Congratulations

DR MUHAMMAD HAIDER AMIN

RECEIVES APSUP ACADEMIC
EXCELLENCE AWARD 2026

This award is a reflection of our commitment to excellence, innovation and a brighter future for higher education in Pakistan.

**Dr. Muhammad
Haider Amin**
Chairman BOG, TUF

The University of Faisalabad proudly celebrates another achievement as Dr Muhammad Haider Amin, Chairman BOG, TUF, has received the APSUP Academic Excellence Award 2026 from the Association of Private Sector Universities of Pakistan (APSUP). This marks the third consecutive year, following recognition in 2024 and 2025, highlighting the impact of his leadership in advancing higher education.

The award recognizes his visionary leadership, direction, and sustained commitment to excellence, institutional development, innovation, and educational transformation. His leadership has strengthened TUF's academic standards, research, international collaborations, and sustainable development.

Under his guidance, TUF continues to strengthen its national and international standing, with recognition in prestigious rankings, including QS World University Rankings: Asia, WURI Global Innovation Rankings, and UI GreenMetric World University Rankings.

Receiving the APSUP Academic Excellence Award consecutively is a testament to Dr Muhammad Haider Amin's vision, dedication, and transformative leadership. The University extends its congratulations on this three-year achievement and remains committed to advancing excellence, innovation, and connected education.

TUF INSPIRES IDEAS, CONNECTS MINDS & SHAPES THE FUTURE AT SEE PAKISTAN 2026

The University of Faisalabad proudly participated in SEE Pakistan 2026 at Expo Centre Lahore, bringing together students, innovators, entrepreneurs, industry leaders, and aspiring changemakers. The event offered opportunities for meaningful engagement, knowledge exchange, networking, and exposure to emerging trends shaping Pakistan's entrepreneurial

landscape.

TUF's participation reflected its commitment to innovation, entrepreneurship, creativity, and future-ready leadership. Faculty and students engaged with diverse ideas, entrepreneurial ventures, and industry perspectives, gaining valuable insights beyond the classroom.

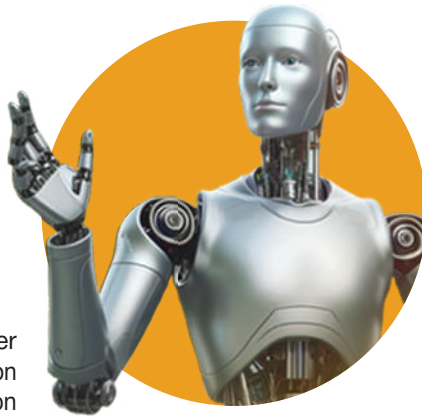

The event was strengthened by the presence

of Mr Muhammad Haider Amin, Chairman Board of Governors, and Prof Dr Aman Ullah Malik, Rector, TUF, demonstrating strong leadership support for initiatives that empower young minds. Through SEE Pakistan 2026, TUF reaffirmed its vision of preparing students to innovate purposefully, connect meaningfully, and contribute confidently to Pakistan's future.

TUF ADVANCES AI INTEGRATION

Through a Seminar on “AI Essentials in Academics: Empowering Education, Enhancing the Future

The Department of Computer Sciences, Faculty of Information Technology, advanced its vision for AI-enabled education by organizing a seminar titled “AI Essentials in Academics: Empowering Education, Enhancing the Future”, aimed at preparing faculty, administration, and students to effectively leverage Artificial Intelligence for academic excellence, innovation, and meaningful impact.

The seminar held in Amin wing, focused on equipping faculty members with practical knowledge and tools to integrate AI into teaching, learning, research, and academic administration. Prof Dr Majid Hussain, Dean, Faculty of Information Technology, highlighted the growing significance of AI in academia and emphasized the need for educators to understand and effectively adopt emerging technologies to meet the evolving demands of higher education.

Dr Talha Farooq Khan, Assistant Professor and Head of the BSAI Program, explored practical applications of AI in academic

settings, introducing faculty members to relevant tools, strategies, and approaches for smarter teaching, research, and data-driven decision-making. An interactive Q&A session further enabled participants to discuss opportunities and challenges associated with the integration of AI into academia.

The session held in Saleem wing, focused on enhancing AI awareness and practical understanding among faculty, staff, and administration, with particular emphasis on the integration of emerging technologies into academic and administrative practices.

