenders while fostering patriotism, national unity, discipline, and civic responsibility among students. At the Saleem Wing, the Center for Collective Activities, TUF, in collaboration with student societies, organized a diverse series of activities. These included a Speech Competition organized by the TUF Literary Society, a Quiz Competition focusing on Pakistan's history and the significance of Defence Day, a Documentary Screening by the TUF Digital Creator Society, a Patriotic Poetry Session by the Majlis-e-Adab Society, and a Short Drama Play by the TUF Dramatic Society. Students actively participated across the activities, demonstrating their knowledge, creativity, confidence, and patriotic spirit. Uswa Akhlaq, BBA 5th Semester, secured the winning position in the speech competition,

while Amna Shahbaz and Eman Iftikhar, BS MLS 5th Semester, emerged as the winning team in the quiz competition. At the **Amin Wing**, the TUF Literary Society and Musical Society jointly organized a commemorative program featuring a drama performance and an Urdu Debate Competition. The activities provided students with an opportunity to showcase their communication skills and artistic abilities while reflecting on the courage, sacrifice, and devotion associated with the defence of the country. The **Jinnah Wing** also observed Defence Day 2026 at the Jinnah Auditorium, bringing together distinguished guests, faculty, staff, and students. The event featured speech competitions, patriotic poetry, short drama performances, and tributes to the martyrs and heroes of Pakistan. Mr Umer Kibriya, Campus Manager; Mr Qasim Raza, Manager Hospitality; Dr Anila Mushtaq, Assistant Professor, NBS; and Dr Ali Raza, Assistant Professor, English & Linguistics, attended the

occasion. Their presence, along with the active participation of students and faculty, added significance to the commemorative gathering.

Across all three wings, the Defence Day activities created meaningful opportunities for students to engage with themes of national service, sacrifice, unity, and responsible citizenship. The programs also supported values-based learning by encouraging communication, critical thinking, creativity, collaboration, and civic awareness, reflecting TUF's commitment to developing socially responsible and engaged graduates. Overall, the university-wide commemoration served as a meaningful tribute to Pakistan's defenders while providing students with diverse platforms to express their patriotism and strengthen their sense of national responsibility.

TUF Marked World Physiotherapy Day 2026 with a Focus on **CARDIOVASCULAR DISEASE AND STROKE CARE**

The Department of Rehabilitation Sciences commemorated World Physiotherapy Day 2026 with an informative seminar focusing on the theme, “The Role of Physiotherapy and Physical Activity in the Prevention, Management & Rehabilitation of Cardiovascular Disease and Stroke.”

The seminar highlighted the role of physiotherapy and physical activity in preventing cardiovascular disease and stroke, supporting recovery, and improving quality of life. Mr Ali Imran Baig, Professional Certified Coach, International Coaching Federation, as the Chief Guest

shared insights on the interconnected dimensions of physical and mental well-being, communication, and NLP-based coaching. Dr Uzair Asghar, Physiotherapist, Nusrat Fateh Ali Khan Hospital, Faisalabad, joined as the Guest Speaker and discussed the importance of physiotherapy in the prevention, management, and rehabilitation of cardiovascular disease and stroke, emphasizing the role of physiotherapists in promoting active and healthy lifestyles.

At the concluding session, Dr Marium Zafar, Head, Department of Rehabilitation Sciences,

emphasized the importance of public awareness about physiotherapy and its diverse treatment approaches. She highlighted its contribution to recovery, functional improvement, disability prevention, and enhanced quality of life.

The event reflected TUF’s efforts to promote health awareness, preventive care, rehabilitation, and professional development, while contributing to SDG 3: Good Health and Well-being, SDG 4: Quality Education, and SDG 17: Partnerships for the Goals.

Health Awareness Campaign on

WORLD PATIENT SAFETY DAY 2026

TUF Rehabilitation Society, in collaboration with the TUF Alpha Welfare Society, conducted an interactive health awareness campaign at Sandal College Girls Section, Faisalabad, to promote safe care, preventive health practices, and healthy lifestyle choices among students as part of World Patient Safety Day 2026.

Held under the official theme, “Safe care for Non-Communicable Diseases,” with the slogan “Safe care for life!”, the campaign focused on raising awareness about non-communicable diseases (NCDs), reducing health risks through healthy practices, and encouraging informed approaches to personal health and well-being.

