Mission

The primary mission of the Placement Bureau is to ensure the professional success of every student. We are dedicated to offering personalized guidance and meaningful opportunities that empower students to excel in their chosen careers. Through strategic partnerships and a strong commitment to growth and development, we strive to help students realize their full potential and achieve lasting success in the professional world.

Objectives

- Placement Bureau is committed to connecting students with valuable career opportunities
- Cultivating enduring partnerships with public, corporate, and social sector organizations for mutual growth and success
- Supporting students in pursuing study abroad opportunities
- Assisting students in becoming successful entrepreneurs and scaling their own businesses

Introduction

- Placement Bureau at The University of Faisalabad (TUF) is dedicated to supporting students and graduates throughout their career development journeys. It provides comprehensive assistance in areas such as self-assessment, career profiling, and employment search, while enhancing employability through strong partnerships with national and multinational organisations.
- Since its restructuring in 2021, the Bureau has significantly expanded its scope of services. In addition to facilitating traditional employment opportunities, it now supports students pursuing international study opportunities, entrepreneurship, and freelancing. Through Career Link 2025, the Bureau connects students with study abroad consultants, start-up mentors, and freelancing platforms, thereby broadening their professional horizons.
- Furthermore, the Bureau organises in-house training programmes, internships, and recruitment drives to provide valuable industry exposure and enable students to refine their professional skills prior to entering the workforce. The Placement Bureau remains firmly committed to empowering students to achieve sustained success in their careers and beyond.

Our Team

Future Planning

Future plans include the provision of international internship and employment opportunities for students, alongside active engagement with the global alumni network to foster meaningful connections and broaden professional prospects.

(Corporate Partners)

Ahmad Bilal Arif
Deputy Chief Manager State Bank of
Pakistan

Career Link 26 served as an exceptional forum to engage with emerging talent and connect with graduates entering the professional sphere. The initiative successfully integrates academia and industry, facilitating valuable exchanges and advancing career development. We are committed to endorsing such impactful initiatives and look forward to continued engagement with the future workforce.

Muhammad Jamil
Production & Quality Manager – UAE
Beverage Industry

Looking back, my time at The University of Faisalabad was the foundation of both my personal and professional growth. Serving as President of the Blood Donor Society allowed me to develop leadership skills. Since graduating in 2015, I have built a career in the food and beverage industry and currently serve as Production and Quality Manager at a major bottled water facility in the UAE. Certifications in food safety, quality systems, and Lean Six Sigma have enabled me to drive operational excellence across multiple departments. I am deeply grateful for the values and experiences I gained at the university, which continue to guide my work and inspire me to lead with integrity and serve with purpose.

Rahat Naseem
Managing Director at Grow Sphere

As a seasoned professional with 29 years of diversified experience, I find Career Link 26 at The University of Faisalabad to be a well-structured and impactful platform that effectively connects talent with the right opportunities. Its focus on career alignment and professional growth is commendable. I appreciate the team's vision and commitment to creating meaningful value for both individuals and organizations.

Muhammad Jahangir Ali
Sales Performance Manager

As a results-oriented professional with extensive experience in organizational development, I would like to commend the meticulous organization and success of Career Link 26. The event demonstrated a strong commitment to connecting emerging talent with industry opportunities through a well-structured and engaging platform.