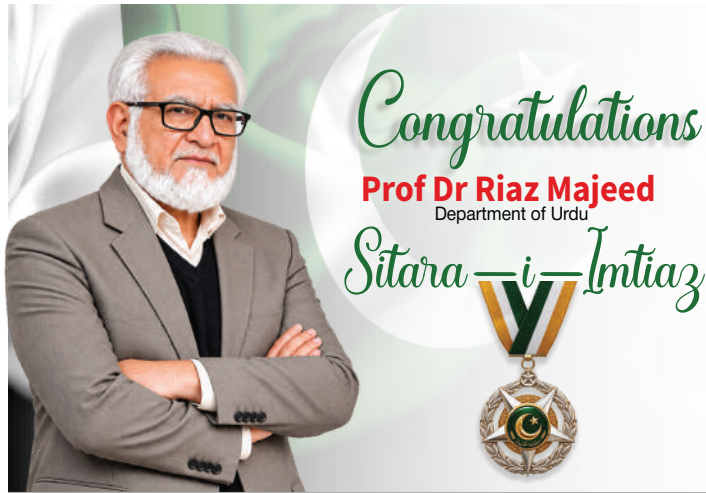

Prof Dr Majid Hussain, addressed the topic “AI Essentials in Academics: Why is AI Needed in Academics?” He highlighted the growing significance of AI in higher education and emphasized the urgent need for educators and academic professionals to understand and adopt emerging technologies to keep pace with evolving academic demands.

Dr Talha Farooq Khan, delivered a comprehensive lecture on “Integration of AI in Academics.”

He explored practical applications, tools, and strategies for integrating AI into teaching, research, and data-driven decision-making. An interactive Q&A session further enabled participants to discuss the opportunities and challenges associated with the implementation of AI in academic settings.

In his closing remarks, Prof Dr Aman Ullah Malik, Rector, TUF, shared his concluding thoughts and key takeaways. He emphasized that Artificial Intelligence has become an essential part of the modern academic and professional landscape, stating that AI has become indispensable, and those who do not learn and adapt to it may find it increasingly difficult to keep pace with the changing demands of the future. He encouraged faculty, staff, and administration to embrace AI-powered learning and intelligent innovation to enhance efficiency, strengthen academic excellence, and remain prepared for a technology-driven future.

LITERARY EXCELLENCE HONoured PROF DR RIAZ MAJEED NOMINATED FOR SITARA-I-IMTIAZ FOR DISTINGUISHED SERVICES TO LITERATURE

TUF congratulates Prof Dr Riaz Majeed, Head, Department of Urdu, on being nominated for the prestigious Sitara-i-Imtiaz in recognition of his distinguished services to literature, particularly Na'at writing.

A respected literary scholar and academic, Prof Dr Riaz Majeed has made significant contributions

to Urdu literature through his scholarly work and literary writings. His dedication to the promotion and enrichment of Urdu literature reflects a lasting commitment to academic and cultural excellence. This prestigious nomination is a matter of great pride for Prof Dr Riaz Majeed and the entire TUF community.

**TUF
SIGNS MOU WITH**

**ALKHIDMAT
FOUNDATION PAKISTAN**

To Strengthen Educational Support for Palestinian Students from Gaza.

The University of Faisalabad and Alkhidmat Foundation Pakistan have signed a Memorandum of Understanding (MoU) to establish a collaborative framework for providing higher education opportunities and comprehensive support to Palestinian students from Gaza.

The MoU was signed by Prof Dr Aman Ullah Malik, Rector, TUF, and Prof Dr Saad Zafar, Director, Palestinian Scholarships Program, Alkhidmat Foundation Pakistan.

Through the MoU, TUF's commitment to academic excellence and international student support is aligned with Alkhidmat Foundation Pakistan's humanitarian efforts under its "Rebuilding Gaza through Education" initiative.

Under the collaboration, TUF will offer 100% scholarships covering degree fees, admission fees, and other fixed charges for selected Palestinian students enrolled in designated undergraduate and postgraduate programs. TUF will also provide academic support, mentoring, laboratory access where applicable, and guidance to facilitate

students' successful integration and academic progress. The agreement also includes clinical training opportunities for Medical and Dental students from Gaza universities

As part of their visit, the Alkhidmat Foundation Team also visited Madinah Teaching Hospital and explored its clinical facilities and healthcare services, gaining an insight into the hospital's capacity to support clinical training and practical learning. The team also planted saplings at Abdul Qadeer ground, as part of TUF's "Go Green" Initiative.