An interactive awareness session was conducted for students, covering preventive

health practices, healthy lifestyle choices, physical activity, safe healthcare practices, and the importance of timely attention to health concerns. The session was followed by a question-and-answer segment, allowing students to ask questions and engage in discussions on the topics addressed.

The educational session was followed by a practical fitness assessment and stretching activity, giving students an opportunity to participate in simple physical fitness assessments and understand the importance of regular physical activity, flexibility, and maintaining an active lifestyle for overall well-being. Students who actively participated in the activities were also presented with gifts as a gesture of encouragement and appreciation.

The initiative was appreciated by the college administration and the Principal of Sandal College Girls Section, who acknowledged the efforts of the TUF Rehabilitation Society and TUF Alpha Welfare Society in providing students with an informative, interactive, and practical health-learning experience.

The campaign also contributed to the Sustainable Development Goals (SDGs), particularly SDG 3: Good Health and Well-being and SDG 4: Quality Education, by combining health awareness, preventive practices, physical activity, and student-centred learning.

TUF Celebrated **WORLD PHARMACISTS DAY 2026** at Madina College of Pharmacy

Madina College of Pharmacy, TUF, marked World Pharmacists Day 2026 by recognizing the vital contribution of pharmacists to patient care, medication safety, and healthcare delivery.

The celebration was held in line with this year's global theme, "Empowering Pharmacists for Healthier Futures," highlighting the contribution of pharmacists to safer medicines and improved healthcare outcomes.

The event was organized with the support of Dr Aamna Habib, Principal, Madina College of Pharmacy, and featured the participation of faculty members, distinguished guests, the Pharma Sphere Club team, and students.

The event provided an opportunity to recognize the contribution of pharmacists and promote greater awareness of their role in advancing safe and effective healthcare.

TUF Welcomed Postgraduate Students at Fall 2026 Orientation Ceremony

The University of Faisalabad welcomed its newly enrolled postgraduate students at the Postgraduate Orientation 2026 – Fall Session. The orientation marked the beginning of their postgraduate journey, offering valuable insights into the University's academic structure, research environment, institutional policies, and professional expectations. The session provided students with essential guidance on academic expectations, research practices, university policies, institutional values, and responsibilities associated with postgraduate education.

Prof Dr Aman Ullah Malik, Rector, TUF, addressed the newly enrolled students and welcomed them to the University. In his motivational address, he emphasized making the most of postgraduate education through academic commitment, research, discipline, ethical conduct, and continuous learning. He highlighted originality, integrity, responsible research practices, and professional conduct as essential elements of postgraduate education.

Dr Zahida Maqbool, Registrar, TUF, guided students about the University's rules, regulations, academic procedures, and

institutional framework. Her session covered academic discipline, university policies, student responsibilities, and appropriate conduct. Students were also introduced to administrative and academic hierarchies and appropriate channels for communication and resolution of academic or administrative matters.

Prof Dr Zahir Ahmad Zahir, Director, Office of Research, Innovation and Commercialization, TUF, introduced students to the University's research ecosystem and the role of ORIC in supporting research, innovation, and commercialization. He briefed students on research policies, procedures, and the University's framework for promoting quality research. Students were encouraged to develop a research-oriented mindset, identify meaningful research problems, follow ethical practices, and contribute to the University's research culture. He also introduced the upcoming 4th International Conference on

Advanced STEAM Education (ICASE-2026) and encouraged students to participate by submitting and presenting their research work.

Prof Dr Abdul Wahid, Director, Academics, introduced students to the Postgraduate Office and provided guidance on academic rules and regulations. His address covered key academic procedures, postgraduate requirements, academic hierarchies, and student responsibilities throughout their degree programs. He also explained the channels through which postgraduate students can seek academic guidance and address academic matters.

Mr Muhammad Zubair, Controller of Examinations, TUF, briefed students on the University's examination policies, procedures, and academic requirements. He explained key examination rules, assessment procedures, examination conduct, academic discipline, and student responsibilities during the examination process.

The orientation concluded with students gaining a clearer understanding of the academic, research, administrative, and professional expectations associated with postgraduate education at TUF.