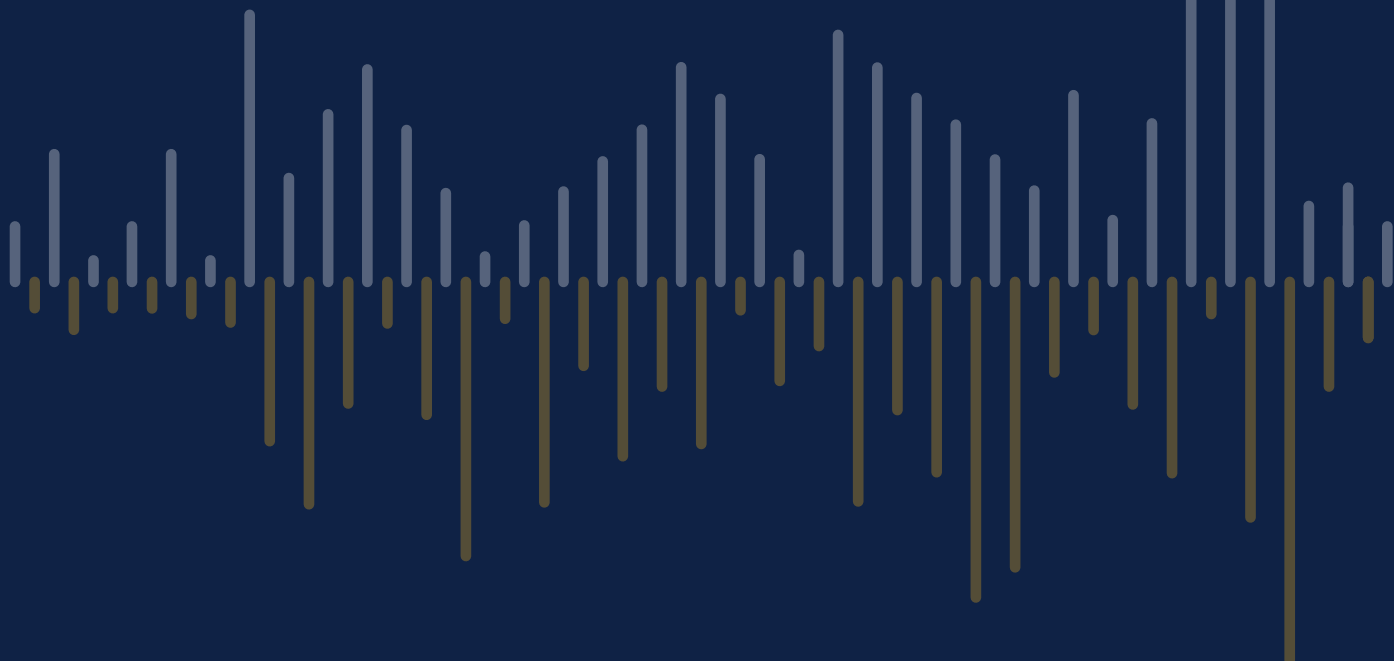

It was encouraging to witness the meaningful interaction between students and professionals, fostering valuable insights and career alignment. I am confident that such initiatives will continue to contribute significantly to professional development and organizational growth.

Mirza Usman
CEO, NetixSol

As a blockchain developer and entrepreneur, I would like to extend my sincere appreciation for the successful Career Link 26 event. The initiative served as a highly effective platform for fostering meaningful collaboration between students and industry professionals.

I look forward to future collaborations and continued efforts in fostering career opportunities for emerging talent.

Gratitude

(TUF Alumni)

Muhammad Usman
BSCS (2014-2018)
Senior IP Engineer at Huawei

The foundation I gained there shaped my career in networking and telecommunications. Currently, I serve as Senior IP Engineer at Huawei, working on critical international network projects. I am sincerely grateful to the university for the guidance that enabled my professional growth. The knowledge, mentorship, and opportunities provided by TUF continue to inspire me to excel in my field.

Muhammad Hamza Tahir
BBA (2020-2024)
Administration Officer at The Urban Unit,
Planning and Development Board,
Government of Punjab

As a Bachelor of Business Administration graduate from The University of Faisalabad, I am grateful for the foundation and guidance that shaped my professional journey. Today, as an Administration Officer at The Urban Unit, Planning and Development Board, Government of Punjab (Permanent), I have the privilege of contributing to innovative urban development initiatives that are transforming the province.

Ambreen Cheena
MBA (2006-2008)
Assistant Vice President at National Bank

The skills and guidance I received enabled me to enter the workforce with confidence and open doors to key opportunities. From being one of only two women selected as a Management Trainee Officer at the Bank of Punjab among 15,000 applicants, I have strived to break barriers. Today, as an Assistant Vice President at National Bank, I am proud to empower women and promote entrepreneurship.

The University of Faisalabad gave me more than an education—it gave me direction, confidence, and a community.