CEL, TUF EMPOWERS BUSINESS LEADERS Through Executive Communication Workshop

Center of Executive Learning (CEL), TUF successfully conducted a one-day executive workshop, "Corporate Communication Mastery: Building Confidence and Influence." The session was led by **Dr Ali Jarrar**, Executive Public Speaking & Voice Coach, who brings over 20 years of experience in communication training and leadership development.

The workshop brought together directors, managers, and senior executives from leading industrial and commercial organizations. Dr Jarrar focused on three key pillars of impactful communication: Confidence: Communicating with clarity and purpose. Trust: Building credibility and meaningful professional relationships. Vocals: Harnessing voice, tone, pace, and delivery

for greater impact. Participants highly appreciated Dr Jarrar's expertise and commended CEL, TUF for organizing this valuable professional development initiative.

TUF STRENGTHENS INDUSTRY-ACADEMIA COLLABORATION THROUGH EXECUTIVE TRAINING FOR FESCO

The Centre of Executive Learning, TUF, hosted two-day executive training programme on **“Labour Code 2026: Legal Compliance for HR Professionals”** for Faisalabad Electric Supply Company (FESCO), focusing on strengthening participants’ understanding of labour laws, regulatory compliance, and effective HR practices.

The training was led by Mr Muhammad Akram, an experienced HR and labour law professional, who shared valuable insights into key labour legislation, statutory

requirements, workplace compliance, and practical challenges faced by HR professionals. Across the two-day programme, participants explored critical aspects of labour law, HR compliance, and workplace regulations, gaining practical perspectives to support informed decision-making and promote legally compliant and professionally sound HR practices. The training reflects CEL’s commitment to delivering industry-focused executive education that connects professional learning with real-world organizational needs.

OBE TRAINING STRENGTHENS FACULTY CAPACITY

Two-Day Training on Outcome-Based Education

The Office of Research, Innovation and Commercialization (ORIC), TUF successfully organized a two-day Hands-on Training on Outcome-Based Education (OBE) for faculty members. The training was designed to strengthen faculty understanding and practical implementation of the Outcome-Based Education framework, ensuring alignment with modern academic quality standards and accreditation requirements.

The training workshop was inaugurated by Prof Dr Aman Ullah Malik, Rector, TUF who highlighted the significance of Outcome-Based Education in enhancing the quality of teaching, learning, and student assessment. He

emphasized that adopting OBE practices is essential for producing competent graduates equipped with the knowledge, skills, and professional competencies required to meet national and international educational standards.

The sessions were conducted by Dr Abdul Shakoor (PhD, PFHEA, FPAE, FIEP), who provided comprehensive hands-on training on OBE concepts, formulation of Program Learning Outcomes (PLOs) and Course Learning Outcomes (CLOs), constructive alignment, assessment strategies, and practical implementation of OBE in academic programs. Through interactive discussions

and practical exercises, participants gained practical experience in designing outcome-based curricula and assessment plans. The workshop concluded with an interactive question-and-answer session, where faculty members discussed implementation challenges and shared ideas for strengthening academic practices. The initiative reflects TUF’s continued commitment to academic excellence, quality assurance, and continuous professional development by equipping faculty members with the knowledge and practical skills necessary for effective Outcome-Based Education implementation.

TUF Signs MoU with

KASHAF'S LASER INSTITUTE FOR CLINICAL TRAINING

The Department of Dermal Sciences, The University of Faisalabad, has signed a Memorandum of Understanding (MoU) with Kashaf's Laser Institute, Faisalabad. This partnership brings together academic education and clinical practice in the fields of dermatology and aesthetic medicine.

Kashaf's Laser Institute is a well-established center with over a decade of experience in clinical and aesthetic skincare, advanced laser technologies, and a team of highly qualified dermatologists.

Through this MoU, students will gain supervised, hands-on exposure to real patients and modern clinical procedures. They will also participate in joint workshops, practical training, collaborative research projects, and community skin health initiatives conducted at the institute.

By bridging classroom learning with practical experience at a leading clinical facility, this collaboration will significantly enhance students' clinical competence, professional skills, and readiness for careers in dermal

sciences. We look forward to working with Kashaf's Laser Institute to develop competent professionals and contribute to the delivery of high-quality skin care services to the community.

FACULTY CAPACITY BUILDING SESSION

Explores Multibrain Integration for Personal and Professional Development

The Dean's Office, Faculty of Medicine and Allied Health Sciences, TUF, successfully organized a session of the Capacity Building Series on "Multibrain Integration: The Connection of Head, Heart and Gut".