TUF Students Begin Academic Exchange at **ALTINBAŞ UNIVERSITY, TÜRKIYE**

Two students from the Doctor of Pharmacy program at TUF have commenced their academic exchange at Altınbaş University, Türkiye, under the International Student Exchange Program (ISEP), Office of International Linkages.

Huzaifa Khalil and Muhammad Rizwan are participating in the exchange as representatives of TUF, gaining international academic exposure and experiencing a diverse learning environment. The program provides them with an opportunity to broaden their academic perspectives, engage with an international university community, and gain valuable cross-cultural experience. Their participation reflects the opportunities available through ISEP for TUF students to pursue international learning and academic exchange experiences.

Hands-On Workshop on **VITAMIN C SERUM FORMULATION**

TUF Skin Care Club, in collaboration with the TUF Pharma Sphere Club, conducted a hands-on workshop on Vitamin C serum formulation and preparation for students.

The workshop provided participants with practical exposure to cosmetic formulation, ingredient handling, and the step-by-step preparation of Vitamin C serum under proper guidance. The activity enabled students to apply their theoretical knowledge in a practical setting while developing a better understanding of cosmetic product formulation.

TUF WOMEN EMPOWERMENT SOCIETY Organized Seminar on PCOS Awareness and Weight Management

TUF Women Empowerment Society organized a seminar on "PCOS Awareness and Weight Management" focusing on women's health, nutrition, healthy lifestyle practices, and effective weight management. The session featured Ms Tehniat Rehman from the Department of Nutrition & Dietetics, along with Dt. Gohar Rubab and Dt. Amna Naveed, Clinical Nutritionists and Dietitians. The speakers shared evidence-based insights on Polycystic Ovary Syndrome (PCOS), dietary management, nutrition, and practical approaches to maintaining a healthier lifestyle.

The event brought together guests, faculty members, and students for an engaging learning and discussion session. The seminar contributed to promoting health awareness, informed lifestyle choices, and greater understanding of women's well-being.

TUF CONDUCTS FIRE SAFETY AWARENESS

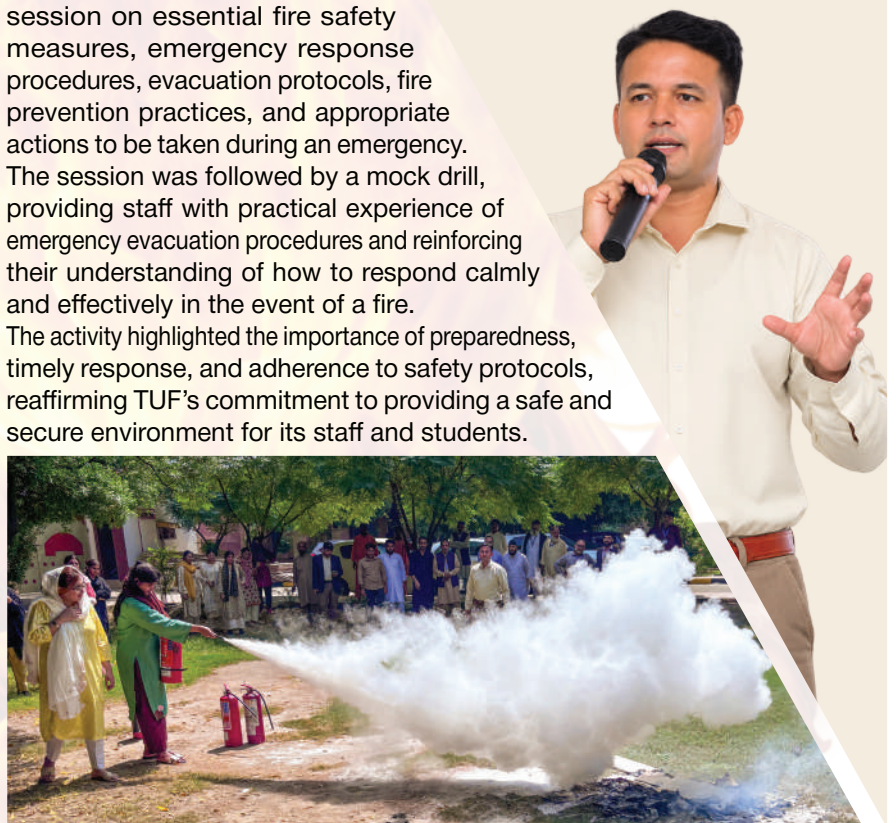

Workshop and Mock Drill

The University of Faisalabad conducted a Fire Safety Awareness & Emergency Response Workshop and Mock Drill for its teaching and administrative staff to enhance fire safety awareness, emergency preparedness, and effective response to fire-related incidents.