The session was delivered by Mr Ali Imran Baig, a professionally certified coach with International Coaching Federation (ICF) credentials, who provided valuable insights into the interconnected roles of the brain, heart, and gut and their impact on human well-being and performance.

Prof Dr Yasir Jamil, Chairman, Department of Physics, **University of Agriculture Faisalabad Official** graced the event as the Chief Guest.

The session provided an engaging platform for faculty members and participants to enhance their understanding of mind-body integration and its relevance to personal and professional development.

CAPACITY-BUILDING SESSION ON

Teaching with Integrity, Ethics, Accountability and Professionalism

The Dean's Office, Faculty of Medicine and Allied Health Sciences, organized a capacity-building session on "**Teaching with Integrity, Ethics, Accountability and Professionalism**".

The session aimed to strengthen professional values and promote ethical, responsible, and effective teaching practices among faculty members.

Prof Dr Razia Kousar from the University of Agriculture Faisalabad joined the session as the Guest Speaker and shared valuable insights into maintaining integrity, ethical

standards, accountability, and professionalism in academic settings. Her perspectives encouraged faculty members to reflect on their roles as educators and their responsibilities toward students, colleagues, and the institution.

The session emphasized the significance of fostering a transparent, ethical, accountable, and professional academic environment. It also highlighted the role of faculty members in upholding institutional values and contributing to a culture of excellence in teaching and learning.

YOUM-E-ISTEHSAL-E-KASHMIR

Observed at TUF with Meaningful Dialogue and Solidarity Walk

Demonstrating its commitment to promoting awareness of issues of national and humanitarian importance, TUF Centre of Collective Activities, in collaboration with Character Building Society, Literary Society and Majlis-e-Adab Society, commemorated Youm-e-Istehsal-e-Kashmir by organizing a series of awareness activities, including a panel discussion titled "Kashmir Today: Rethinking Perspectives, Building Understanding," an interactive question-and-answer session, and a solidarity walk. The event brought together faculty members, students, and distinguished academicians to engage in a meaningful dialogue on the historical and contemporary realities of Kashmir.

At Saleem Wing, the panel featured Dr Naveed Anjum, Head of the Department of International Relations; Advocate Ms Shabnum Amanat, from the National Business School; and Dr Nabiha Hassan, Department of Biochemistry and Biotechnology, UMD. The speakers discussed various dimensions of the Kashmir issue,

highlighting the importance of justice, peace, dialogue, and respect for human rights in Indian occupied Kashmir.

Meanwhile, at the Amin Wing, the panelists included Dr Riaz Majeed, Head, Department of Urdu, renowned writer, scholar, and poet; Mr Abdul Sattar Naeem, Director of the Iqbal Chair at Riphah International University; Mr Sharjeel Yousaf, PhD scholar, social media activist; Mr Farrukh Sheikh, Senior Broadcaster at Wave FM 96.6; Mr Hassan Javed, Advocate of the High Court; and Mr Hussain Farid, Lecturer, Department of English Language & Literature, writer and poet. Participants actively engaged with the panelists during the interactive question-and-answer session, exchanging views and gaining deeper insights into the significance of the day and the challenges facing the region. The program concluded with a solidarity walk to express support for the brethren of Indian occupied Kashmir and reaffirm TUF's commitment to peace, compassion, and human dignity.

PLANTATION OUTREACH ACTIVITY as Part of Independence Day Celebrations

In celebration of Independence Day 2026, the Department of Physiology, in collaboration with the TUF Literary Society, organized a Plantation Outreach Activity at Block A1 Park, FDA City, Sargodha Road, promoting environmental responsibility, community engagement, and the spirit of contributing to a greener Pakistan.

The initiative combined the spirit of national pride with a meaningful commitment to environmental responsibility and community service.

The activity engaged participants in tree plantation and environmental awareness,

highlighting the importance of green spaces, ecological balance, and collective action for a healthier future. By taking practical action beyond the university campus, the initiative extended TUF's community engagement efforts and encouraged participants to become responsible contributors to a cleaner and greener Pakistan. The outreach activity contributed to the United Nations Sustainable Development Goals (SDGs), particularly SDG 11 (Sustainable Cities and Communities), SDG 13 (Climate Action), and SDG 15 (Life on Land). Through this initiative, TUF reinforced the message that celebrating independence

also means taking responsibility for the environment and working together to build a sustainable, resilient, and greener Pakistan.

Centre of Collective Activities hosts closing ceremony for **VISUALLY IMPAIRED STUDENTS' COMPUTER COURSE**

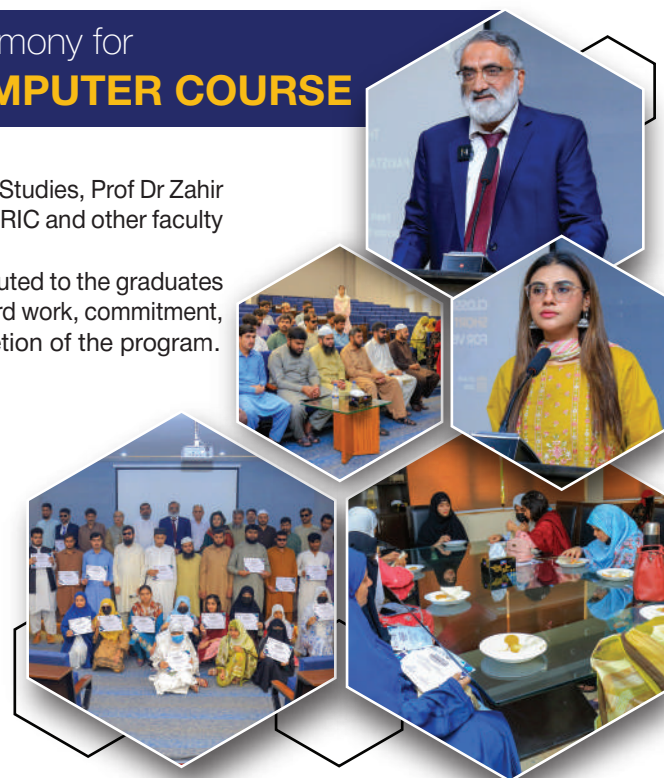

The University of Faisalabad, in collaboration with the Pakistan Assistive Technology Foundation, hosted the closing ceremony of a two-month computer course for visually impaired students. The initiative empowered participants with basic digital skills.

Mr Abdul Rehman, Coordinator of the Foundation, shared his experience, and motivated participants to remain confident, work hard, and prove that visual impairment does not limit their potential. Muhammad Ibrahim, a student of short course shared his inspiring journey.

The Chief guest of the ceremony, Prof Dr Aman Ullah Malik, Rector, TUF congratulated the graduates on their dedication and encouraged them to continue using technology as a tool for learning, empowerment, and professional growth. The ceremony was also attended by Prof Dr Ashfaq Ahmad, Dean,

Faculty of Management Studies, Prof Dr Zahir Ahmad Zahir, Director ORIC and other faculty members.

Certificates were distributed to the graduates in recognition of their hard work, commitment, and successful completion of the program.

TUF ACADEMIC ENGAGES NATIONAL ASSEMBLY IN RESEARCH-DRIVEN POLICY DIALOGUE

The University of Faisalabad, in collaboration with the Pakistan Assistive Technology Foundation, hosted the closing ceremony of a two-month computer course for visually impaired students. The initiative empowered participants with basic digital skills.

Mr Abdul Rehman, Coordinator of the Foundation, shared his experience, and motivated participants to remain confident, work hard, and prove that visual impairment does not limit their potential. Muhammad Ibrahim, a student of short course shared his inspiring journey.

The Chief guest of the ceremony, Prof Dr Aman Ullah Malik, Rector, TUF congratulated the graduates on their dedication and encouraged them to continue using technology as a tool for learning, empowerment, and professional growth.

The ceremony was also attended by Prof Dr Ashfaq Ahmad, Dean, Faculty of Management Studies, Prof Dr Zahir Ahmad Zahir, Director ORIC and other faculty members.

Certificates were distributed to the graduates in recognition of their hard work, commitment, and successful completion of the program.

NEW FACULTY INDUCTION 2026

STRENGTHENED ACADEMIC EXCELLENCE

through Professional Orientation Sessions

The orientation week was designed to facilitate the induction of newly appointed faculty members into the university's academic culture and professional environment.