Mr Muhammad Imran, Fire Safety Officer, conducted an informative session on essential fire safety measures, emergency response procedures, evacuation protocols, fire prevention practices, and appropriate actions to be taken during an emergency. The session was followed by a mock drill, providing staff with practical experience of emergency evacuation procedures and reinforcing their understanding of how to respond calmly and effectively in the event of a fire.

The activity highlighted the importance of preparedness, timely response, and adherence to safety protocols, reaffirming TUF's commitment to providing a safe and secure environment for its staff and students.

A New Journey Begins

FINAL YEAR PROJECT EVALUATION 2026

The Final Year Project (FYP) Proposal Evaluation 2026 marked an important academic milestone for 7th-semester students as they embarked on their final-year project journey, focusing on research, innovation, problem-solving, and practical solutions.

A total of 148 FYP projects were reviewed through 10 assessment panels, providing students with an opportunity to present their project ideas and receive constructive

feedback from faculty members and panelists. The process helped students refine their concepts and establish a clear direction for the development of their final-year projects.

The activity reflected the academic commitment of both students and faculty members toward research-driven learning and practical innovation. The university appreciated the faculty members and panelists for their valuable guidance and

congratulated the students on taking an important step toward completing their degree.

INTERNSHIP VIVA AND EVALUATION HELD FOR COMPUTER SCIENCES STUDENTS

The Department of Computer Sciences conducted the Internship Viva and Evaluation for its 7th-semester students, providing an opportunity to present and reflect on their summer internship experiences and the practical skills gained during their professional placements.

The evaluation was conducted through 20 dedicated panels, where faculty members assessed students' practical learning, professional exposure, problem-solving abilities, and application of academic knowledge in real-world work environments. Students shared their internship experiences, discussed challenges they encountered,

and demonstrated how their academic learning was applied to practical workplace situations. The activity also provided

constructive feedback to support their continued academic and professional development.

TUF Environmental Society Promotes CLEAN AIR AWARENESS

TUF Environmental Society successfully organized an engaging event to raise awareness about clean air, air pollution and our shared responsibility toward a healthier environment. The event was organized by President of Society Maria Kanwal, General Secretary Maria Mazhar and cabinet members under the valuable guidance of the Advisor Ms Mahrukh.

Dr Shaista Shafiq, Associate Professor and HOD, Department of Biotechnology, Amin wing shared valuable insights on air quality, pollution, and the importance of collective environmental action.

An interactive 4-round competition tested participants' knowledge and creativity through One-Minute Solution, 5-Second Clean Air Challenge, Pollution Detective,

and Scramble Words, making environmental learning both informative and exciting. Participants shared their thoughts, opinions and commitments for cleaner air, turning individual voices into a collective promise for a healthier and more sustainable future. A meaningful event filled with learning, participation, awareness, and action; because every breath matters.

Industry Experts Share Insights on **RAG AND NLP WITH TUF STUDENTS**

Department of Computer Sciences, TUF, in collaboration with CyberGen, organized an industry session titled “RAG in Practice: Building an End-to-End NLP Application.” The session introduced students to Retrieval-Augmented Generation (RAG) and its applications in Natural Language Processing (NLP), providing practical insights into how modern AI solutions are

developed and applied in industry. The session featured Dr Hammad Arghman, Chief AI Officer; Dr Naghmash, Chief Data Scientist; and Muhammad Mudassar, AI Product Manager, CyberGen, who shared industry perspectives and practical knowledge with students. Dr Talha Farooq Khan, Head Program of AI, delivered the opening remarks, while

Prof Dr Majid Hussain, Dean, Faculty of Information Technology, also attended the session and shared his insights. The session provided students with an opportunity to connect academic learning with industry practices through learning, discussion, and practical exposure to emerging AI technologies.