The first day commenced with a Faculty Onboarding and Compliance Process, facilitated by Ms Madiha Asif, Assistant Registrar (HR), Saleem Wing, and Ms Sana Tahir, Assistant Registrar (HR), Amin Wing. The session covered participant registration, submission of required documents, biometric attendance and other onboarding formalities. A Meet & Greet session followed, led by Dr Zahida Maqbool, Registrar, TUF, providing the newly inducted faculty members with an opportunity for introduction and interaction. The session on Effective Communication Skills for Academic Professionals, led by Prof Dr Katsiaryna Hurbik, Head of Linguistics, Department of English. The session addressed effective verbal and written communication, active listening, presentation skills, and strategies for meaningful engagement with students and colleagues.

The day concluded with a session on Professional & Ethical Standards, facilitated by Mr Rohail Jibran, Lecturer, National Business School. The session highlighted ethical decision-making, professional

behaviour, communication etiquette, conflict resolution, and grievance handling within an academic environment.

The second day of the Orientation Programme for New Faculty Induction – 2026 continued with a series of sessions aimed at strengthening newly inducted faculty members' understanding of the TUF's academic, administrative, and quality assurance frameworks.

The day commenced with a session on Quality Assurance & Accreditation, facilitated by Ms Munazza Kausar, Deputy Director, Quality Enhancement Cell. The session covered quality assurance requirements, programme review, and self-assessment reports, highlighting the importance of academic quality and continuous improvement. This was followed by an Overview of University Structure led by Dr Zahida Maqbool, Registrar, which familiarised faculty members with the University's vision, mission, values, governance, departments, committees, and institutional structures.

Another session focusing on HR Policies, was conducted by Ms Sana Tahir, Assistant Registrar HR, providing an overview of HR policies and the code of conduct. The day concluded with a session on Academic Policies, facilitated by Prof Dr Abdul Wahid,

Director Academics, covering key academic regulations and student progression policies. Moving beyond institutional policies and academic frameworks, **the third day** of the Orientation Program for New Faculty Induction 2026 placed a strong emphasis on practical teaching approaches, digital learning, student engagement, and faculty participation beyond the classroom.

The day opened with Teaching Methodologies, led by Asst Prof Dr Komal Atta, Director Medical Education, focusing on blended learning strategies and approaches to enhance the teaching and learning experience. The orientation then explored Technology in Teaching with Asst Prof Dr Shakila Abbas, Department of Optometry, highlighting the use of LMS and e-learning tools in contemporary academic settings.

Faculty members also attended a session on Effective Use of Online Resources and Digital Library, facilitated by Mr Khurram Shahzad, Librarian. The session guided participants on navigating digital libraries, assessing the credibility of online resources, using digital tools for research, and maintaining ethical practices in the use of online resources. The afternoon sessions shifted the focus towards creating a more engaging academic

experience. Muhammad Hanan Iftikhar, Head TUF International Programs, conducted a session on Effective Student Engagement Techniques, highlighting strategies to strengthen a student-centred teaching approach.

The day concluded with Engaging Mind Beyond Classroom, facilitated by Mr Usama Khan, Manager CCA, introducing faculty members to the University's co-curricular activities landscape and opportunities for faculty engagement.

The fourth day of the Orientation Programme for New Faculty Induction – 2026 brought together sessions focused on faculty well-being, responsible research practices, academic regulations, and creating a safe and respectful academic environment.

The beginning session Work-Life Balance and Stress Management, was facilitated by Prof Dr Tanzeela Khalid, Dean Clinical Training. The session highlighted practical approaches to managing workplace stress, maintaining a healthy work-life balance, and improving time management.

The orientation then moved towards Research Ethics and Integrity, led by Prof Dr Zahir

Ahmad Zahir, Director ORIC. The session addressed research ethics, methodology, the publication process, funding opportunities, and plagiarism, reinforcing the importance of integrity and responsible conduct in academic research.

The next session on Examination Regulations, facilitated by Mr Muhammad Zubair, Controller of Examinations, provided faculty members with an overview of examination rules, grading systems, assessment methods, attendance requirements, and their responsibilities in upholding academic integrity. The day concluded with Gender Norms & Policy Against Sexual Harassment, led by Dr Zahida Maqbool, Registrar. The

session familiarised faculty members with guiding principles, prohibited conduct, awareness and training requirements, and confidentiality, reinforcing TUF's commitment to a professional, respectful, and secure academic environment.

The fifth and concluding day of the Orientation Program for New Faculty Induction 2026 at TUF featured insightful sessions on Community Engagement by Ms Izza Ayub, Assistant Professor, Rehabilitation Sciences and the Security Contingency Plan by Maj (Retd) Shehryar, Chief Security Officer.