TUF Jinnah Wing Observes International Day of **PEACE**

TUF Jinnah Wing organized an International Day of Peace 2026 event to promote peace, tolerance, harmony, and mutual respect among students. The event was attended by faculty members,

staff, students, and distinguished guests including Ms Aqeela Emmanuel and Ms Jaweria. The event aimed to raise awareness about the importance of peace, empathy, tolerance, and peaceful coexistence while encouraging students to become responsible and positive contributors to society.

The event featured a guest speech on peace and harmony, interactive peace activities, and a Peace Wall, where students shared messages and commitments promoting peace and respect.

The event supported TUF's commitment to the UN Sustainable Development Goals, particularly SDG 4 (Quality Education) by promoting values-based learning and holistic student development; SDG 16 (Peace, Justice and Strong Institutions) through awareness of peace, tolerance, dialogue, and responsible citizenship; and SDG 17 (Partnerships for the Goals) by encouraging collaboration among students, faculty, departments, and guests.

The event provided a meaningful platform for students to express their commitment to peace and harmony and reinforced TUF's efforts to promote a respectful, inclusive, and socially responsible university community.

ART & CREATIVITY ON

Display at TUF Clay & Pottery Competition

TUF Art & Design Society organized a Clay & Pottery Competition, providing students with a creative platform to showcase their artistic talent, craftsmanship, and imagination. The event brought together talented young artists who transformed simple clay into

creative and meaningful pieces. Through hands-on participation, students demonstrated their creativity, patience, and appreciation for the traditional art of pottery.

The event concluded with a certificate distribution ceremony, recognizing participants

for their creativity, dedication, and enthusiastic involvement. The activity provided an engaging opportunity for students to explore their artistic abilities while promoting creativity, learning, and self-expression across the university community.

TUF Publication Society Organizes MOCK PARLIAMENT ON WORLD DEMOCRACY DAY

The Publication Society, TUF organized an event on Mock Parliament in celebration of World Democracy Day on 15 September 2026. The event was organized under the supervision of Ms Ifrah Fatima, Focal Person, Publication Society, with the valuable support of society's team members.

Students from various departments actively participated in the parliamentary simulation, demonstrating the democratic process and the significance of public representation in Pakistan's parliamentary system. During the proceedings,

participants presented and debated the "Under-16 Social Media Accounts Restriction Bill, 2026," highlighting key legislative procedures including discussion, deliberation, and voting.

The event provided an engaging platform for students to develop civic awareness, critical thinking, and a practical understanding of democratic governance. At the conclusion of the event, Prof Dr Katsiaryna Hurbik, Head, Department of English Language & Literature, presented souvenirs to the distinguished guests in recognition of their valuable contributions.

Art Unleashed, a creative competition at Jinnah wing

TUF Art & Design Society, organized Art Unleashed, a creative competition aimed at promoting artistic expression, creativity, and talent among students. The event provided students with a platform to showcase their artistic abilities, explore different creative techniques, and develop confidence through participation in co-curricular activities. The competition featured three major creative categories: Sketching, Painting, and Clay Pottery. Students actively participated and demonstrated their creativity,

imagination, and artistic skills through their artwork.

The activities provided an engaging environment for students to express their ideas and appreciate different forms of visual art.

- SDG 4 – Quality Education: Promotes creativity, artistic learning, and holistic student development.
- SDG 11 – Sustainable Cities and Communities: Supports cultural expression, creativity, and appreciation of arts.

Art Unleashed successfully provided

students with an opportunity to express their creativity and showcase their artistic talent. The event contributed to a vibrant campus culture while encouraging students to engage in meaningful artistic and co-curricular activities

TUF OPEN HOUSE 2026

Featured Academic Exposition & Welcomed Prospective Students

An engaging academic exposition took center stage at TUF Open House 2026 offering prospective students, parents, families, and visitors an opportunity to explore the University's diverse academic programs, learning facilities, practical training opportunities, and campus environment.

Spearheaded by the Center of Collective Activities, the day-long event provided visitors with an informative overview of the academic and professional opportunities available at TUF. Visitors explored various academic disciplines, learning environments, practical training facilities, research opportunities, student projects, and career pathways, while faculty members and academic representatives remained available to guide prospective students and respond to their queries regarding programs, admissions, and academic opportunities.