Prof Dr Aman Ullah Malik, Rector, and Dr Zahida Maqbool, Registrar TUF, warmly welcomed the newly inducted faculty members and congratulated them on becoming part of the TUF community. They underscored the pivotal role of innovative teaching, impactful research and student-centered learning in nurturing excellence, inspiring intellectual growth and preparing future-ready graduates equipped to meet the evolving challenges of the world.

The program concluded with the presentation of certificates to newly inducted faculty members, recognizing their successful completion of the orientation program.

REHABILITATION SOCIETY PROMOTES FALL PREVENTION and Healthy Aging Through Community Initiative

The Rehabilitation Society of The University of Faisalabad conducted a **Fall Prevention Awareness Session** at Old Age Shelter Home (Aafiyat), focusing on healthy aging, fall prevention, and safe mobility among older adults. Led by student volunteers, the initiative provided practical awareness about common causes and risk factors associated with falls while emphasizing the importance of maintaining balance, strength, coordination, and mobility for an active and independent lifestyle.

During the session, volunteers demonstrated evidence-based exercises designed to improve balance, coordination, and muscle strength. They also introduced a Gamified Balance Board, an innovative adaptation of the conventional balance board designed to make rehabilitation exercises more engaging, interactive, and effective. The initiative highlighted the role of accessible, patient-centered rehabilitation in preventing

falls and promoting better functional health among older adults.

To demonstrate its clinical applications, the Gamified Balance Board was presented to physicians at National Hospital Faisalabad, where its rehabilitation benefits and practical applications were discussed. The innovation was also utilized with patients at Madinah Teaching Hospital Faisalabad to explore its potential in improving balance and postural stability. Faculty members appreciated the initiative and recognized its potential in rehabilitation practice and fall prevention. The activity reflects the Rehabilitation Society's commitment to community engagement, health promotion, innovation, and social responsibility. By combining awareness, practical rehabilitation exercises, and technology-driven solutions, the initiative contributed to promoting safer mobility and healthier aging while supporting **SDG 3: Good Health and Well-being**.

PAKISTAN'S 79TH

INDEPENDENCE DAY

across TUF Wings: Patriotism, Unity,
Youth Engagement & Environmental
Responsibility

TUF celebrated Pakistan's 79th Independence Day with festivities organized by the Center of Collective Activities (CCA), student societies, and clubs, promoting patriotism and a greener, stronger nation.

The festivities began with a Flag Hoisting Ceremony. Chief Guest Prof Dr Aman Ullah Malik, Rector, TUF and Dr Zahida Maqbool, Registrar, TUF, graced the event.

Student Activities & Performances

Students participated in Poster, Speech, Reel, and National Song Competitions. The Azadi Tournament featured Ludo, Arm Wrestling, and Table Tennis.

Environmental Stewardship: 79th Independence Day Plantation Drive

The TUF Rehabilitation Society, Department of Rehabilitation Sciences, organized a Tree Plantation Drive with the Department of Forestry & Range Management, University of Agriculture

Faisalabad (UAF).

Planting 79 trees symbolized 79 years of independence and supported the Green Pakistan vision.

Chief Guest: Dr Fahad Rasheed, Chairman, Department of Forestry & Range Management (UAF), highlighted youth's role in environmental sustainability.

Planted Species: Gulmohar, Amaltas, Kachnar, Bakain, Jamun, Shehtoot (Mulberry), Philkan, Rose, and Jatropa.

Closing Remarks: Dr Mariam Zafar, Head, Department of Rehabilitation Sciences, thanked the administration, UAF delegates, faculty, and volunteers.

"1000 Trees Per Year" Initiative

The "1000 Trees Per Year" Plantation Drive engaged students and faculty in planting trees across Faisalabad for a sustainable future.

Winners of Co-Curricular Activities

Students participated in Speech, Poster, and Milli Song Competitions honoring the nation's founders. The event concluded with a Prize Distribution Ceremony:

Speech Competition Winner:

Mr Tayyab Imran (Department of Computer Science)

Poster Competition Winner:

Ms Minahil Fatima (Department of Nutrition & Basic Sciences / NBS)

MEHFIL-E-MILAD HELD IN HONOUR

of the Blessed Birth of the Holy Prophet Hazrat Muhammad (S.A.W)