The exposition offered prospective students a broader understanding of the University's multidisciplinary academic environment, highlighting opportunities across allied health sciences, business and management, social sciences, pharmacy, information technology, and other academic fields. As part of the Open House admission facilitation, exemption from the Security Fee Deposit was provided to students who secured on-the-spot admissions during the event. Prospective students and their parents were also guided about the scholarship opportunities and financial assistance options available at TUF, helping them make informed decisions about their academic journey and take the next step toward joining the University.

KHUD MUKHTAR PROGRAM 2026

to Promote Charity and Social Responsibility

Alpha TUF Welfare Society organized the Khud Mukhtar Program 2026 at TUF, bringing together the university community to promote charity, empowerment, compassion, and social responsibility.

The event was attended by Chief Guest Mr Azhar Jawaid, Superintendent of Police, Faisalabad, along with Prof Dr Zahir Ahmad Zahir, Director ORIC, TUF; Mr Hanan Ifkhar, Head, TUF International Programs; and Dr

Aamna Habib, Principal, Madina College of Pharmacy.

The program highlighted the importance of turning awareness into meaningful action through collective efforts to support those in need and create opportunities for a more empowered society. The initiative also provided a platform for the TUF community to engage in purposeful social activities and promote the values of charity and community service.

TUF REHABILITATION SOCIETY HELD “SPREADING HAPPINESS” WELFARE INITIATIVE

The TUF Rehabilitation Society held a community welfare initiative titled “Spreading Happiness” on September 22, 2026, promoting kindness, compassion, and social responsibility. The initiative supported vulnerable community members and patients at Allied Hospital Faisalabad through the distribution of essential food items, ration supplies, and goodies.

Faculty members, students, and volunteers visited underprivileged areas, distributing ration bags, rice boxes, and goodies among families and children. The team also visited

Allied Hospital Faisalabad, where food boxes and goodies were distributed among patients and children, offering care and support to those facing difficult circumstances. The initiative provided students and volunteers an opportunity to engage in community service while demonstrating empathy, kindness, and social responsibility. It also highlighted the importance of collective efforts in supporting vulnerable members of society.

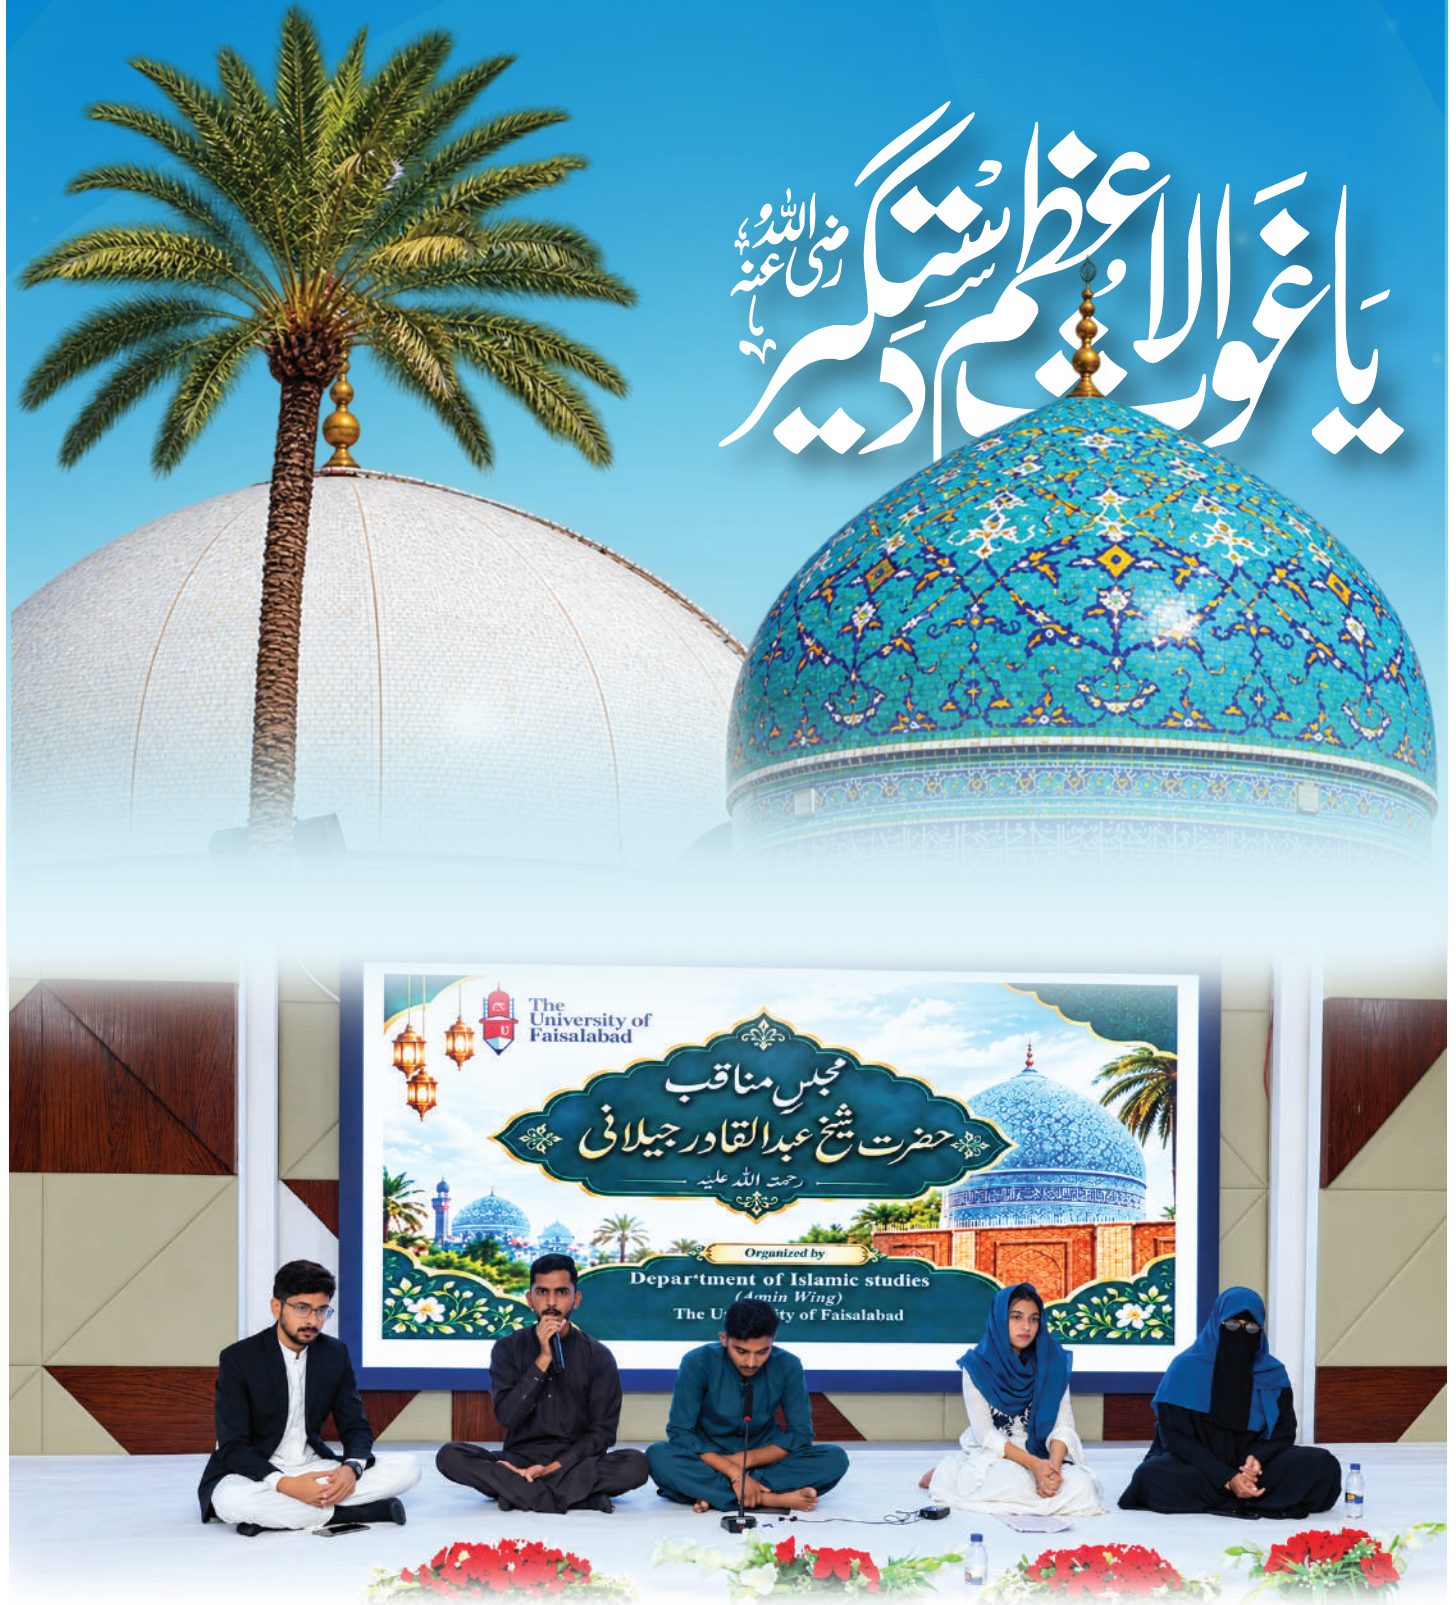

The initiative contributed to SDG 1: No Poverty, SDG 2: Zero Hunger, and SDG 3:

Good Health and Well-being by supporting vulnerable families, providing essential food supplies, and extending care to patients and other vulnerable individuals.

Majlis-e-Manaqib in Remembrance HAZRAT SHEIKH ABDUL QADIR JILANI (R.A)

یا غوث الاعظم
رحمۃ اللہ علیہ

The Department of Islamic Studies, TUF organized a spiritually enriching Majlis-e-Manaqib in remembrance of the Hazrat Sheikh Abdul Qadir Jilani (RA). A spiritually inspiring and soulful address was then delivered by Allama Dr Hafiz Muhammad Sarfaraz, Assistant Professor, Superior University Faisalabad, as a guest speaker. In his enlightening

speech, he highlighted the life, spiritual legacy, teachings, and services of Hazrat Sheikh Abdul Qadir Jilani (RA), emphasizing the enduring relevance of his message for contemporary youth. The spiritual atmosphere deepened with the Mehfil-e-Manaqib, where students passionately presented beautiful Manqabats in praise and remembrance of

Hazrat Sheikh Abdul Qadir Jilani (RA), creating an atmosphere filled with devotion and spiritual reflection.

The program concluded with a heartfelt Salaam presented by the students, followed by a collective Dua led by the distinguished guest speaker.

Mehfil-e Milad to commemorate life and teachings of

HAZRAT GHAUS-UL-AZAM