The blessed occasion of Milad-un-Nabi (S.A.W) holds a special place in the hearts of Muslims, providing an opportunity to remember the blessed life, noble character, and timeless teachings of the Holy Prophet Muhammad (S.A.W). At The University of Faisalabad, the blessed occasion of Milad-un-Nabi (S.A.W) is observed with deep reverence and devotion. In this spirit, the department of Arabic & Islamic Studies lovingly organized a Mehfil-e-Milad Mustafa

(S.A.W), bringing together faculty members and participants to commemorate the blessed birth of the Holy Prophet Muhammad (S.A.W) in the Holy month of Rabi-ul-Awwal, and to reflect upon His Seerah, noble character, and timeless teachings. Adding to the spiritual significance of the occasion, Mrs Mumtaz Khanum, renowned Islamic Scholar from Jamia Qadria Rizvia, Faisalabad, graced the occasion as guest speaker. Sharing her reflections on the

blessed life of the Holy Prophet Muhammad (S.A.W), she highlighted the exemplary character, mercy, compassion and guidance of the Prophet (S.A.W), while emphasizing the importance of love for the Prophet (S.A.W) and following the Sunnah in our lives. The Mehfil-e-Milad concluded with Dood-o-Salam, and Dua for the peace, prosperity and unity of the Muslim Ummah, seeking the blessings and mercy of Allah Almighty.

AMIN WING

Department of Islamic Studies, Amin wing had the honor of hosting a spiritually uplifting Mehfil-e-Milad-un-Nabi ﷺ, celebrating the birth of our Beloved Prophet Muhammad ﷺ. The Mehfil commenced with the recitation of Holy Quran by Asadullah, Department of Computer Sciences, followed by a heartfelt

Naat by Ms Saima Anwar.

Prof Dr Matloob Ahmad, Dean, Faculty of Arts & Social Sciences, extended a warm welcome address, after which the Mehfil formally began with the Mufakhra recited by Mr Hussain Fareed, Department of English Language & Literature. Prof Dr Majid Hussain,

Dean, Department of Computer Sciences delivered a moving address on the Shan-e-Mustafa ﷺ, reflecting on love and obedience to the Holy Prophet ﷺ. Students presented Salaam in devotion and praise of the Holy Prophet ﷺ. The Mehfil concluded with a heartfelt Dua by Dr Matloob Ahmad.

JINNAH WING

The University of Faisalabad, Jinnah Wing arranged a Grand Mehfil-e-Milad-un-Nabi ﷺ. The gathering brought together students in an atmosphere filled with love, reverence and devotion for the Holy Prophet Muhammad ﷺ. The program commenced with the recitation of the Holy Quran, performed by Syed Sulaiman Hassni, a student of BS Cyber Security. Following the recitation, Mubashir Hussain, a PhD Scholar of Islamic Studies, presented a Na'at in praise of the Holy Prophet Muhammad ﷺ. The Mehfil-e-Milad then began with the

participation of the Na'at Khawan, Ms Ayesha Batool, who expressed her devotion through a Na'at. Students also had the honor of presenting Na'ats, creating an atmosphere filled with devotion and love for the Prophet ﷺ. The event was graced by guests, Prof Dr Matloob Ahmad, Dean Faculty of Arts and Social Sciences and Associate Professor Dr Ahmad Raza-ul-Habib from the Department of Islamic Studies.

The Guest Speaker, Dr Farhan Akhtar, Assistant Professor at Dar-ul-Madina International University Islamabad delivered

a speech highlighting the blessed life, character, teachings and noble Seerah of the Holy Prophet Muhammad ﷺ. His address emphasized the importance of following the Sunnah and incorporating the teachings of the Holy Prophet ﷺ into our lives. The program concluded with Salam, followed by a Dua for the unity, peace, prosperity, and well-being of the Muslim Ummah and the nation. It was truly a spiritually enriching gathering—a memorable celebration of the birth of the Mercy for the Worlds, the Holy Prophet Muhammad ﷺ.

The University of Faisalabad successfully conducted the Sports-Based Admissions Trials 2026, organized by the Sports Department under the supervision of Deputy Director Sports, Ms Sehrish, in collaboration with the Sports Committee. The trials were conducted

with the participation of guest expert coaches from Hockey, Handball, Athletics, Badminton, Table Tennis, Judo, Karate, Taekwondo, Boxing and Cricket. The expert coaches assessed candidates on the basis of their technical skills, fitness, performance, and

sporting potential, ensuring a fair and transparent selection process. The initiative reflects the University's commitment to promoting sports talent and providing deserving athletes with opportunities for higher education through sports-based admissions.