ABDUL QADIR JILANI (RA).

The Department of Islamic Studies in collaboration with the TUF Islamic Philosophical Society, The University of Faisalabad (TUF), successfully organized a spiritually enriching Milad Gathering to commemorate the life, teachings, and enduring spiritual legacy of Hazrat Ghaus-ul-Azam Sheikh Abdul Qadir Jilani (RA).

The program commenced with the recitation of the Holy Qur'an, followed by a heartfelt Naat-e-Rasool ﷺ. Ms Safia Jaffar, Senior

Lecturer, Department of Islamic Studies, delivered an inspiring keynote address highlighting the timeless teachings and exemplary character of Hazrat Sheikh Abdul Qadir Jilani (RA). She eloquently emphasized the significance of unwavering faith, sincerity, moral excellence, humility, compassion, self-purification, and devotion to Allah as the cornerstones of individual and societal reform. She further encouraged students to draw inspiration from the life of the great

saint by adhering to the Qur'an and Sunnah and embracing values of integrity, service to humanity, and spiritual growth.

The gathering concluded with the recitation of Salam and a collective Dua for peace, prosperity, unity, and the well-being of the Muslim Ummah, creating a serene and spiritually uplifting atmosphere for all participants. Faculty members, students, and distinguished guests attended the event with great enthusiasm.
